## **Encourage Me:**

**To Encourage Your Heart** Ronald Lee, 2005-09      **The God Who Encourages** The Evangelist, 2016-12-30 The God Who Encourages The Evangelist In a world where troubles disappointments dangers wars and uncertainties is at an all time high many people may wonder what s the use in believing on their fellow man or the hopes of dreaming of a better life on this earth or even if it s worth the effort So many are ready to throw in the towel maybe excepting the false fact that there is no good in the society of mankind especially when our daily news broadcast in television radio and in newspapers reinforces the fears of the public because very seldom do we hear good news Taxes on the rise war skirmishes and mass killings by some hate group or a mentally deranged person the list goes on These stresses only add to people s personal problems This hopeless mental state can and oftentimes lead some people to some destructive ends even contemplating suicide and some doing it Thanks be to God that all hope is not lost that there is a bright light at the end of the dark tunnel and that after the storms of life the sun and the blue skies return So there is a lot of good news for those of us who hold on trusting and believing in GOD and his precious promises If we believe that the Old Testament was written for our learning we see that GOD delivered Abraham Isaac Jacob and Moses just to name a few How they had many trials and tribulations and they all overcame their troubles by their faith in the one true GOD and his precious promises So here in this work The God Who Encourages I would like to remind all who trust in GOD that his powers of deliverance has not changed see James 1 17 as the scripture say he is the same Lord today yesterday and forever see Hebrews 13 8      **Higher Education Challenges in**

"Dick" Mattock Jr., 2010-12-29 Each of us has experienced difficult times when we question our self worth or perhaps battle with confusion disappointment despair or frustration Are you going through a struggle that makes you feel like you are stuck in murky quicksand unable to break free or begin anew I've lived through times when days seem to be painted a dull drab gray and it appeared I'd closed myself off in a human capsule unable to relate to the world around me Many times I've come to realize that my perceptions of things have created nonexistent monsters like those created in our minds as children However I am learning that God doesn't leave me alone to work through difficult situations by myself like a shipwrecked sailor on a deserted island I find that my poor judgment or bad decision often further complicates the dilemma I'm confronting Relief comes to me when I stop blaming God for whatever nightmare I am facing and devote quiet time in prayer with Him God's response doesn't come like a light streaming from the heavens or a bright colorful rainbow shining outside my window it's more like an Alaskan ice cap that slowly begins to thaw and break up with the warmth of the spring rain As I pour out my heartfelt problems to God creative solutions spring forth in my mind like an arrow shot from the quiver of a bow destined to find its mark in the very heart of my problem A new idea and hope emerges that propels me to make a sound decision to rejoin the imperfect human race fight the good fight and run the race of life Through the years I have come to know that God loves us more deeply than we love ourselves God never abandons us but waits patiently and lovingly for us to call out for His help I admit there are times I don't understand His ways However as I put my trust in God by earnestly and honestly seeking His guidance and grace for my life all the difficulties I'm having seem to become easier with which to deal Complex issues seem to melt like ice cream on a hot summer day By inviting God to be the rudder of my ship each day my life has taken on a bright new meaning It can be like the excitement of starting to read an exciting new novel wondering what wonderful surprise and blessing God has in store for me in the next pages In sacred scriptures we read that God inhibits the praises and answers the prayers of His people He can and will move the mountains and obstacles that often feel like handcuffs upon our wrists God will bring us comfort peace and joy as we put our trust in Him and give God the freedom to work in our lives May this collection of poems be a source of inspiration to each reader and foster renewed hope in your heart      *Dying to Live* Lance B. **Praying Through the Psalms** Yohanna Katanacho, 2018-03-14. Join with Yohanna Katanacho, a Palestinian Israeli Christian, in praying through the Psalms. After completing his PhD on the book of Psalms, Yohanna Katanacho felt led to pray every psalm in the context of the Middle East. These prayers transformed him. They helped him expand his understanding of Psalms as he prayed out his theology. They also enabled him to express all of his frustrations, hopes, joys, and many other emotions. His feelings were sanctified in the presence of the Lord, and this experience created a healthy theology of tears in the midst of oppressive realities. Lastly, these prayers strengthened him to face the harsh realities of the Middle East from a biblical perspective. This collection of 150 beautiful and unique prayers, inspired by each of the Psalms and birthed in the same land as Jesus, will help you grow in understanding the struggles of Christians in the Middle East and deepen your love for God.
