Encyclopedia Of The United States Cabinet:

Encyclopedia of the United States Cabinet D. Alan Dean, 2019 This authoritative two volume work showcases the cabinets of all 45 presidential administrations from George Washington to Donald J Trump With its unique arrangement by administration and thoughtful presentation of information no other source provides such insight into this important political body Publisher Encyclopedia of the United States Cabinet: Chronological list of cabinet members Mark Grossman, 2000

Encyclopedia of the United States Cabinet Mark Grossman, 2000 **Encyclopedia of the United States Cabinet: George Washington to Warren Harding** Mark Grossman, 2010 As we forge ahead into the second decade of the 21st century the questions who really are all the President's men and women takes on tremendous meaning Get detailed information on all 573 cabinet members plus 16 Confederate Cabinet members from George Washington to Barack Obama Introduction *American Government Leaders* Harris M. Lentz III, 2013-04-25 This book provides a single source of biographical information for the thousands of individuals who have held high elective and appointive offices in the federal state and municipal governments The first half of the book lists positions in the government with a chronological record of the persons who have held the positions and the duration of their terms of office Executive branch listings include the presidents first ladies vice presidents cabinet members deputy and undersecretaries of cabinet departments directors and administrators of high government agencies high ranking military officials ambassadors and high ranking presidential staff and White House aides In the judiciary the chief justice of the United States and members of the Supreme Court the U S Court of Appeals and U S District Courts are listed Legislative listings include presidents of the Continental Congresses speakers of the House of Representatives presidents pro tempore of the Senate majority and minority leaders in both houses of Congress members of Congress territorial delegates resident commissioners governors and lieutenant governors Next are sections on state and territorial governments listing governors and lieutenant governors and city governments listing mayors of over 150 cities The second half of the book is a biographical index of individuals found in the earlier sections listed in alphabetical order The entries contain dates of birth and death when known political party or affiliation state or states of significance to the officeholder and listing of offices held US Government , **The ^APresidency of the United States** Richard M. Pious, 2010-04-10 The Presidency of the United States is an illustrated A to Z guide to the U S Presidency including biographical sketches of each President and Vice President along with articles on presidential powers presidential history theories about the presidency presidential elections advisors and agencies and information about the daily workings of the White House The second edition is completely revised up to March 2001 with new Biographies of George W Bush and Dick Cheney and completely updated biographies of Bill Clinton and Al Gore **The A to Z of the Eisenhower Era** Burton I. Kaufman, Diane Kaufman, 2009-10-26 U S Army General Dwight D Eisenhower first entered into the public eye during World War II as the Supreme Commander of the Allied Forces in Europe In 1952 he was elected as the 34th President of the

United States and served two terms During those terms he oversaw the cease fire of the Korean War kept up the pressure on the Soviet Union during the Cold War made nuclear weapons a higher defense priority launched the Space Race enlarged the Social Security program and began the Interstate Highway System The A to Z of the Eisenhower Era examines significant individuals organizations and events in American political economic social and cultural history during this era in American history In addition to the hundreds of cross referenced dictionary entries on politics economics diplomacy literature science sports and popular culture a chronology introductory essay and several appendixes are also included in this valuable reference

Encyclopedia of the United States Cabinet: Treasury Mark Grossman,2000 **Guide to the Presidency and the Executive Branch** Michael Nelson,2012-08-13 This comprehensive two volume guide is the definitive source for researchers seeking an understanding of those who have occupied the White House and on the institution of the U S presidency Readers turn Guide to the Presidency and the Executive Branch for its wealth of facts and analytical chapters that explain the structure powers and operations of the office and the president s relationship with Congress and the Supreme Court The fifth edition of this acclaimed reference completes coverage of the George W Bush presidency the 2008 election and the first 3 years of the presidency of Barack Obama This includes coverage of their handling of the economic crisis wars abroad and Obama s healthcare initiatives The work is divided into eight distinct subject areas covering every aspect of the U S presidency and all chapters in each subject area have been revised and updated Origins and Development of the Presidency including constitutional beginnings history of the presidency and vice presidency and presidential ratings Selection and Removal of the President including the electoral process a chronology of presidential elections removal of the president and vice president and succession Powers of the Presidency including the unilateral powers of the presidency and those as chief of state chief administrator legislative leader commander in chief and chief economist The President the Public and the Parties including presidential appearances the president and political parties the president and the news media the presidency and pop culture public support and opinion and the president and interest groups The Presidency and the Executive Branch including the White House Office the Office of the Vice President supporting organizations the cabinet and executive departments presidential commissions and executive branch housing pay and perquisites Chief Executive and Federal Government including the president and Congress the president and the Supreme Court and the president and the bureaucracy Presidents their Families and Life in the White House and Beyond including the daily life of the president the first lady the first family friends of presidents and life after the presidency Biographies of the Presidents Vice Presidents First Ladies This new volume also features more than 200 textboxes tables and figures Major revisions cover the supporting White House organizations and the president s role as chief economist Additional reference materials include explanatory headnotes as well as hundreds of photographs with detailed captions [Reference Sources for Small and Medium-sized Libraries, Eighth Edition](#) Jack O'Gorman,2014-02-25 Focusing on new reference sources published since 2008 and reference

titles that have retained their relevance this new edition brings O Gorman's complete and authoritative guide to the best reference sources for small and medium sized academic and public libraries fully up to date About 40 percent of the content is new to this edition Containing sources selected and annotated by a team of public and academic librarians the works included have been chosen for value and expertise in specific subject areas Equally useful for both library patrons and staff this resource Covers more than a dozen key subject areas including General Reference Philosophy Religion and Ethics Psychology and Psychiatry Social Sciences and Sociology Business and Careers Political Science and Law Education Words and Languages Science and Technology History and Performing Arts Encompasses database products CD ROMs websites and other electronic resources in addition to print materials Includes thorough annotations for each source with information on author editor publisher cost format Dewey and LC classification numbers and more Library patrons will find this an invaluable resource for current everyday topics Librarians will appreciate it as both a reference and collection development tool knowing it's backed by ALA's long tradition of excellence in reference selection

Women in American Politics: History and Milestones Doris Weatherford, 2012-01-20 Women in American Politics is a new reference detailing the milestones and trends in women's political participation in the United States This two volume work provides much needed perspective and background on the events and situations that have surrounded women's political activities It offers insightful analysis on women's political achievements in the United States including such topics as the campaign to secure nation wide suffrage pioneer women state officeholders women first elected to U S Congress governorships mayoralities and other offices and women first appointed as Cabinet officials judges and ambassadors It also includes profiles of the women who have run for vice president and president Women in American Politics is organized in a framework both logical and useful to readers and researchers Original material offers students scholars teachers and other professionals a guide to understanding the complex struggle in women's progress toward achieving political parity with men in the United States Each chapter is structured in three parts part one features graphic information tables lists charts or maps detailing the historical record with data not compiled anywhere else on women officeholders part two offers insightful narrative analysis describing how women achieved what they did examines the complex and sometimes contradictory trends behind the facts of women's political milestones and explores how social and economic contexts affected the progress of their accomplishments part three presents biographical entries describing in more personal terms women's struggle for political equality Sidebars in each chapter illuminate the drama of political life and consider the evolving female electorate exploring how women voters have impacted particular issues specific elections or other key turning points and the tradition of appointing widows to open seats The final chapter uniquely looks at women's political history and differences in achievement from a state and regional perspective Entries on each state as well as on District of Columbia and Puerto Rico highlight milestones and provide insight into the unique aspects of each state

White House Politics and the Environment Byron W. Daynes, Glen Sussman, 2010-07-23 Presidents and their administrations since the 1960s have become increasingly active in environmental politics despite their touted lack of expertise and their apparent frequent discomfort with the issue In *White House Politics and the Environment* Franklin D Roosevelt to George W Bush Byron W Daynes and Glen Sussman study the multitude of resources presidents can use in their attempts to set the public agenda They also provide a framework for considering the environmental direction and impact of U S presidents during the last seven decades permitting an assessment of each president in terms of how his administration either aided or hindered the advancement of environmental issues Employing four factors political communication legislative leadership administrative actions and environmental diplomacy as a matrix for examining the environmental records of the presidents Daynes and Sussman s analysis and discussion allow them to sort each of the twelve occupants of the White House included in this study into one of three categories ranging from less to more environmentally friendly Environmental leaders and public policy professionals will appreciate *White House Politics and the Environment* for its thorough and wide ranging examination of how presidential resources have been brought to bear on environmental issues

Historical Dictionary of the Eisenhower Era Burton I. Kaufman, Diane Kaufman, 2008-12-04 U S Army General Dwight D Eisenhower first entered into the public eye during World War II as the Supreme Commander of the Allied Forces in Europe In 1952 he was elected as the 34th President of the United States and served two terms During those terms he oversaw the cease fire of the Korean War kept up the pressure on the Soviet Union during the Cold War made nuclear weapons a higher defense priority launched the Space Race enlarged the Social Security program and began the Interstate Highway System The *Historical Dictionary of the Eisenhower Era* examines significant individuals organizations and events in American political economic social and cultural history during this era in American history In addition to the hundreds of cross referenced dictionary entries on politics economics diplomacy literature science sports and popular culture a chronology introductory essay and several appendixes are also included in this valuable reference

Blessed Among Nations Eric Rauchway, 2007-04-15 Nineteenth century globalization made America exceptional On the back of European money and immigration America became an empire with considerable skill at conquest but little experience administering other people s or its own affairs which it preferred to leave to the energies of private enterprise The nation s resulting state institutions and traditions left America immune to the trends of national development and ever after unable to persuade other peoples to follow its example In this concise argumentative book Eric Rauchway

traces how from the mid 1800s to the early 1900s the world allowed the United States to become unique and the consequent dangers we face to this very day **Historical Dictionary of the Carter Era** Diane Kaufman, Scott Kaufman, 2013 James Earl Carter Jr better known as Jimmy Carter was not the greatest or most popular president of the United States but he did accomplish quite a lot in the fields of civil rights energy and foreign policy during his term from 1977 to 1981 However the economy fared badly and he lost face in his dealings with Iran So when he left after one term he was not greatly missed or so it seemed For after the presidency he made an amazing comeback as a diplomat and trouble shooter in international crises becoming an amazing ex president And even the earlier views of his presidency have been improving at least he did not get the country into a war This rather special trajectory is explained in the Historical Dictionary of the Carter Era with an obvious focus on his term as president His run for the presidency and what he did during his term in office is traced carefully by the chronology The introduction takes a longer view and also puts events in a broader context Then the dictionary section with hundreds of detailed and cross referenced entries tells us more about his policy in various fields but also how America changed culturally and socially during this period The extensive bibliography points toward further information although this book is certainly a good starting point and also a place to refresh one's memory *Working Manual of Civics* Milton Conover, 1925 *The Statesman's Year-Book, 1996-7* B. Hunter, 2016-12-27 The 133rd edition of The Statesman's Year Book is completely revised and updated Widely respected as an authoritative and accessible reference work The Statesman's Year Book provides the basic building blocks of knowledge about any country in the world constitution and government international relations industry agriculture trade and social issues Known as a people events and statistics work this year's edition includes accounts of the latest developments in trouble spots such as Bosnia Israel and Northern Ireland and records the results of recent elections in Italy Austria Spain and Turkey *Encyclopedia of the United States Cabinet: Labor* Mark Grossman, 2000
