The Revelation of the Sealed Book

Anibal Velez, 2014-05-13 Captured in just one book is a complete overview of God's plan and purpose for the church, Israel and other nations in the end times. But you, Daniel, shut up the words and seal the book until the time of the end. Daniel 12:4. Although I heard, I did not understand. Then I said, My Lord, what shall be the end of these things? And he said, Go your way, Daniel, for the words are closed up and sealed till the time of the end. Daniel 12:8-9. God raised up another prophet, the apostle John, to open the book that the prophet Daniel had closed and sealed. And he said to me, John, Do not seal the words of the prophecy of this book, for the time is at hand. Rev. 22:10. The time of the end has come. It is time to open the book that Daniel was ordered to seal. God chose the church for a great mission to spread the gospel and to bring understanding of His purpose and will to all people. The church needs a full understanding of all future events in order to teach and proclaim them in a clear way. This book includes historical issues, detailed exposition of one of the last prophecies to be fulfilled before the judgment of God commences, Russia's attack on Israel.

Culture and Customs of Panama

La Verne M. Seales Soley, 2008-12-30 High school and public libraries will find this volume a welcome addition to reference bookshelves. Engagingly written, this comprehensive volume gives students an overview of contemporary life in Panama: what religions are practiced, what the cuisine is consumed on a day-to-day basis, and what people wear in urban and rural settings, among many other topics. Modern literature, media outlets, gender issues, education, visual arts, and performing arts are also covered. While the focus is on current customs and contemporary culture, readers will also gain insight into Panama's unique relationship with the United States, which has been turbulent in the past at best. Students studying international politics, anthropology, world culture, and current events will find this to be a useful resource. This volume explores contemporary culture in Panama, a melting pot deep in the heart of Central America. Thanks to the construction of the Panama Canal and the need for laborers, Panama's culture today is teeming with influences from ethnicities from around the world, including American Indian, Chinese, West Indian, Greek, and French. High school and public libraries will find this volume a welcome addition to reference bookshelves.
