AND JOHN WILSON

Encyclopedia Of British And Irish Political Organizations

John Kelly

Encyclopedia Of British And Irish Political Organizations:

Encyclopedia of British and Irish Political Organizations Peter Barberis, John McHugh, Mike Tyldesley, 2000-01-01 This major authoritative reference work embraces the spectrum of organized political activity in the British Isles It includes over 2 500 organizations in 1 700 separate entries Arrangement is in 20 main subject sections covering the three main p

Information Sources of Political Science Stephen W. Green, Douglas J. Ernest, 2005-07-15 A thoroughly revised and updated new edition of the world s leading comprehensive bibliography of American and international politics The eagerly anticipated new edition of the widely acclaimed Information Sources of Political Science is the most comprehensive English language political bibliography available offering the surest way for students and researchers to get straight to the information they need Like no other volume it provides a fully rounded view of the field both in the United States and internationally including relevant works in history economics sociology and education Its 2 500 entries cover a wide variety of source types indexing and abstracting services major bibliographical tools encyclopedias dictionaries handbooks directories statistical compilations and more In addition this edition is the first to feature substantial coverage of electronic resources both databases and Internet sites Each source receives its own annotation with entries grouped in categories to bring together like works for easy comparison This work is a cornerstone reference for academic and public libraries

Political Parties and Terrorist Groups Leonard Weinberg, Ami Pedahzur, Arie Perliger, 2008-11-19 This book is the definitive guide to the topical issue of the relationship between political parties that embrace the democratic process and terrorist groups which eschew the legal and procedural strictures of democracy The fully revised edition continues to provide the most detailed theoretical and empirical analysis of this controversial issue highlighting the fluid nature of boundaries between terrorist organisation and legitimate political party Drawing on a vast array of data the authors examine a large number of international case studies from Italy Spain Lebanon Turkey Iran Israel Palestine Peru Argentina Japan and Northern Ireland By incorporating substantial new material on ETA Hizbollah and Hamas this book retains its position at the forefront of the worldwide political discussion on terrorism and continues to be essential reading for all students academics and readers with an interest in security studies terrorism and political violence

Everyday Politics, Ordinary Lives Adrian Bingham, 2024-11-20 What did British citizens really feel about the political system their role in it and the people who represented them Everyday Politics Ordinary Lives examines British democracy from below investigating how electors understood politics and how they viewed its relationship to their lives from the establishment of a near democracy with the Representation of the People Act 1918 up until the rise of the internet and 24 hour news channels in the early 1990s It focuses on the everyday political opinions discussions and interactions of ordinary British voters in the period and pays attention to the ways in which women young people and minoritized groups related to a political system dominated by men Adrian Bingham incorporates material from a broad and diverse range of sources from pioneering social surveys conducted

after the First World War through the mid century qualitative research of Mass Observation and early political scientists up to the data driven work of the British Election Study and modern pollsters such as Gallup and MORI The book also draws extensively on the archives of the Conservative and Labour parties as they sought to understand the attitudes of the voters they were trying to attract and content from the media memoirs diaries and life writing Everyday Politics Ordinary Lives argues that most people across the period felt remote from politics and sceptical of politicians But this reflected the perception that the world of parliamentary debates and party intrigue was distant insular and rather impenetrable not that people did not care about political issues or have a desire to improve their position Britain was home to plenty of everyday political thinking and conversation and the amount and quality of this activity tended to increase and improve over the period as people became better educated had access to more information through the media and the power of the democratic ideal grew in strength over the period The author maps these changing patterns of political support to deeper social and cultural developments and thereby produce a new and distinctive history of British democracy that challenges some of the simplistic narratives that underpin contemporary political debate

The Peacebuilding Elements of the Belfast Agreement and the Transformation of the Northern Ireland Conflict Cornelia Albert, 2009 The aim of this book is to analyse whether the implementation of the peacebuilding elements of the Belfast Agreement contributed to the transformation of the protracted Northern Ireland Conflict Therefore this book deals with the following sections of the Agreement Rights Safeguards and Equality of Opportunity Decommissioning Security Policing and Justice and Prisoners The author comes to the conclusion that the majority of the peacebuilding elements contributed to the transformation of the Northern Ireland Conflict The results of the study were obtained in conducting interviews in consulting surveys and in studying reports and other relevant literature on the recent developments in Northern Ireland

New Parties in Old Party Systems Nicole Bolleyer, 2013-09 New Parties in Old Party Systems addresses a pertinent yet neglected issue in comparative party research why are some new parties that enter national parliament able to defend a niche on the national level while other fail to do so Unlike most existing studies which strongly focus on electoral short term success or particular party families this book examines the conditions for the organizational persistence and electoral sustainability of the 140 organizationally new parties that entered their national parliaments in seventeen democracies from 1968 to 2011 The book presents a new theoretical perspective on party institutionalization which considers the role of both structural and agential factors driving party evolution It thereby fills some important lacunae in current cross national research First it theorizes the interplay between structural pre conditions for party building and the choices of party founders and leaders whose interplay shapes parties institutionalization patterns crucial for their evolution before and after entering national parliament Second this approach is substantiated empirically by advanced statistical methods assessing the role of party origin for new party persistence and sustainability These analyses are combined with a wide range of in depth case studies capturing how intra organizational dynamics shape

party success and failure By accounting for new parties longer term performance the study sheds light on the conditions under which the spectacular rise of new parties in advanced democracies is likely to substantively change old party systems

Comparative Politics is a series for students teachers and researchers of political science that deals with contemporary government and politics Global in scope books in the series are characterised by a stress on comparative analysis and strong methodological rigour The series is published in association with the European Consortium for Political Research For more information visit www.ecprnet.eu

Know it All, Find it Fast Robert John Duckett, Bob Duckett, Peter Walker, Christine Donnelly, 2008 There is a queue the phone is ringing the photocopier has jammed and your enquirer is waiting for a response You are stressed and you can feel the panic rising Where do you go to find the information you need to answer the question promptly and accurately Answering queries from users is one of the most important services undertaken by library and information staff Yet it is also one of the most difficult least understood subjects There are still very few materials available to help frontline staff often paraprofessional develop their reader enquiry skills This award winning sourcebook is an essential guide to where to look to find the answers quickly It is designed as a first point of reference for library and information practitioners to be depended upon if they are unfamiliar with the subject of an enquiry or wish to find out more It is arranged in an easily searchable fully cross referenced A Z list of around 150 of the subject areas most frequently handled at enquiry desks Each subject entry lists the most important information sources and where to locate them including printed and electronic sources relevant websites and useful contacts for referral purposes The authors use their extensive experience in reference work to offer useful tips warn of potential pitfalls and spotlight typical queries and how to tackle them This new edition has been brought right up to date with all sources checked for currency and many new ones added The searchability is enhanced by a comprehensive index to make those essential sources even easier to find saving you valuable minutes

Readership Offering quick and easy pointers to a multitude of information sources this is an invaluable reference deskbook for all library and information staff in need of a speedy answer in reference libraries subject departments and other information units

IBSS Compiled by the British Library of Political and Economic Science, 2001 IBSS is the essential tool for librarians university departments research institutions and any public or private institution whose work requires access to up to date and comprehensive knowledge of the social sciences

British Theatre Companies: 1965-1979 John Bull, 2016-12-15 This series of three volumes provides a groundbreaking study of the work of many of the most innovative and important British theatre companies from 1965 to the present Each volume provides a survey of the political and cultural context an extensive survey of the variety of theatre companies from the period and detailed case studies of six of the major companies drawing on the Arts Council Archives to trace the impact of funding on the work produced 1965-1979 covers the period often accepted as the golden age of British Fringe companies looking at the birth of companies concerned with touring their work to an ever expanding circuit of alternative performance venues Leading academics provide case studies of

six of the most important companies including CAST by Bill McDonnell University of Sheffield UK The People Show by Grant Tyler Peterson Brunel University London UK Portable Theatre by Chris Megson Royal Holloway University of London UK Pip Simmons Theatre Group by Kate Dorney The Victoria and Albert Museum UK Welfare State International by Gillian Whitely Loughborough University UK 7 84 Theatre Companies by David Pattie University of Chester UK

Politics, Protest and Young People Sarah Pickard, 2019-06-07 Sarah Pickard offers a detailed and wide ranging assessment of electoral and non electoral political participation of young people in contemporary Britain drawing on perspectives and insights from youth studies political science and political sociology This comprehensive book enquires into the approaches used by the social sciences to understand young people s politics and documents youth led evolutions in political behaviour After unpicking key concepts including political participation generations the political life cycle and the youth vote Pickard draws on a combination of quantitative and qualitative research to trace the dynamics operating in electoral political participation since the 1960s This includes the relationship between political parties politicians and young people youth and student wings of political parties electoral behaviour and the lowering of the voting age to 16 Pickard goes on to discuss personalised engagement through what she calls young people s DIO Do It Ourselves political participation in online and offline connected collectives The book then explores young people s political dissent as part of a global youth led wave of protest This holistic book will appeal to anyone with an interest in young people politics protest and political change

Collecting the Revolution Emily R. Williams, 2022-03-08 In the late 1960s student protests broke out throughout much of the world and while Britain s anti Vietnam protestors and China s Red Guards were clearly radically different these movements at times shared inspirations aspirations and aesthetics Within Western popular media Mao s China was portrayed as a danger to world peace but at the same time for some on the counter cultural left the Cultural Revolution 1966 1976 contained ideas worthy of exploration Moreover because of Britain s continued colonial possession of Hong Kong Britain had a specific interest in ongoing events in China and information was highly sought after Thus the objects that China exported propaganda posters paintings Mao badges periodicals ceramics etc became a crucial avenue through which China was known at this time and interest in them crossed the political divide Collecting the Revolution uses the objects that the Chinese government sent abroad and that visitors brought back with them to open up the stories of diplomats journalists activists students and others and how they imagined engaged with and later remembered Mao s China through its objects It chronicles the story of how these objects were later incorporated into the collections of some of Britain s most prominent museums thus allowing later generations to continue to engage with one of the most controversial and important periods of China s recent history

Anti-Political Establishment Parties Amir Abedi, 2004-07-31 First Published in 2003 Routledge is an imprint of Taylor Francis an informa company

Labour And The Gulag Giles Udy, 2017-04-27 The Labour Party welcomed the Russian Revolution in 1917 it paved the way for the birth of a socialist superpower and ushered in a new era in Soviet governance

Labour excused the Bolshevik excesses and prepared for its own revolution in Britain In 1929 Stalin deported hundreds of thousands of men women and children to work in labour camps Subjected to appalling treatment thousands died When news of the camps leaked out in Britain there were protests demanding the government ban imports of timber cut by slave labourers The Labour government of the day dismissed mistreatment claims as Tory propaganda and blocked appeals for an inquiry Despite the Cabinet privately acknowledging the harsh realities of the work camps Soviet denials were publicly repeated as fact One Labour minister even defended them as part of a remarkable economic experiment Labour and the Gulag explains how Britain s Labour Party was seduced by the promise of a socialist utopia and enamoured of a Russian Communist system it sought to emulate It reveals the moral compromises Labour made and how it turned its back on the people in order to further its own political agenda

Religious Leaders and Conflict Transformation Nukhet A.

Sandal,2017-02-16 Religious dimension of contemporary conflicts and the rise of faith based movements worldwide require policymakers to identify the channels through which religious leaders can play a constructive role While religious fundamentalisms are in the news every day we do not hear about the potential and actual role of religious actors in creating a peaceful and just society Countering this trend Sandal draws attention to how religious actors helped prepare the ground for stabilizing political initiatives ranging from abolition of apartheid South Africa to the signing of the Lome Peace

Agreement Sierra Leone Taking Northern Ireland as a basis and using declarations and speeches of more than forty years this book builds a new perspective that recognizes the religious actors agency showing how religious actors can have an impact on public opinion and policymaking in today s world

A Historical Guide to NGOs in Britain M. Hilton,N. Crowson,J. Mouhot,J. McKay,2012-07-20 Aiming to furnish the reader with the historical data to engage with the debates surrounding the Cameron government s Big Society and civil society this book gives the reader a greater and more informed historical consciousness of how the NGO sector has grown and influenced

Northern Ireland: The Troubles Kenneth

Lesley-Dixon,2020-01-31 It is of course no secret that undercover Special Forces and intelligence agencies operated in Northern Ireland and the Republic throughout the troubles from 1969 to 2001 and beyond What is less well known is how these units were recruited how they operated what their mandate was and what they actually did This is the first account to reveal much of this hitherto unpublished information providing a truly unique record of surveillance reconnaissance intelligence gathering collusion and undercover combat An astonishing number of agencies were active to combat the IRA murder squads the Provos among others the Military Reaction Force MRF and the Special Reconnaissance Unit also known as the 14 Field Security and Intelligence Company The Det as well as MI5 Special Branch the RUC the UDR and the Force Research Unit FRU later the Joint Support Group JSG It deals with still contentious and challenging issues as shoot to kill murder squads the Disappeared and collusion with loyalists It examines the findings of the Stevens Cassel and De Silva reports and looks at operations Loughgall Andersonstown Gibraltar and others

Anti-Semitism and the Left Ian

Hernon,2020-01-15 An important new book about a key headline grabbing event of the election As allegations of anti-Semitism continue to rock the Labour Party political journalist Ian Hernon traces the row since Corbyn became leader the schisms and their causes the death threats and social media nastiness The final chapter completed after the general election

Contemporary Trotskyism John Kelly,2018-03-14 Almost 80 years after Leon Trotsky founded the Fourth International there are now Trotskyist organizations in 57 countries including most of Western Europe and Latin America Yet no Trotskyist group has ever led a revolution or built an enduring mass political party Contemporary Trotskyism looks in detail at the influence resilience and weaknesses of the British Trotskyist movement from the 1970s to the present day The book argues that to understand and explain the development resilience and influence of Trotskyist groups we need to analyse them as bodies that comprise elements of three types of organization the political party the sect and the social movement It is the properties of these three facets of organization and the interplay between them that gives rise to the most characteristic features of the Trotskyist movement frenetic activity rampant divisions inter organizational hostility authoritarian and charismatic leadership high membership turnover and ideological rigidity Trotskyist groups have been involved in a wide range of important social movements including trade unions student unions anti war anti racist and anti fascist groups While their energy and activity in civil society have had some success their influence has never been reflected in votes or seats at elections even after the financial crisis Drawing on extensive archival research as well as interviews with many of the leading protagonists and activists within the Trotskyist milieu this is essential reading for students activists and researchers with an interest in the far left social movements and contemporary British political history

Transatlantic Anarchism during the Spanish Civil War and Revolution, 1936-1939 Morris Brodie,2020-04-08 Between 1936 and 1939 the Spanish Civil War showcased anarchism to the world News of the revolution in Spain energised a moribund international anarchist movement and activists from across the globe flocked to Spain to fight against fascism and build the revolution behind the front lines Those that stayed at home set up groups and newspapers to send money weapons and solidarity to their Spanish comrades This book charts this little known phenomenon through a transnational case study of anarchists from Britain Ireland and the United States using a thematic approach to place their efforts in the wider context of the civil war the anarchist movement and the international left

Historical Dictionary of Marxism Elliott Johnson,David Walker,Daniel Gray,2014-09-09 The second edition of the Historical Dictionary of Marxism covers of the basics of Karl Marx s thought the philosophical contributions of later Marxist theorists and the extensive real world political organizations and structures his work inspired that is the myriad political parties organizations countries and leaders who subscribed to Marxism as a creed This text includes a chronology an introductory essay and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities both thinkers and doers political parties and movements and major communist or ex communist countries This book is an excellent access point for students researchers and anyone wanting to

know more about Marxism
