Meri, 2006 Publisher description

Reference Sources, 1981 S. Balachandran, M. Balachandran, 1992-03

Power Geopolitics in the Pacific Age C. D. Bay-Hansen, 2011 Power Geopolitics in the Pacific Age East Asia the United Nations the United States and Micronesia at the Edge of the 21st Century 1991 2001 is not only a historical review of the Pacific Rim and Pacific Islands throughout the 1990s but also a prognostication of the entire area for the coming century

A Contemporary History of the Chinese Zheng Ann L. Silverberg, 2022-12-12 A Contemporary History of the Chinese Zheng traces the twentieth and twenty first century development of an important Chinese musical instrument in greater China The zheng was transformed over the course of the twentieth century becoming a solo instrument with virtuosic capacity In the past the zheng had appeared in small instrumental ensembles and supplied improvised accompaniments to song Zheng music became a means of nation building and was eventually promoted as a marker of Chinese identity in Hong Kong Ann L Silverberg uses evidence from the greater China area to show how the narrative history of the zheng created on the mainland did not represent zheng music as it had been in the past Silverberg ultimately argues that the zheng s older repertory was poorly represented by efforts to collect and promote zheng music in the twentieth century This book contends

that the restored traditional Chinese music created and promulgated from the 1920s forward and solo zheng music in particular is a hybrid of Chinese essence Western means that essentially obscures rather than reveals tradition Ann Silverberg's book provides a history of the Chinese zheng zither with a focus on the rise of solo music since the mid twentieth century across the three sites of mainland China Hong Kong and Taiwan Existing English language studies mostly omit consideration of Hong Kong and Taiwan so this account enriches current perspectives on the multiplicities of Chinese musical history and identity Jonathan Stock University College Cork Ireland Professor Ann Silverberg's insights and approach are long awaited in the studies of Chinese music I am particularly impressed by her coverage of the situation in Hong Kong and Taiwan This book is a wonderful contribution to zheng music It also inspires and enhances the studies of other Chinese musical instruments and Chinese traditional music Yu Siu Wah independent scholar Middle East: Tricontinental Hub: A bibliographic survey United States. Department of the Army, 1965

Celebrating Life Customs around the World

Victoria R. Williams, 2016-11-21 This book documents hundreds of customs and traditions practiced in countries outside of the United States showcasing the diversity of birth coming of age and death celebrations worldwide From the beginning of our lives to the end all of humanity celebrates life's milestones through traditions and unique customs In the United States we have specific events like baby showers rites of passage such as Bat and Bar Mitzvahs and sweet 16 birthday parties and sober end of life traditions like obituaries and funeral services that honor those who have died But what kinds of customs and traditions are practiced in other countries How do people in other cultures welcome babies prepare to enter into adulthood and commemorate the end of the lives of loved ones This three volume encyclopedia covers more than 300 birth life and death customs with the book's content organized chronologically by life stage Volume 1 focuses on birth and childhood customs Volume 2 documents adolescent and early adulthood customs and Volume 3 looks at aging and death customs The entries in the first volume examine pre birth traditions such as baby showers and other gift giving events and post birth customs such as naming ceremonies child rearing practices and traditions performed to ward off evil or promote good health The second volume contains information about rites of passage as children become adults including indigenous initiations marriage customs and religious ceremonies The final volume concludes with coverage on customs associated with aging and death such as retirement celebrations elaborate funeral processions and the creation of fantasy coffins The set features beautiful color inserts that illustrate examples of celebrations and ceremonies and includes an appendix of excerpts from primary documents that include legislation on government accepted names wedding vows and maternity paternity leave regulations

The Publishers' Circular and Booksellers' Record, 1924 **CD-ROMs in Print**, 2003 **The Stuff of Science Fiction** Gary Westfahl, 2022-09-27 While students and general readers typically cannot relate to esoteric definitions of science fiction they readily understand the genre as a literature that characteristically deals with subjects such as new inventions space robot and aliens This book looks at science fiction in precisely this manner with twenty one chapters that

each deal with a subject that is repeatedly addressed in science fiction of recent centuries Based on a packet of original essays that the author assembled for his classes the book could serve as a supplemental textbook in science fiction classes but also contains material of interest to science fiction scholars and others devoted to the genre In some cases chapters offer thorough surveys of numerous works involving certain subjects such as imagined vehicles journeys beneath the Earth and undersea adventures discovering intriguing patterns in the ways that various writers developed their ideas When comprehensive coverage of ubiquitous topics such as robots aliens and the planet Mars is impossible chapters focus on major themes referencing selected texts A conclusion discusses other science fiction subjects that were omitted for various reasons and a bibliography lists additional resources for the study of science fiction in general and the topics of each chapter

American Book Publishing Record ,1973
