Encounters With Unjust Authority The Dorsey Series In Sociology

Carlo Ruzza

Encounters With Unjust Authority The Dorsey Series In Sociology:

Contentious Minds Florence Passy, Gian-Andrea Monsch, 2020 This is an open access title available under the terms of a CC BY NC ND 4.0 International license It is free to read at Oxford Scholarship Online and offered as a free PDF download from OUP and selected open access locations Why does the mind matter for collective action In *Contentious Minds* Florence Passy and Gian Andrea Monsch explain how cognitive and relational processes allow activists participate in and sustain their commitment to activism Based on a wide array of survey and interview data with activists engaged in protest volunteering and unions they highlight how a commitment community develop shared values identities and meanings through interaction The interplay of talk and ties enables stories and meanings to be constructed and exchanged conveys worldviews and intentions that are modified through ongoing conversations and reinforces and maintains commitment over time Passy and Monsch's ambitious work brings the mind and culture back into the study of social movements and highlights the crucial role social networks play in constructing the communities and shared values that sustain commitment

Social Dynamics in Swiss Society Robin Tillmann, Marieke Voorpostel, Peter Farago, 2018-06-13 Using longitudinal data from the Swiss Household Panel to zoom in on continuity and change in the life course this open access book describes how the lives of the Swiss population have changed in terms of health family circumstances work political participation and migration over the last sixteen years What are the different trajectories in terms of mobility health wealth and family constellations What are the drivers behind all these changes over time and in the life course And what are the implications for inequality in society and for social policy The Swiss Household Panel is a unique ongoing longitudinal survey that has followed a large sample of Swiss households since 1999 The data provide the rare opportunity to go beyond a snapshot of contemporary Swiss society and give insight into the processes in people's lives and in society that lie behind recent developments

The Occasional Human Sacrifice Carl Elliott, 2024-05-14 Shocking cases of abusive medical research and the whistleblowers who spoke out against them sometimes at the expense of their careers *The Occasional Human Sacrifice* is an intellectual inquiry into the moral struggle that whistleblowers face and why it is not the kind of struggle that most people imagine Carl Elliott is a bioethicist at the University of Minnesota who was trained in medicine as well as philosophy For many years he fought for an external inquiry into a psychiatric research study at his own university in which an especially vulnerable patient lost his life Elliott's efforts alienated friends and colleagues The university stonewalled him and denied wrongdoing until a state investigation finally vindicated his claims His experience frames the six stories in this book of medical research in which patients were deceived into participating in experimental programs they did not understand many of which had astonishing and well concealed mortality rates Beginning with the public health worker who exposed the Tuskegee Syphilis Study and ending with the four physicians who in 2016 blew the whistle on lethal synthetic trachea transplants at the Karolinska Institute Elliott tells the extraordinary stories of insiders who spoke out against such abuses and often paid a terrible price for doing the

right thing **The Struggle for Development and Democracy** Alessandro Olsaretti, 2021-12-13 In *The Struggle for Development and Democracy* Alessandro Olsaretti argues that we need significantly new theories of development and democracy to answer the problem posed by neoliberalism and the populist backlash namely uneven development and divisive politics This book proposes as a first step a truly multidisciplinary humanist social science to overcome the flaws of neoliberal economic theories and to recover a balanced approach to theories and policies alike that is especially needed in the wake of the 9 11 attacks These led to divisive culture wars which were compounded by the divisive populist politics This book begins to sketch such a humanist social science and applies it to answer one question who is responsible for neoliberalism and the populist backlash All royalties from sales of this volume will go to GiveWell org in honour of Alessandro Olsaretti s memory

Organizing, Role Enactment, and Disaster Gary A. Kreps, Susan Lovegren Bosworth, 1994 Organizing is represented by a structural code having four elements domains D tasks T human and material resources R and activities A The code is used to empirically record differences between formal organizing and collective behavior as the most immediate structural setting within which role enactment occurs **Social Movements and Organization Theory** Gerald F. Davis, Doug McAdam, W. Richard Scott, Mayer N. Zald, 2005-05-09 Although the fields of organization theory and social movement theory have long been viewed as belonging to different worlds recent events have intervened reminding us that organizations are becoming more movement like more volatile and politicized while movements are more likely to borrow strategies from organizations Organization theory and social movement theory are two of the most vibrant areas within the social sciences This collection of original essays and studies both calls for a closer connection between these fields and demonstrates the value of this interchange Three introductory programmatic essays by leading scholars in the two fields are followed by eight empirical studies that directly illustrate the benefits of this type of cross pollination The studies variously examine the processes by which movements become organized and the role of movement processes within and among organizations The topics covered range from globalization and transnational social movement organizations to community recycling programs *Work and Organizations in Israel* Itzhak Harpaz, 2017-09-04 Since the State of Israel was established its labor force has grown rapidly and has become increasingly diverse in terms of its demographic cultural ethnic and socioeconomic characteristics Israeli work values have shifted towards greater individualism materialism careerism and preference for white collar and knowledge based occupations is evident A major structural change is underway as indicated by the decline of agriculture as a component in the Israeli economy and the growth of the industrial sector mostly towards high technology and innovative enterprises This volume sheds light on trends and developments that have been taking place in the realm of work in Israel in recent years It contains a unique selection of articles presenting empirical evidence of the major features and important changes characterizing work organizations and the regime of work in Israeli society labor relations work values power and management in organizations work in the Kibbutz inter organizational relations women and work migrants and minorities in

the Israeli labor force Studies show that another two major trends characterize the contemporary economy and the labor market the trend toward privatization and globalization the results of which are a continuous decrease of job security and an increasing level of unemployed Israeli men and women that are replaced by the low cost labor of foreign workers emigrating from third world countries This timely volume is valuable for its contribution to illuminating the recent changes taking place in the realm of work in Israel and will be of interest to sociologists social scientists and students of Judaica **Protest, Movements, and Dissent in the Social Sciences** Giovanni A. Travaglino, 2017-10-02 Drawing on a wide range of social science disciplines and approaches each chapter in this book offers a comprehensive analysis of social protest political dissent and collective action The distinguished scholars contributing to the book discuss some of the key theoretical and methodological issues in social protest research and analyse recent instances of collective dissent around the globe ranging from the 15M movement in Spain to the 2011 Salford riots in the UK to Pro Palestinian activism in Jerusalem The result of these contributions is a sophisticated and multifaceted collection that enriches our understanding of why when and how groups of people decide to act collectively in order to pursue political change The book is a timely testament to the vitality of the field This book was originally published as a special issue of Contemporary Social Science Methods of Social Movement Research Bert Klandermans, Suzanne Staggenborg, 2002 Citing the critical importance of empirical work to social movement research the editors of this volume have put together the first systematic overview of the major methods used by social movement theorists Original chapters cover the range of techniques surveys formal models discourse analysis in depth interviews participant observation case studies network analysis historical methods protest event analysis macro organizational analysis and comparative politics Each chapter includes a methodological discussion examples of studies employing the method an examination of its strengths and weaknesses and practical guidelines for its application

Handbook of Social Psychology John DeLamater, 2006-11-24 Psychology focusing on processes that occur inside the individual and Sociology focusing on social collectives and social institutions come together in Social Psychology to explore the interface between the two fields The core concerns of social psychology include the impact of one individual on another the impact of a group on its individual members the impact of individuals on the groups in which they participate the impact of one group on another This book is a successor to Social Psychology Social Perspectives and Sociological Perspectives in Social Psychology The current text expands on previous handbooks in social psychology by including recent developments in theory and research and comprehensive coverage of significant theoretical perspectives **The Politics of Sorrow** Daniel D. Martin, 2016-02-24 Drawing on several years of research with grief support organizations and the families and friends of murdered children this book examines the emotional experience of families in the aftermath of a homicide It examines the politics of sorrow offering a comparative analysis of White and African American families as they navigate the experience of homicide shedding light on the ways in which the class location or ethnicity of mourners affects their experience Analyzing

the manner in which police and other authorities differentially extend emotional support to bereaved families notify them of a homicide or assign blame The Politics of Sorrow reveals how disenfranchised grief comes to be an institutionalized outcome of their practice The book further examines the effects of announcement shock and the importance to the family of the moral career of the deceased as they seek to manage his or her identity often dealing with their grief through an active pursuit of justice in court or through political involvement with a grief support organization which mobilizes families in pursuit of its political ends A rigorous study of stigma identity and stratified experiences of grief The Politics of Sorrow will appeal to sociologists interested in interactionist methods race class and emotion

Social Structure and Disaster ; Symposium on Social Structure and Disaster, College of William and Mary, Williamsburg, Virginia, 15-16 May 1986 Gary A.

Kreps,1989 In a format of presentation critique and commentary disaster researchers and sociological theorists address basic theoretical issues underlying studies of social structure and disaster The editor s program of archival research on natural disasters social movement organizations and other types of social structure provides a basis for discussion Social Movements and Networks Mario Diani,Doug McAdam,2003 Social Movements and Networks examines the extent to which a network approach should inform research on collective action For the first time in a single volume leading social movements researchers systematically map out and assess the contribution of social network approaches to their field of enquiry in light of broader theoretical perspective By exploring how networks affect individual contributions to collective action in both democratic and non democratic organizations and how patterns of inter organizational linkages affect the circulation of resources within and between movements the authors show how network concepts improve our grasp of the relationship between social movements and elites and of the dynamics of the political processes **American Book Publishing Record**

,1983-04 Faithful Revolution Tricia Colleen Bruce,2014-03-01 Through field observation and interviews with Voice of the Faithful founders leaders and members across the US Tricia Bruce examines the complex identity negotiations that accompany a challenge to one s own religion *Understanding Social Movements* Steven M. Buechler,2016-01-08 In thirteen succinct chapters Buechler traces movement theories from the classical era of sociology to the most recent examples of transnational activism He identifies the socio historical context central concepts and guiding logic of diverse movement theories with emphasis on Comparisons of Marx and Lenin Weber and Michels and Durkheim and LeBon The Chicago School of the inter war period The political sociological approaches of the 1950s The varieties of strain and breakdown theories at the dawn of the 1960s Major paradigm shifts caused by the cascade of 1960s social movements Vivid examples of movements worldwide and coverage of all major theorists Critiques debates and proposed syntheses dominating the turn of the 21st century Recent trends such as cyberactivism and transnational movements and their theoretical implications Social Movement Organizations John Lofland,2017-09-29 The authoritative and richly detailed handbook is divided into three parts 1 procedures for studying SMOs 2 propositions or generalizations about them and 3 perspectives or wider considerations

relating to them Included are discussions of such basic questions as What causes SMOs and why do people join them What are the beliefs and practices of SMOs What effect do SMOs have and what are the social reactions to them Europe and Civil Society Carlo Ruzza,2004-07-16 Europe and Civil Society provides an in depth examination of how public interest groups and social movements seek to influence the European policy making process The book is based on a comparison of the role of networks of activists and their allies broadly defined as Movement Advocacy Coalitions in influencing decision making at the European Union level in three specific areas of policy making environmentalism anti racism and ethno nationalist regionalism It draws on systematic documentary analysis and an extensive series of interviews with activists and institutional actors to examine the role of public interest organizations in these three areas This focus reflects topical societal concerns and facilitates new insights into the study of European policy making political sociology and social movement research **Frames of Protest** Hank Johnston,John A. Noakes,2005 Frames of Protest brings together important empirical research and theoretical essays by leading sociologists political scientists and media specialists that focus on social movement frames and framing practices Frames are new ways of understanding political and social relations that emphasize injustice and the need for change As such they are crucial for the development of social movements and protest Frames of Protest is the only book to focus exclusively on this major research perspective in social movement and protest studies Thirteen chapters encompass the major themes in the framing perspective to offer a state of the art review Three chapters present evidence for the determining influence of framing in social movement mobilization Next framing activities by the state and the mass media are analyzed Then two research reports examine the effect of political opportunities on framing in Poland under the Communists and in New York City s ethnic politics Several chapters by leading theorists present a lively debate about the relationship of ideologies to collective action frames The book closes with a hands on discussion about analyzing textual materials and interview transcripts to do frame analysis that lends itself to longitudinal and cross case comparisons Motivational Dimensions in Social Movements and Contentious Collective Action Maurice Pinard,2011-07-20 After exposing the limitations of these conflicting perspectives Maurice Pinard elaborates on an entirely new synthesis one that involves several motivational components The pushing force of felt grievances now with qualifications is brought back but accompanied or at times replaced by other forces such as feelings of moral obligation or simple aspirations With regard to pulling factors collective goods or goals pursued can be involved or replaced by individual material or social rewards granted to participants Expectancy of success a generally neglected component also enters the picture Finally the effect of emotions and collective identities are among additional factors that must be considered By developing theoretical distinctions that have important empirical implications and enriching and sharpening our understanding of the motivational factors for collective action Pinard offers a major contribution destined to become an essential new starting point for any future writers addressing these issues

Unveiling the Magic of Words: A Review of "**Encounters With Unjust Authority The Dorsey Series In Sociology**"

In a global defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their capability to kindle emotions, provoke contemplation, and ignite transformative change is truly awe-inspiring. Encounters With Unjust Authority The Dorsey Series In Sociology Introduction

In the digital age, access to information has become easier than ever before. The ability to download Encounters With Unjust Authority The Dorsey Series In Sociology has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Encounters With Unjust Authority The Dorsey Series In Sociology has opened up a world of possibilities. Downloading Encounters With Unjust Authority The Dorsey Series In Sociology provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Encounters With Unjust Authority The Dorsey Series In Sociology has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Encounters With Unjust Authority The Dorsey Series In Sociology. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Encounters With Unjust Authority The Dorsey Series In Sociology. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Encounters With Unjust Authority The Dorsey Series In Sociology, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect

themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Encounters With Unjust Authority The Dorsey Series In Sociology has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Encounters With Unjust Authority The Dorsey Series In Sociology Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
