**Lotus Lake Dragon Pool** Trevor Leggett, 2021-01-05 Collected by the author over many years these stories from the Yoga and Zen traditions are the flint and steel that strike a spark that lights up the mind with insights that one should ponder daily to bring to light ever deeper meaning They may be similar in intent to Zen Koans but they are rather different in content TIn many Zen Koans someone says or does something extraordinarily inappropriate which catches your attention just because it s extraordinary but afterwards the light from them has to be applied to daily life In contrast the stories here are often ordinary incidents from ordinary lives not that there aren t some extraordinary ones too that nevertheless open the mind s eye to the vast potential for realization and inspiration to be found in daily life      **The Buddhist Handbook** John Snelling, 1991 This is the first definitive guide to the complete panorama of Buddhist teaching practice schools and history One of the fastest growing religions in the world Buddhism includes with its scope numerous traditions The Buddhist Handbook provides a comprehensive and nonsectarian survey of these traditions and their contemporary exponents
