Encouragements From The Heart Nathaniel L. Jordan, Nathaniel Jordan, 2002-03 We go through life everyday with issues bombarding us from North East South and West We constantly cry out for understanding Usually when we cry out there s no one there What do we do Who do we talk to Yes on the outside everything looks fine but on the inside well that s another story Sometimes it s just not convenient to talk to you I need more trust in my life I need more understanding I just want to know that I m not the only one in this world going through I pray that you find PEACE in this book For as long as I can remember I ve always tried my best to encourage someone We ve all come to a point in our life or will come to a point in our life when we just need someone to encourage us I believe the more encouraged a person is the more productive they become Take time to read this book and take in what you need to make it to the next level May God continue to bless you and heaven continue to shine upon you from this day forth Amen *Encouragements from the Heart* Nathaniel Lee Jordan
