

"Balmer's encyclopedia is a monumental achievement, more like a collection of stories than a set of dry academic articles. It provides a comprehensive introduction to evangelicalism's people, institutions, ideas, and practices—from prominent to obscure and from up-to-the-minute to ancient history."

—Nancy T. Ammerman, Chair, Department of Sociology, Boston University

**Gary Black Jr.**

## **Encyclopedia Of Evangelicalism:**

**Encyclopedia of Evangelicalism** Randall Herbert Balmer, 2004 In this completely revised and expanded edition of the Encyclopedia of Evangelicalism Randall Balmer gives readers the most comprehensive resource about evangelicalism available anywhere With over 3 000 separate entries the Encyclopedia of Evangelicalism covers historical and contemporary theologians preachers laity cultural figures musicians televangelists movements organizations denominations folkways theological terms events and much more all penned in Balmer s engaging style Students scholars journalists and laypersons will all benefit from Balmer s insights Encyclopedia of Evangelicalism ,2004 In this completely revised and expanded edition of the Encyclopedia of Evangelicalism Randall Balmer gives readers the most comprehensive resource about evangelicalism available anywhere With more than three thousand separate entries the Encyclopedia of Evangelicalism covers historical and contemporary theologians preachers laity cultural figures musicians televangelists movements organizations denominations folkways theological terms events and much more all penned in Balmer s engaging style Students scholars journalists and libraries will all benefit from it **Evangelical America** Timothy J. Demy, Paul R. Shockley Ph.D., 2017-09-21 An essential new reference work for students and general readers interested in the history dynamics and influence of evangelicalism in recent American history politics and culture What makes evangelical or born again Christians different from those who identify themselves more simply as Christian What percentage of Americans believe in the Rapture How are evangelicalism and Baptism similar What is the influence of evangelical religions on U S politics Readers of Evangelical America An Encyclopedia of Contemporary American Religious Culture will learn the answers to these questions and many more through this single volume work s coverage of the many dimensions of and diversity within evangelicalism and through its documentation of the specific contributions evangelicals have made in American society and culture It also illustrates the Evangelical movement s influence internationally in key issues such as human rights environmentalism and gender and sexuality **The Other Evangelicals** Isaac B. Sharp, 2023-04-18 What s the first thing that comes to mind when you hear evangelical For many the answer is white patriarchal conservative or fundamentalist but as Isaac B Sharp reveals the big tent of evangelicalism has historically been much bigger than we ve been led to believe In The Other Evangelicals Sharp brings to light the stories of those twentieth century evangelicals who didn t fit the mold including Black feminist progressive and gay Christians Though the binary of fundamentalist evangelicals and modernist mainline Protestants is taken for granted today Sharp demonstrates that fundamentalists and modernists battled over the title of evangelical in post World War II America In fact many ideologies characteristic of evangelicalism today such as biblical womanhood and political conservatism arose only in reaction to the popularity of evangelical feminism and progressivism Eventually history was written by the winners the Billy Grahams of American religion while the losers were expelled from the movement via the establishment of institutions such as the National Association of Evangelicals Carefully researched and deftly written The

Other Evangelicals offers a breath of fresh air for scholars seeking a more inclusive history of religion in America Q Spirit Top 23 LGBTQ Christian Books List 2023      **Power, Politics and the Fragmentation of Evangelicalism** Kenneth J. Collins,2012-08-02 Kenneth J Collins traces the establishment of the evangelical enterprise in American culture and its influences on the political and social values of the American landscape throughout the twentieth century as well as its fragmentation into competing ideological camps      **Models of Evangelism** Priscilla Pope-Levison,2020-10-27 Many sincere Christians dismiss evangelism due to enduring evangelistic caricatures This book helps readers move beyond those caricatures to consider thoughtfully and practically how they can engage in evangelism whether it s through one on one conversations social media social justice or the liturgy of worship services At once biblical theological historical and practical this book by a seasoned scholar offers an engaging well researched and well organized presentation and analysis of eight models of evangelism Covering a breadth of approaches from personal evangelism to media evangelism and everything in between Priscilla Pope Levison encourages readers to take a deeper look at evangelism and discover a model that captures their attention Each chapter introduces and assesses a model biblically theologically historically and practically allowing for easy comparison across the board The book also includes end of chapter study questions to further help readers interact with each model      The Encyclopedia of Christianity Erwin Fahlbusch,Geoffrey William Bromiley,1999 The Encyclopedia of Christianity is the first of a five volume English translation of the third revised edition of Evangelisches Kirchenlexikon Its German articles have been tailored to suit an English readership and articles of special interest to English readers have been added The encyclopedia describes Christianity through its 2000 year history within a global context taking into account other religions and philosophies A special feature is the statistical information dispersed throughout the articles on the continents and over 170 countries Social and cultural coverage is given to such issues as racism genocide and armaments while historical content shows the development of biblical and apostolic traditions This comprehensive work while scholarly is intended for a wide audience and will set the standard for reference works on Christianity Outstanding reference sources 2000 American Libraries May 2000 Comp by the Reference Sources Committee RUSA ALA      **The Theology of Dallas Willard** Gary Black Jr.,2013-08-06 Evangelical Christianity in the United States is currently in a dramatic state of change Yet amidst this sometimes tumultuous religious environment a rather unique blend of both ancient and contemporary Christian theology has found its way into the hearts and minds of emerging generations of Christians The Theology of Dallas Willard both describes and conveys the essence of this increasingly popular and perhaps mediating view of the gospel of Jesus Christ Blending both a prophetic critique with pastoral encouragement Willard s unique understanding of the reality present within a life lived as a disciple of Jesus in the kingdom of God is attracting both new and traditional Christians to reconsider their faith      *Evangelical Christian Executives* Lewis D. Solomon,2011-12-31 In *Evangelical Christian Executives* Dr Solomon has captured the essence of an effective and refreshingly different approach to business In telling the compelling stories of six

Christian CEOs he shows us an alternative to an ethic of greed that has so tarnished corporate America John D Beckett CEO and Chairman of R W Beckett Corp Events of recent years have encouraged a high degree of skepticism and doubt about business institutions and markets In the face of widespread cynicism about corporate credibility business leaders are seeking to restore the trust and confidence not only of investors but of employees customers suppliers shareholders potential investors and the public at large In this volume Lewis D Solomon focuses on evangelical Christians who have founded or come to lead six firms He explores whether religion offers a constructive way to think about corporate governance and the tensions between profitability and social responsibility Solomon finds that many Christian executives have a private faith leading quietly by example Others want their faith to shine forth Solomon focuses on this latter group dividing them into two categories The first group he identifies as preachers who weave visible demonstrations of their faith into the fabric of their businesses The second are those who take a more sophisticated approach based on two biblical principles stewardship and or servant leadership In addition to examining how these leaders of faith have successfully brought their religious values into their businesses he assesses the consequences of incorporating their faith and values into their business organizations considering profitability employee and customer satisfaction legal and environmental compliance and charitable giving Together with these leadership styles and results Solomon presents three business models constant transformational and evolving that enable readers to gain a further understanding of the six companies While Solomon shows that it is possible to integrate financial profitability and broader religious goals he finds that it is difficult though not impossible to maintain a biblically based leadership style after a firm goes public or expands With the growth of evangelical Christianity in many sectors of American public life this volume will be of broad interest to business executives sociologists students of religion and economists Lewis D Solomon is Theodore Rinehart Professor of Business Law at the George Washington University Law School where he has taught corporate and tax law for over twenty five years A prolific author on legal business public policy and religious topics he has written over fifty books and numerous articles He is an ordained rabbi and interfaith minister

One Gospel Nathan N. Hoff, 2023-12-18 Is faith in Messiah necessary to the content of saving faith in the Old Testament as it is in the New While the dispensational tradition has been clear that salvation in every age includes a common object God a common basis Christ's death and a common requirement faith it has not always agreed on the content of saving faith across the testaments Written within the dispensational tradition One Gospel seeks to advance the discussion by looking at Paul's use of the Abraham story in Romans 4 This work contends there is continuity between the Old Testament and the New as illustrated by Abraham and Paul The content of saving faith must always include faith in Messiah who in the progress of revelation is identified as Jesus Christ Global Evangelicalism Donald M. Lewis, Richard V. Pierard, 2014-09-02 Front rank historians of evangelicalism gather in this introduction and overview of the surprising and dynamic global Christian movement known as evangelicalism Its defining characteristics are discussed its regional growth and expansion surveyed its

place in globalization weighed and its salient features sampled      *Evangelical Gotham* Kyle B. Roberts, 2016-11-07 Kyle Roberts explores the role of evangelical religion in the making of antebellum New York City and its spiritual marketplace Between the American Revolution and the War of 1812 a period of rebuilding after seven years of British occupation evangelicals emphasized individual conversion and rapidly expanded the number of their congregations Then up to the Panic of 1837 evangelicals shifted their focus from their own salvation to that of their neighbors through the use of domestic missions Seamen's Bethels tract publishing free churches and abolitionism Finally in the decades before the Civil War the city's dramatic expansion overwhelmed evangelicals whose target audiences shifted building priorities changed and approaches to neighborhood and ethnicity evolved By that time though evangelicals and the city had already shaped each other in profound ways with New York becoming a national center of evangelicalism      Evaluating the Church Growth Movement Elmer L. Towns, 2004 This careful five view analysis helps evangelicals understand the Church Growth Movement's strengths and weaknesses and arrive at their own conclusions on issues that affect the future direction of the church

*Evangelical News* Anja-Maria Bassimir, 2022-05-24 This work is an innovative treatise on the evangelical magazine market during the 1970s and 1980s and how it sustained religious community and ideology Bassimir argues that community can be produced in discourse especially when shared rhetoric concepts and perspectives signal belonging The 1970s and 1980s were a tumultuous period in United States history In suit with a dramatic political shift to the right evangelicalism also entered the public discourse as a distinct religious movement and was immediately besieged by cultural appropriations and internal fragmentations This was also a time when Americans in general and evangelicals in particular grappled with issues and ideas such as feminism and legal abortion restructuring traditional roles for women and the family The Watergate Crisis and the newly emerging Christian Right also threw politics into turmoil During this time there was a surge of readership for evangelical magazines such as Christian Today Moody Monthly Eternity and Post Americans Sojourners While each of these magazines and many other publications contributes to and participates in the overall dissemination of evangelical ideology they all also have their own outlooks and political leanings when it comes to hot button issues Evangelical Visions through a thoroughly researched lens makes important correctives to common understandings of evangelical discourse particularly regarding the key political initiatives of the religious right Bassimir demonstrates that within the pages of these periodicals evangelicals hashed out a number of competing views on feminism abortion reproductive technologies and political involvement itself To accomplish this Evangelical Visions traces the emergence of evangelical social and political awareness in the 1970s to the height of its power as a political program The chapters in this monograph also delve into such topics as how evangelicals re-envisioned gender norms and relations in light of the feminist movement and the use of childhood as a symbol of unspoiled innocence and the pure potential of humanity Presently most accounts of evangelicalism cite evangelical magazines only very selectively and virtually no studies make substantive use of those magazines as objects of investigation

Bassimir's *Evangelical Visions* makes a much needed contribution to our understanding of evangelicalism in the late twentieth century by providing a nuanced picture of a religious subculture that is too often reduced to caricature. This study is located at the intersection of history, religious studies and media studies and will appeal to scholars and students of all of these fields.

*After Evangelicalism* David P. Gushee, 2020-08-25 Named one of the Top 10 Books of the Year in 2020 by the Academy of Parish Clergy. Drawing on his own spiritual journey, David Gushee provides an incisive critique of American evangelicalism and offers a succinct yet deeply informed guide for post evangelicals seeking to pursue Christ honoring lives. Kristin Kobes Du Mez, Calvin University. Millions are getting lost in the evangelical maze: inerrancy, indifference to the environment, deterministic Calvinism, purity culture, racism, LGBTQ discrimination, male dominance and Christian nationalism. They are now conscientious objectors, deconstructionists, perhaps even none and done. As one of America's leading academics speaking to the issues of religion today, David Gushee offers a clear assessment and a new way forward for disillusioned post evangelicals. Gushee starts by analyzing what went wrong with U.S. white evangelicalism in areas such as evangelical history and identity, biblicism, incredible theologies and the fundamentalist understandings of race, politics and sexuality. Along the way, he proposes new ways of Christian believing and of listening to God and Jesus today. He helps post evangelicals know how to belong and behave, going from where they are to a living relationship with Christ and an intellectually cogent and morally robust post evangelical faith. He shows that they can have a principled way of understanding Scripture, a community of Christ's people, a healthy politics and can repent and learn to listen to people on the margins. With a foreword from Brian McLaren who says David Gushee is right, there is indeed life after evangelicalism, this book offers an essential handbook for those looking for answers and affirmation of their journey into a future that is post evangelical but still centered on Jesus. If you too are struggling, *After Evangelicalism* shows that it is possible to cut loose from evangelical Christianity and more than that, it is necessary.

*Deconstructing Evangelicalism* Darryl G. Hart, 2004. Evangelicalism, as the term is used, is a construct developed over the last half of the twentieth century. Prior to 1950, the word had not been used the way religious leaders and academics now use it, and even then it was not a coherent set of convictions or practices. For that reason, its construction is as novel as it is misleading. This book offers an explanation as to why evangelicalism, as currently used, became a useful category for journalists, scholars and believing Protestants. But it is more than simply an account of a specific word's usage. It is also an argument about the damage the construction of evangelicalism has done to historic Christianity. As much as the American public thinks of evangelicalism as the old time religion, whether positively or negatively, this expression of Christianity has severed most ties to the ways and beliefs of Christians living in previous eras. For that reason, it needs to be deconstructed.

Book jacket: *The Variety of American Evangelicalism* Donald W. Dayton, 2002-05. Those labeled as evangelicals commonly are assumed to constitute a large and fairly homogeneous segment of American Protestantism. This volume suggests that in fact evangelicalism is better understood as a set of distinct subtraditions, each with its own history, organizations and

priorities The differences among groups are so important that the question arises Is the term evangelical useful at all This book attempts to enter as sympathetically as possible into the self understandings of movements usually grouped under the evangelical umbrella For each of twelve major traditions a leading scholarly interpreter first articulates the group s theological orientation and then explores the relationship between that movement and broader evangelical issues and organizations Contributors develop remarkably useful and diverse conceptual strategies for charting the complex evangelical landscape In crisp summary chapters the editors draw differing conclusions from the many perspectives offered Donald Dayton wants to abandon the category evangelical altogether Robert Johnston sees the varied traditions as an extended family whose members embody common characteristics to greater or lesser degrees Promise Unfulfilled Rolland McCune,2017-07-17 The New Evangelicalism was conceived if not born with the formation of the National Association of Evangelicals in 1942 This new group was in the main led by younger professing fundamentalist scholars and leaders who had become dissatisfied with their heritage and wanted to carve out some evangelical middle ground between fundamentalism and neo orthodoxy This book is an analysis of the break away movement in terms of the issues ideas and practices that led to its beginning its expansion to an apogee in the 1970s its subsequent loss of biblical and doctrinal stability and its slide toward virtual irrelevancy in a postmodern world culture of the 21st century The twenty five chapters are grouped under nine main sections Historical Antecedents the Formation of the New Evangelicalism Ecumenism Ecclesiastical Separation The Bible and Authority Apologetics Social Involvement Doctrinal Storms and Evaluations and Prospects It will be a valuable addition to the pastor s library and a strategic resource for theological education in Bible colleges and seminaries

**Encyclopedia of Christianity in the United States** George Thomas Kurian,Mark A. Lamport,2016-11-10 From the Founding Fathers through the present Christianity has exercised powerful influence in the United States from its role in shaping politics and social institutions to its hand in inspiring art and culture The Encyclopedia of Christianity in the United States outlines the myriad roles Christianity has played and continues to play This masterful five volume reference work includes biographies of major figures in the Christian church in the United States influential religious documents and Supreme Court decisions and information on theology and theologians denominations faith based organizations immigration art from decorative arts and film to music and literature evangelism and crusades the significant role of women racial issues civil religion and more The first volume opens with introductory essays that provide snapshots of Christianity in the U S from pre colonial times to the present as well as a statistical profile and a timeline of key dates and events Entries are organized from A to Z The final volume closes with essays exploring impressions of Christianity in the United States from other faiths and other parts of the world as well as a select yet comprehensive bibliography Appendices help readers locate entries by thematic section and author and a comprehensive index further aids navigation The Evangelical Herald ,1914
