have an effect on dreams Dream symbolism and interpretation is examined in detail while a special section with over 1 000 symbols and explanations interprets dream symbols and helps readers understanding the phenomena of dreaming Among the dream symbols unraveled are Airplane dreams may mean you have the power to rise above a situation or have the desire to break free of restrictions Falling dreams often reflect a sense that one has failed or fallen down in life Horse riding dreams most probably mean that the dreamer feels in control of his or her life Teeth in a dream may indicate control issues Zoo dreams may mean that a dreamer needs to tidy up some situation James R Lewis is a professor of philosophy and a recognized authority on nontraditional religious movements and has written the ultimate dreamer s companion This resource is unique in its in depth exploration of dreams the latest scientific research on dreaming and dream related topics Whether one is a serious student of dreams or wishes merely to peruse the subject for pleasure The Dream Encyclopedia explores the historical cultural and psychological significance of dreams With more than 120 photos and illustrations this tome is richly illustrated and its helpful bibliography and extensive index add to its usefulness

[The Haunting of Twentieth-Century America](#) William J. Birnes, Joel Martin, 2011-09-13 In this sequel to The Haunting of America national bestselling authors Joel Martin and William J Birnes bring up to the present the story of how paranormal events influenced and sometimes even drove political events In unearthing the roots of America s fascination with the ghosts goblins and demons that possess our imaginations and nightmares Martin and Birnes show how the paranormal has driven America s political public and military policies The authors examine the social history of the United States through the lens of the paranormal and investigate the spiritual events that inspired momentous national decisions UFOs that frightened the nation s military into launching nuclear bomber squadrons toward the Soviet Union out of body experiences used to gather sensitive intelligence on other countries and even spirits summoned to communicate with living politicians The Haunting of Twentieth Century America is a thrilling evidencebased exploration of the often unexpected influences of the paranormal on science medicine law the government the military psychology theology death and dying spirituality and pop culture At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied

[Gambling With Your Soul](#) Henry Arnold Davis, 2021-05-14 If you ve ever wondered What will happen to me when I die this book is for you I first considered the question at eight years of age staring down the barrel of a thirty eight caliber revolver under a white knuckled death grip in my father s hand the same gun used on him by my older brother years earlier Drawing on religion science philosophy mathematics near death experiences NDE out of body experiences OBE spirit encounters hundreds of interviews across the globe and good old fashioned common sense Gambling With Your Soul tackles the controversial topic of life after death by standing on two fundamental truths First everyone is going to die Second no one knows what will happen to them after they die In the face of these truths what is your best bet Analyzing the afterlife beliefs of the world s top twenty two religions nonreligions this book proves it is Christianity This is not to say that Christianity is right and all other religions are wrong It

is simply your best bet The book provides an original objective and comprehensive answer to the question that s sewn into the DNA of every human being **UFO Religions** Christopher Partridge,2012-11-12 The spectre of the UFO as popularized by shows such as The X Files has brought an astonishing slant to the face of modern religious practice But what motivates the fantastical and sometimes sinister beliefs of UFO worshippers UFO Religions critically examines some of the fascinating issues surrounding UFO worship abduction narratives UFO based interpretations of other religions the growth of pseudo sciences purporting to explain UFOs and the responses of the core scientific community to such claims Focusing on contemporary global UFO groups including the Raelian Movement Heaven s Gate Unarius and the Ansaaru Allah Community it gives a clear profile of modern UFO controversies and beliefs *Awakening to Spirit* Lee Irwin,1999-07-01 Awakening to Spirit explores the nature of spirituality in the postmodern age as a personal journey within a living responsive cosmos In a world of multiple religious traditions spiritual ambiguity and widespread secular atheism Lee Irwin offers a non traditional view of spirituality that s intrinsic to personal growth and development He presents Ten Principles that reflect stages of spiritual growth and culminate in a mystical encounter inherent to an experiential view of contemporary spirituality Various physical emotional imaginative intellectual and psychic aspects of spiritual development are considered leading to a discussion of spiritual maturity old age and self renewal Social relations compassionate love and responsible mature human relationships are emphasized Altered states of consciousness dreams visions mystical experiences are presented as a valid necessary means for an understanding of Spirit and many ideas from contemporary cosmology process theology parapsychology and western esotericism are integrated into the book **UFOs and Popular Culture** James R. Lewis,2000-12-01 From religious beliefs and legends to movies and TV shows from advertising and celebrities to Internet sites and photo ops this illustrated A Z encyclopedia makes it easy to locate each topic and the opportunities for further research assure its timeliness Is the human race the result of a breeding experiment carried out by ancient astronauts Are satanists extraterrestrials or both mutilating cattle Whimsical and fascinating UFOs and Popular Culture explores a rich facet of Americana and its impact on contemporary society The UFO phenomenon is put into folkloric and psychological perspective revealing much about our collective psyche From religious beliefs and legends to movies and TV shows from advertising and celebrities to Internet sites and photo ops this illustrated A Z encyclopedia is your first stop resource for understanding UFO beliefs and their impact on contemporary America Topics explored include Music and UFOs Naked Aliens Reincarnation Roswell Brad Steiger Heaven s Gate War of the Worlds and UFO Conventions **The Haunting of America** William J. Birnes,Joel Martin,2025-06-25 In the tradition of their Haunting of the Presidents national bestselling authors Joel Martin and William J Birnes write The Haunting of America From The Salem Witch Trials to Harry Houdini the only book to tell the story of how paranormal events influenced and sometimes even drove political events In a narrative retelling of American history that begins with the Salem Witch Trials of the seventeenth century Martin and Birnes unearth

the roots of America's fascination with the ghosts goblins and demons that possess our imaginations and nightmares The authors examine the political history of the United States through the lens of the paranormal and investigate the spiritual events that inspired public policy channelers and mediums who have advised presidents UFOs that frightened the nation's military into launching nuclear bomber squadrons toward the Soviet Union out of body experiencers deployed to gather sensitive intelligence on other countries and even spirits summoned to communicate with living politicians The Haunting of America is a thrilling exploration of the often unexpected influences of the paranormal on science medicine law government the military psychology theology death and dying spirituality and pop culture At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied

Dreamgates Robert Moss, 2010 A world renowned authority on the history uses and power of dreaming Robert Moss guides neophyte and experienced adventurers alike to open their own dreamgates Through these gates await otherwise inaccessible realms of reality as well as soul remembering the recovering of knowledge that belonged to us before we came into this life experience Exercises meditations and the mesmerizing tales of fellow dream travelers outline Moss's Active Dreaming technique a kind of shamanic soul flight that offers frequent flyers a passport between worlds In this world beyond physical reality Moss points to wellsprings of healing creativity and insight As readers move into these different ways of seeing and knowing they may also communicate with spiritual guides and departed loved ones in ways that transform their everyday lives

The Haunting of Twenty-First-Century America William J. Birnes, Joel Martin, 2013-12-17 In this companion volume to The Haunting of America and The Haunting of Twentieth Century America national bestselling authors William J Birnes and Joel Martin explore today's intellectual and spiritual awakening one that is challenging traditional belief systems Birnes and Martin show that though many governments deny the importance of a spiritual component to national policy even the most conservative governments have based social and financial policy decisions on a profound belief in the existence of the paranormal ghosts and spirits From using psychic spying programs to gather intelligence on enemy nations to investigating the use of mind control to impede the abilities of hostile troops the U S government has continuously developed paranormal weapons and tactics alongside their more mundane counterparts U S Presidents from Franklin Pierce through Ronald Reagan regularly relied on the paranormal using trance mediums channelers and astrologists to help plan agendas and travel schedules The Haunting of Twenty First Century America is unlike any American history you will ever read it posits that not only is the paranormal more normal than most people think but that it is driving current events to a new Fourth Culture of the twenty first century At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied

Shakespeare's Ghosts Live Adrian Parker-Reed, Annekatrin Puhle, 2017-03-07 Shakespeare has been one of the most cited authors since his plays were performed and yet little attention has been paid to his views on psychic phenomena It took another 300 years of paranormal experiences before scholars at Cambridge University helped to found the Society for

Psychical Research which brought scientific scrutiny to the area and the UK is now a world leader in university research on this topic This book throws new light on many historical case reports from Shakespeare s time onwards It identifies the core experiences that transcend time and give clues to an understanding of psychic phenomena The book highlights Shakespeare s insights showing how these relate to and even amplify the conclusions of later and on going research In our time of disconnectedness from nature the book discusses neglected human experiences which represent an important part of life and which do in fact occur to most of us In doing so the book raises awareness against the emptiness of a zombie like existence in today s society and offers a new approach to life and death and their deeper meaning **The Uttermost Deep** Gracia Fay Ellwood,2000-11

Covering neurological pharmacological and psychological approaches this book examines the constant themes that run through both positive and negative near death experiences **21st Century Sociology: A Reference Handbook** Clifton D. Bryant,Dennis L. Peck,2007 Publisher Description

The Encyclopedia of Modern Witchcraft and Neo-Paganism Shelley Rabinovitch,James Lewis,2004 A comprehensive guide to the world of magick this book includes definitions straightforward thorough explanations biographies of all of the important figures in Wiccan and Pagan cultures and descriptions of the various traditions of Wicca as well as offering a detailed history of the pagan tradition With essays from authorities such as Lois Bourne and Marian Green on topics ranging from Jungian Psychology and Neo Paganism to Buffy the Vampire Slayer this book is the first encyclopedia that discusses modern Neo Pagan beliefs from international points of view *Imagining Heaven* Ellen W. Williams,2024-01-01 Over the centuries humans have conjured images the stuff of dreams convictions and ardent desire to describe our afterlife The vision of heaven can appear as simple as a place among the stars or as complex as a universe filled with a multitude of busy souls Positioned at the intersection of art religion and culture this book sheds new light on human creativity in its portrayal of the afterlife Beginning with prehistoric burial objects that help with one s heavenly needs it travels through history to probe ancient texts examines enigmatic carvings dissects the meaning of paintings and discusses contemporary perspectives in film and media The author demonstrates that humans around the world have always had the capacity to confront the final frontier in spirited hopeful and beautiful ways

Witchcraft Today James R. Lewis,1999-12-06 A clear concise overview of the origins and history of the Wiccan and Neopagan movements with A Z coverage of concepts rituals practices and practitioners Witchcraft Today presents a concise survey of this fascinating movement charts its development and offers A Z coverage of Neopagan concepts rituals practices and practitioners ranging from African Religions and Celtic Tradition to Numerology and Theosophy An excellent and thorough introduction that explains the origin and history of contemporary Wiccan and Neopagan beliefs and a chronology detail the development of these modern religions A documents section reprints texts important to the central belief system of Wiccans and Neopagans including the text of Charge of the Goddess and a bibliography and index complete this timely source Consult this work whether you need to know the characteristics of Wicca the difference between Celtic Alexandrian

and Blue Star traditions the meaning of skyclad the work of Emanuel Swedenborg or the origins of Tarot **An Analytical Guide to Television's One Step Beyond, 1959-1961** John Kenneth Muir, 2010-06-21 Alcoa Presents One Step Beyond made its television debut in 1959 nine months before Rod Serling's classic The Twilight Zone and paved the way for a generation of television programs devoted to paranormal topics such as the occult ESP and ghost stories One Step Beyond was also where some of Hollywood's most famous leading men including Warren Beatty William Shatner and Charles Bronson got their starts in television This complete reference work to the 96 half hour episodes that ran for three seasons on ABC also offers a detailed history extensive commentary and summaries of the critical reception of One Step Beyond as well as coverage of the sequel series produced in 1978 entitled The Next Step Beyond Complete credits for both series are provided **Epiestems of Death** Pratham Parekh, 2017-01-01 Death and dying experiences are not common across human race because humans do not share common cultural heritage and physical environment The fact of death thus can be considered as socially constructed fact abounded by idiosyncratic religious beliefs and rituals existing within social life It is almost impossible to have common consensual understanding of death and dying This book tries to investigate various sources of knowledge about death in multiple disciplines from sociological lenses
