University of Ottawa is doing its part by offering a 50% discount on this very important book We decided not to rewrite the witty book description though we realize it is tone deaf at the present moment as we wanted to give readers a sense of the tone of this title But don't be deceived while a fun read this book will help you better understand how epidemiologists governments and health care planners use mathematical models to figure out how quickly epidemics and pandemics spread in order to plan appropriately Reading has perhaps never been as important and this book should be at the top of your reading list You're outnumbered in fear for your life surrounded by flesh-eating zombies What can save you now Mathematics of course Mathematical Modelling of Zombies engages the imagination to illustrate the power of mathematical modelling Using zombies as a hook you'll learn how mathematics can predict the unpredictable In order to be prepared for the apocalypse you'll need mathematical models differential equations statistical estimations discrete-time models and adaptive strategies for zombie attacks as well as baseball bats and Dire Straits records latter two items not included In Mathematical Modelling of Zombies Robert Smith brings together a highly skilled team of contributors to fend off a zombie uprising You'll also learn how modelling can advise government policy how theoretical results can be communicated to a nonmathematical audience and how models can be formulated with only limited information A forward by Andrew Cartmel former script editor of Doctor Who author zombie fan and all-round famous person in science fiction circles even provides a genealogy of the undead By understanding how to combat zombies readers will be introduced to a wide variety of modelling techniques that are applicable to other real-world issues biology epidemiology medicine public health etc So if the zombies turn up reach for this book The future of the human race may depend on it

**The Cinema of Stephen Chow** Gary Bettinson, Vivian P.Y. Lee, 2024-09-05 An in-depth exploration of the stardom and authorship of Stephen Chow Sing-chi one of Hong Kong cinema's most enduringly popular stars and among its most commercially successful directors In the West Stephen Chow is renowned as the ground-breaking director and star of global blockbusters such as Kung Fu Hustle 2004 and Shaolin Soccer 2001 Among Hong Kong audiences Chow is celebrated as the leading purveyor of local comedy popularising the so-called mo lei tau gibberish brand of Cantonese vernacular humour and cultivating a style of madcap comedy that often masks a trenchant social commentary This volume approaches Chow from a diverse range of critical perspectives Each of the essays written by a host of renowned international scholars offers compelling new interpretations of familiar hits such as From Beijing with Love 1994 and Journey to the West 2013 The detailed case studies of seminal local and global movies provide overdue critical attention to Chow's filmmaking highlighting the aesthetic power economic significance and cultural impact of his films in both domestic and global markets

[The Transmedia Vampire](#) Simon Bacon, 2022-02-18 This book explores vampire narratives that have been expressed across multiple media and new technologies Stories and characters such as Dracula Carmilla and even Draculaura from Monster High have been made more real through their depictions in narratives produced in and across different platforms This also allows the consumer to engage on multiple levels with the vampire world blurring

the boundaries between real and imaginary realms and allowing for different kinds of identity to be created while questioning terms such as author reader player and consumer These essays investigate the consequences of such immersion and why the undead world of the transmedia vampire is so well suited to life in the 21st century

**Vampire Films Around the World** James Aubrey, 2020-10-08 Vampires are arguably the most popular and most paradoxical of gothic monsters life draining yet passionate feared yet fascinating dead yet immortal Vampire content produces exquisitely suspenseful stories that combined with motion picture filmmaking reveal much about the cultures that enable vampire film production and the audiences they attract This collection of essays is generously illustrated and ranges across sixteen cultures on five continents including the films *Let the Right One In* *What We Do in the Shadows* *Cronos* and *We Are the Night* among many others Distinctly different kinds of European vampires have originated in Ireland Germany Sweden and Serbia North American vampires are represented by films from Mexico Canada and the USA Middle Eastern locations include *Tangier* Morocco and a fictional city in Iran South Asia has produced Bollywood vampire films and east Asian vampires are represented by films from Korea China and Japan Some of the most recent vampire movies have come from Australia and New Zealand These essays also look at vampire films through lenses of gender post colonialism camp and otherness as well as the evolution of the vampiric character in cinema worldwide together constituting a mosaic of the cinematic undead

**Dungeons & Drawings** Blanca Martínez de Rituerto, Joe Sparrow, 2019-11-12 An illustrated encyclopedia of the best monsters from around the world for fantasy fans and Dungeons and Dragons enthusiasts Whether they be beasts spirits demons or even aliens most fantasy worlds are filled with monsters Some are harmless many more are deadly Luckily for the discerning adventurer this book is here to help distinguish between the two Animators Blanca Martinez de Riuero and Joe Sparrow have compiled three volumes of their popular series into one deluxe edition Each creature comes with a full color illustration a set of simplified statistics a description and a history section indicating its folkloric history and the scientific phenomena that may have influenced its creation With creatures like the Archdevil Dryad Fire Bat Gold Dragon Smoke Devil Bomb Plant Ettin and Spirit Fox any tabletop player will find the perfect creature for their next campaign

**Transnational Horror** Cüneyt Çakırlar, 2025-01-20 Adopting a multi method critical approach to the global revival of folklore themed horror media Transnational Horror contests Anglophone film scholarship s widespread adherence to its own film historical canons Navigating alternative meanings of folk horror and locating these meanings within a transnational framework the volume proposes a curatorial paradigm of critical transnationalism in the study of global film cultures and genre formations The book proposes an alternative genealogy of horror media a genealogy that decolonises in provincialising the dominant film historical canons associated with the horror genre and contributes to the formation of a transnational field of horror criticism that troubles the normative geopolitics of canonisation in film and genre studies Through diverse accounts of scale and regionality as categorical markers of screen media the contributors to the volume develop critical tools to address the

mobility of folk horror as mode and as genre which operates within and beyond the normative registers of national belonging
