negotiating changing forms of family changes which are expressed historically politically and socio culturally and often in relation to gender ethnic or economic imbalances Though regional and localized in many ways they are also very much universal in the questions they ask the lessons they teach and the connections they make Theoretically and in terms of focus the collection offers a broad range embracing representation and analysis from scholars across the globe and across disciplines It assembles written and visual texts from and about India Indonesia Malaysia The Philippines Singapore and the Asian diaspora How have more fluid concepts of family in the late twentieth and early twenty first centuries affected the understanding of family in Asia How have families in Asia resisted or embraced change How have they responded to trauma What do other readings gendered feminist queer and diasporic bring to modern debates surrounding family To what extent are notions of family community society and nation represented as interchangeable concepts in Asian societies This book questions the power dynamics ethical considerations and moral imperatives that underpin families and societies within and beyond Asian borders

Recognition and the Resurrection Appearances of Luke 24 Alexander Phillip

Thompson,2023-01-30 How are the resurrection appearances of Luke s Gospel shaped to offer a climax to the narrative How does this narrative conclusion compare to the wider ancient literary milieu Recognition and the Resurrection Appearances of Luke 24 proposes that the ancient literary technique of recognition offers a compelling lens through which to understand the climatic role of the resurrection appearances of Jesus as depicted in Luke 24 After presenting the development of recognition in ancient Jewish and Greco Roman literature Thompson demonstrates how Luke 24 deploys the recognition tradition to shape the form and function of the resurrection appearances The ancient recognition tradition not only casts light on various literary and theological features of the chapter but also shapes the way the appearances function in the wider narrative By utilizing recognition Luke 24 generates cognitive affective commissive and hermeneutical functions for the characters internal to the narrative and for the audience The result is a compelling climax to Luke s Gospel that resonates with Luke s wider literary and theological themes This work offers a compelling analysis of the Luke s Gospel in the ancient literary context in light of the ancient technique of recognition that will appeal to those interested in narrative approaches to the New Testament or the interpretation of the New Testament in the wider literary milieu
