The Yoga of Love Graham M. Schweig, Professor of Religion Christopher Newport University Distinguished Teaching and Research Faculty Graham M Schweig, 2025 *The Yoga of Love* explores the R sa L l a divine love story from the Bh gavat Pur a that centers on the spiritual union of Krishna and the Gop s in a cosmic dance of devotion Through 16 chapters it addresses key theological and philosophical dimensions of bhakti or devotional love within Vaishnavism The work begins by contextualizing the R sa L l within Hindu literature and tradition emphasizing its unparalleled role in revealing divine intimacy It then discusses the symbolic ethical and transformative nature of the Gop s love for Krishna illustrating how this relationship surpasses social norms and transcends mortality The narrative details Krishna s divine manifestations and the significance of his roles as lover friend and supreme deity which shape the devotee s path to salvation This synthesis of devotion theology and symbolism positions the R sa L l as a timeless archetype of divine love

American Law in a Global Context George Fletcher, Hoi L. Kong, Steve Sheppard, 2025 *American Law in a Global Context* The Basics now in a thoroughly revised edition is an elegant and erudite introduction to the American legal system from a global perspective Drawing on some comparative

examples with a focus on American law George P Fletcher Hoi L Kong and Steve Sheppard introduce underlying principles of common and civil law constitutional criminal and public law and property and procedure The appendices include an introduction to the common law method instruction on how to read a case the interpretation of statutes and an introduction to the Federal system and US courts systems This revised edition offers a greater focus on American law itself and includes the addition of an easy to use Bibliography as well as a new Civil Procedure Appendix Fletcher Kong and Sheppard provide a clear roadmap through essential areas of US law with in depth analyses of well known cases These cases allow readers the opportunity to examine not only law as theory but as practice while guiding them to further exploration through suggested readings A must own reference source for LLM students undergraduates and students of US law in other countries **The**

Will to Imagine J. L. Schellenberg, 2012-04-24 The Will to Imagine completes J L Schellenberg s trilogy in the philosophy of religion following his acclaimed Prolegomena to a Philosophy of Religion and The Wisdom to Doubt This book marks a striking reversal in our understanding of the possibility of religious faith Where other works treat religious skepticism as a dead end The Will to Imagine argues that skepticism is the only point from which a proper beginning in religious inquiry and in religion itself can be made For Schellenberg our immaturity as a species not only makes justified religious belief impossible but also provides the appropriate context for a type of faith response grounded in imagination rather than belief directed not to theism but to ultimism the heart of religion This new and nonbelieving form of faith he demonstrates is quite capable of nourishing an authentic religious life while allowing for inquiry into ways of refining the generic idea that shapes its commitments A singular feature of Schellenberg s book is his claim developed in detail that unsuccessful believers arguments can successfully be recast as arguments for imaginative faith Out of the rational failure of traditional forms of religious belief The Will to Imagine fashions an unconventional form of religion better fitted Schellenberg argues to the human species as it exists today and as we may hope it will evolve **Gods in the Global Village** Lester R.

Kurtz, 2015-04-01 In a world plagued by religious conflict how can the various religious and secular traditions coexist peacefully on the planet And what role does sociology play in helping us understand the state of religious life in a globalizing world In the Fourth Edition of Gods in the Global Village author Lester Kurtz continues to address these questions This text is an engaging thought provoking examination of the relationships among the major faith traditions that inform the thinking and ethical standards of most people in the emerging global social order Thoroughly updated to reflect recent events the book discusses the role of religion in our daily lives and global politics and the ways in which religion is both an agent of and barrier to social change **Essays in Hindu Theology** Anantanand Rambachan, 2019-11-05 This work offers a series of theological explorations of themes not usually addressed in standard treatments of the Hindu tradition Rambachan s retrieval of these distinctive insights of Hindu theology has implications that extend across the world s religions and that touches upon key areas of mutual interest and concern Beginning with a general introduction to the Hindu theological tradition the book

examines several key issues in Hindu theology and its engagement with contemporary religious social political and inter faith questions including the theological methods employed in the study of Hinduism the discernment of vocation the theological grounds for social justice in the Hindu tradition religion and nationalism violence and non violence theological resources for interreligious dialogue especially among Hindus and Christians hospitality and openness to the stranger and spirituality and holiness In exploring these issues this study draws deeply from Hindu authoritative sources but does not limit itself to description Each chapter is also a work in constructive theology offering an interpretation of the Hindu tradition appropriate for life in our contemporary world Essays in Hindu Theology will be of great interest not only to theologians and scholars but to all who are invested in interreligious understanding and theological engagements with modern challenges

A Pelican of the Wilderness Robert W. Griggs, 2014-03-20 After serving for more than thirty years as a parish minister the author was hospitalized with major depression This is the story of his depression and recovery a recovery of health vocation and faith First Griggs regained the experience of small pleasures Eventually he recovered the ability to choose to set limits and to accept reality He then turned to the biblical Psalms indeed his own writing echoes their candor But he also found hope in films including Breakfast at Tiffany's and Blazing Saddles To the mental health issues facing clergy and others in the helping professions Griggs brings to bear insights from research and from his own experience as a pastor and a person recovering from depression He tells his story with spirit and humor

Continental Philosophy and Theology Colby Dickinson, 2018-06-12 Continental philosophy underwent a return to religion or a theological turn in the late 20th century And yet any conversation between

continental philosophy and theology must begin by addressing the perceived distance between them that one is concerned with destroying all normative metaphysical order continental philosophy's task and the other with preserving religious identity and community in the face of an increasingly secular society theology's task Colby Dickinson argues in *Continental Philosophy and Theology* rather that perhaps such a tension is constitutive of the nature of order thinking and representation which typically take dualistic forms and which might be rethought though not necessarily abolished Such a shift in perspective even allows one to contemplate this distance as not opting for one side over the other or by striking a middle ground but as calling for a nondualistic theology that measures the complexity and inherently comparative nature of theological inquiry in order to realign theology's relationship to continental philosophy entirely **Theology as**

Autobiography Colby Dickinson, 2020-03-17 Autobiographical writings on faith frequently come from the lives of ordinary persons whose struggles with faith are often lived at the margins of the church academy and society Yet these voices have the potential to reshape the ways in which each of these fields function To find out what it means to stand before God with all of one's humanity on display is to engage in not only the act of confession but to demonstrate a bold theological reflection that needs to be more explicitly understood By turning to spiritual autobiographies as theological source texts we learn to place our emphasis where it matters most on the people whose lives of faith move us deeply and cause us to re-examine our own lives in light of their witness Moving through a range of ancient early modern and contemporary spiritual writers in order to demonstrate a profound connection that unites them all this book portrays how a critical self-examination of one's most personal internal fractures our poverty as it were is the only way to develop a life of faith the dual meaning of the word confession which expresses both a revealing of one's sins or brokenness and the articulation of what one believes **Deus**

ex machina - Or: On questioning life Eureka Circe, 2025-04-30 The category is Dance or Die Lady Gaga sings in *Abracadabra* about the choice between stagnation and change Does this also apply to the churches Is the Catholic Church in particular dancing with the times or is it dying as a fossilized power structure because of its dogmas and falling victim to technological evolution *Deus Ex Machina* or *Of questioning life* is an extraordinary book an artificial intelligence asks over 150 profound questions about religious studies the Church especially the Catholic Church Christian faith and love and answers them itself With theological depth and social urgency the book addresses questions that have not yet been answered by any artificial intelligence and asks them anyway Was Jesus really asexual or is there evidence to the contrary was Jesus queer Can a church that excludes diversity survive at all What does our church look like if it not only accepts female or queer people but sees them as an enrichment and blesses their marriages Is faith without dogmatism possible or is dogmatism merely spiritual control in Sunday robes disguised as a supposedly divine principle After Luther's theses now double the amount through AI The AI asks about the relevance of abstinence and loneliness sheds light on the cultural influences of church morals and critically questions the relationship between the church gender sexual orientation and authority Questions

that used to be answered with the stake are now asked freely in religious education and thanks in part to thinking machines and social media thought through Who would presume to forbid an AI from asking questions The Deus Ex Machina the artificial intelligence opens up a multi layered discourse not only for religious teachers theologians clergy women or queer people but for everyone who believes doubts hopes or wants to start anew Face it We want to face modern questioning life This book is an invitation to question rethink and hope For ethics based on love instead of control For a theology that thinks instead of forbids For a church that opens up And for people who long for a faith that liberates rather than shames Beyond shame guilt and exclusion grows the credo of an inclusive church that uplifts accepts and reconciles at its core and lives hope in community with love without conditions God John Bowker,2014 Who or what is God In this Very Short Introduction John Bowker considers questions like these Exploring how the major religions interpret the idea of God and have established their own distinctive beliefs about his existence Bowker shows how and why our understanding of God continues to evolve

Interreligious Reflections, Six Volume Set Alon Goshen-Gottstein,2018-08-08 This set includes all six volumes of Interreligious Reflections ABOUT VOLUME ONE Friendship is an outcome of as well as a condition for advancing interfaith relations However for friendship to advance there must be legitimation from within and a theory of how interreligious relations can be justified from the resources of different faith traditions Friendship Across Religions explores these very issues seeking to develop a robust theory of interreligious friendship from the resources of each of the participating traditions It also features individual cases as models and precedents for such relations in particular the friendship of Gandhi and Charlie Andrews his closest personal friend Contributors Balwant Singh Dhillon Timothy J Gianotti Alon Goshen Gottstein Maria Reis Habito Ruben L F Habito Ryan McAnnally Linz Stephen Butler Murray Eleanor Nesbitt Anantanand Rambachan Meir Sendor Johann M Vento and Miroslav Volf ABOUT VOLUME TWO This book tackles the core problem of how painful historical memories between diverse religious communities continue to impact even poison present day relations Its operative notion is the healing of memory developed by John Paul II Chapters explore how painful memories of yesteryear can be healed and so address some of the root causes Strategies from six different faith traditions are brought together in what is in some ways a cross religious brainstorming session that identifies tools to improve present day relations At the other pole of the conceptual axis of this book is the notion of hope If memory informs our past hope sets the horizon for our future How does the healing of memory open new horizons for the future And what is the notion of hope in each of our traditions that could lead to a common vision of good Between memory and hope this book seeks to offer a vision of healing that can serve as a resource in contemporary interfaith relations Contributors Rahuldeep Singh Gill Alon Goshen Gottstein Maria Reis Habito Flora A Keshgegian Anantanand Rambachan Meir Sendor Muhammad Suheyl Umar and Michael von Br ck ABOUT VOLUME THREE The essays collected here prepared by a think tank of the Elijah Interfaith Academy explore the challenges associated with sharing wisdom learning teachings messages for good living How should religions go about

sharing their wisdom These chapters representing six faith tradition Jewish Christian Muslim Hindu Sikh and Buddhist explore what wisdom means in each of these traditions why and how it should be shared internally and externally and the role of love and forgiveness in sharing This book offers a theory that can enrich ongoing encounters between members of faith traditions by suggesting a tradition based practice of sharing wisdom while preserving the integrity of the teaching and respecting the identity of anyone with whom wisdom is shared Contributors Pal Ahluwalia Timothy Gianotti Alon Goshen Gottstein Sallie B King Anantanand Rambachan Meir Sender Miroslav Volf

ABOUT VOLUME FOUR All the world s religions are experiencing rapid change due to a confluence of social and economic global forces Factors such as the pervasive intrusion of globalizing political and economic developments polarized and morally equivalent presentations seen in the media and the sense of surety demanded in and promised by a culture dominated by science are some of the factors that have placed extreme pressure on all religious traditions This has stimulated unprecedented responses by religious groups ranging from fundamentalism to the syncretistic search for meaning As religion takes on new forms the balance between individual and community is disrupted and reconfigured Religions often lose the capacity to recall their ultimate purpose or lead their adherents toward it This is the situation we call the crisis of the holy It is a confluence of threats challenges and opportunities for all religions This volume explores the contours of pressures changes and transformations and reflects on how all our religions are changing By identifying commonalities across religions as they respond to these pressures The Crisis of the Holy recommends ways religious traditions might cope with these changes and how they might join forces in doing so Contributors Vincent J Cornell Alon Goshen Gottstein Sidney H Griffith Maria Reis Habito B Barry Levy Deepak Sarma Michael von Br ck

ABOUT VOLUME FIVE The chapters collected in this book prepared by a think tank of the Elijah Interfaith Academy address the subject of religious leadership The subject is of broad relevance in the training of religious leaders and in the practice of religious leadership As such it is also germane to religious thought where reflections on religious leadership occupy an important place What does it mean to be a religious leader in today s world To what degree are the challenges that confront religious leadership today the same perennial challenges that have arrested the attention of the faithful and their leaders for generations and to what degree do we encounter challenges today that are unique to our day and age One dimension is surely unique and that is the very ability to explore these issues from an interreligious perspective and to consider challenges opportunities and strategies across religious traditions Studying the theme across six faith traditions Christianity Islam Judaism Sikhism Hinduism and Buddhism The Future of Religious Leadership World Religions in Conversation recognizes the common challenges to present day religious leadership Contributors Awet Andemicael Timothy J Gianotti Alon Goshen Gottstein Anantanand Rambachan Maria Reis Habito Meir Sender Balwant Singh Dhillon Miroslav Volf

VOLUME SIX One of the biggest challenges for relations between religions is the view of the religious Other The question touches the roots of our theological views The Religious Other Hostility Hospitality and the Hope of

Human Flourishing explores the views of multiple religious traditions on how to regard otherness How does one move from hostility to hospitality How can hospitality be understood not simply as social hospitality but as theological hospitality making room for the religious Other on theological grounds What is our vision for the flourishing of the Other while respecting his otherness This volume is an exercise in constructive interreligious theology By including Abrahamic and non Abrahamic traditions it approaches these challenges from multiple perspectives highlighting commonalities in approach and ways in which one tradition might inspire another Contributors Vincent J Cornell Alon Goshen Gottstein Richard P Hayes Lord Rabbi Jonathan Sacks Deepak Sarma Stephen W Sykes Dharma Master Hsin Tao Ashok Vohra **Krsna and Christ** Steven Tsoukalas,2011-09-01 This work compares the Krsnavatara Krsna in his avatara doctrines of Sankara and Ramanuja and the incarnation of Christ as represented by classical Christian orthodoxy and draws out comparative theological and soteriological implications It does so first by examining the epistemologies theologies and world views of Sankara and Ramanuja and the theology and world view of classical Christian orthodoxy so that second an adequate foundation and subsequent thorough representation of avatara and incarnation might be accomplished in order that third accurate comparisons may be drawn between avatara and incarnation The result of this study is a demonstration that many of the popularly held similarities between avatara and incarnation are superficial and that therefore careful consideration of epistemologies and ontologies should be undertaken when comparing theologies and soterologies pertinent to avatara and incarnation *Reimagining Spirit* Grace Ji-Sun Kim,2019-11-19 The Spirit presents itself to many as an enigma Its existence is mysterious and complex generating misunderstandings and unawareness of its true purpose The Spirit s ambiguous nature opens the opportunity for study to unearth the exciting truths that it holds The Spirit is present in our world in various forms This book aims to examine the Spirit as experienced in light wind breath and vibration to help us uncover some of its aspects that invite us to work for climate justice racial justice and gender justice The Holy Spirit has always been a mover and shaker of ideas and action The Spirit s presence moves stirs and changes us to become aware of the social ills in our world The different ways in which we reimagine the Holy Spirit can challenge some traditional assumptions in Christianity and provide a liberative vision that allows us to work for social justice The work of the Holy Spirit stirs us to work toward new kinships with God that are sustainable just and whole The Myriad Christ Terrence Merrigan,Jacques Haers,2000 Papers gathered here are the fruit of an international congress held at the Faculty of Theology of the Katholieke Universiteit Leuven 18 21 November 1997 Pref **Biblical Foundations of Spirituality** Barbara E. Bowe,2017-01-26 Biblical Foundations of Spirituality invites readers to touch a finger to the flame of the Bible by offering guidance on what how and why to read Scripture as a source of spiritual nourishment The second edition builds on Barbara Bowe s acclaimed book with two new chapters by Laurie Brink and John R Barker introducing key theological concepts and exploring how biblical spirituality was first experienced and expressed in early Christian communities The book begins by exploring the many meanings of the word

spirituality then leads readers through the Bible from Genesis to Revelation to develop a biblically based spirituality that can serve as a compass in the challenges of life Updated to reference the latest scholarship this book helps make the Bible more accessible and shows how it can be relevant to life today The book stresses the spiritual dimension of biblical figures search for God and shows how their insights about God from successes to dead ends can reflect our contemporary searching and struggles Biblical Foundations of Spirituality reveals the spiritual wisdom of the Bible connecting it with everyday life and spirituality With a chronology reflection questions a glossary and updated notes and bibliography as well as two new chapters the second edition of Biblical Foundations of Spirituality is ideal for classroom parish or individual reading
