A History of the American Nonprofit Sector Mordecai Lee, 2024-07-02 This book presents a history of the American nonprofit sector It covers the seminal 1819 Supreme Court decision that Dartmouth College was a private nonprofit corporation and therefore independent of government control The rise of the sector in the twentieth century is presented through exemplars of four different kinds of nonprofits efforts at professionalization and early initiatives in management training During the twenty first century external communication has become central for nonprofits including lobbying and public reporting In a more light hearted vein the image of American nonprofits in pop culture is analyzed through their depiction in movies The book s subject matter is at the intersection of multiple academic fields including nonprofit studies nonprofit management American history political science management history business administration public administration and organization theory It can be used as a textbook by advanced researchers and by academic libraries interested in the American nonprofit sector or in US history

[Wax Museum Movies](#) George Higham, 2020-09-18 Spanning over a century of cinema and comprised of 127 films this book analyzes the cinematic incarnations of the uncanniest place on earth wax museums Nothing is as it seems at a wax museum It is a place of wonder horror and mystery Will the figures come to life at night or are they very much dead with corpses hidden beneath their waxen shells Is the genius

hand that molded them secretly scarred by a terrible tragedy longing for revenge Or is it a sinner's sanctum harboring criminals with countless places to hide in plain sight This chronological analysis includes essential behind the scenes information in addition to authoritative research comparing the creation of real wax figures to the reel ones seen onscreen Publicly accessible or hidden away in a maniac's lair wax museums have provided the perfect settings for films of all genres to thrillingly play out on the big screen since the dawn of cinema

Are You In The House Alone? Amanda Reyes,2017-04-05

Beginning in the 1960s through its heyday in the 1970s and beyond the telefilm remains an important cultural artefact masquerading as disposable entertainment Made specifically for the small screen within the tight constraints of broadcasting standards what these humble movies lacked in budget and star appeal they made up for in other ways Often they served as an introduction to genre films particularly horror mirroring their theatrical counterparts with a focus on sinister cults women in prison haunted houses and even animals in revolt They were also a place to address serious contemporary issues drugs prostitution sexual violence and justice albeit in a cosy domestic environment Production of telefilms continues to this day but their significance within the history of mass media remains under discussed Are You in the House Alone seeks to address this imbalance in a series of reviews and essays by fans and critics alike It looks at many of the films the networks and names behind them and
