Encyclopedia Of World Biography 20th Century Supplement:

Encyclopedia of World Biography, 1900 The 20th Century A-G Frank N. Magill, 2013-05-13 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who's who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual's life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual's place in history All entries conclude with a fully annotated bibliography **The Reception of Northrop Frye**, 2021-08-31 The widespread opinion is that Northrop Frye's influence reached its zenith in the 1960s and 1970s after which point he became obsolete his work buried in obscurity This almost universal opinion is summed up in Terry Eagleton's 1983 rhetorical question Who now reads Frye In The Reception of Northrop Frye Robert D Denham catalogues what has been written about Frye books articles translations dissertations and theses and reviews in order to demonstrate that the attention Frye's work has received from the beginning has progressed at a geomantic rate Denham also explores what we can discover once we have a fairly complete record of Frye's reception in front of us such as Hayden White's theory of emplotments applied to historical writing and Byron Almon's theory of musical narrative The sheer quantity of what has been written about Frye reveals that the only valid response to Eagleton's rhetorical question is a very large and growing number the growth being not incremental but exponential *Encyclopedia of World Biography* David Eggenberger, 1987 6 volume supplement numbered 13 18 to McGraw Hill encyclopedia of world biography published in 1973 by McGraw Hill covering people of the 20th century and including a study guide and index vol 16

Almanac of Famous People: Biographies, 2001 **ARBA Guide to Biographical Resources, 1986-1997** Robert L. Wick, Terry Ann Mood, 1998 This single source guide to selected biographical dictionaries and directories covers the entire spectrum of biographical sources serial and nonserial that have been published in the last ten years In each entry the book gives complete bibliographic information along with price and a critical evaluation Most entries have been selected from American Reference Books Annual ARBA between 1986 and 1997 Organized in two broad categories International and National Biographies and Biographies in Professional Fields listings are also easily accessed through detailed author title and subject indexes This work will be valuable to reference librarians researchers and others who require information on the lives of individuals from all fields of study and all time periods and of particular use to those involved in the library acquisition process Handbook of Reference Sources and Services for Small and Medium-Sized Libraries Margaret I.
