Journalism Political Communications Processes and Routines of Journalism Radio and Television Technology Historical Dictionary of Journalism Ross Eaman, 2009-03-02 Journalism is the discipline of gathering writing and reporting news and it includes the process of editing and presenting news articles Journalism applies to various media including but not limited to newspapers magazines radio television and the internet The word journalist started to become common in the early 18th century to designate a new kind of writer about a century before journalism made its appearance to describe what those writers produced Though varying in form from one age and society to another it gradually distinguished itself from other forms of writing through its focus on the present its eye witness perspective and its reliance on everyday language The Historical Dictionary of Journalism relates how journalism has evolved over the centuries This is done through a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries on the different styles of journalism the different types of media and important writers and editors **The American Political Scandal** David R. Dewberry, 2015-08-13 In this holistic examination of political scandal in the United States David Dewberry argues convincingly that such scandals follow a consistent narrative centered largely on media coverage and politician performance rather than the actual corruption or ethics violation committed In making this argument he also provides an analytical framework for understanding the patterns underlying scandals regardless of their unique political contexts Dewberry dissects four major examples Teapot Dome Watergate Iran Contra and Clinton Lewinsky and explores the roles of various constituencies involved in creating reacting to and mediating the scandal What is the true role of journalism within the context of scandal What persuasive techniques do politicians employ to develop and perpetuate scandals What motives and values bring scandals to a close In addition to the core cases Dewberry incorporates briefer examples from contemporary and ongoing controversies including Anthony Weiner s sexting scandal money and sex in Congress how cover ups have gone digital and Chris Christie s Bridgegate The result is a fascinating and thoughtful look at the relationships among political discourse free speech and democracy *Romanian-American Negotiations in Education, Science, Culture, and Arts* Cornel Sigmirean, Sonia D. Andraş, Carmen-Maria Andraş, Eduard Andrei, Iulian Boldea, Liviu Bordaş, Maria Boştenaru Dan, Daniel Citirigă, Octaviana Jianu, Giuseppe Motta, Truţa Ferencz-Iozsef, 2023-01-01 As a political model for the young democracy in interwar Romania as a protector against threats to the sovereignty and integrity of the state as a cultural model and as a daily life America represented for Romania a reference point a factor of stability and progress America was a model and ally of the civilized world Unfortunately isolated in the interwar period from the political realities on the continent America saw how at the end of the 30s the political creation of the Paris Peace Conference collapsed the US being invited to abandon jazz to enter a new war on the European continent extended to Asia and Africa to save civilization alongside the UK At the war s end Eastern Europe fell victim to communist totalitarianism imposed by the USSR and its peoples were forced to abandon the Western model of civilization in favor of the communist model However after 45 years of communism the American model

became negotiable again as a cultural economic and political model for Romanians allowing us to reconstruct essential pages in the history of interwar Romania in the context of Romanian American relations This volume was supported by the Executive Agency for Higher Education Research Development and Innovation Funding UEFISCDI the National Research Council CNCS the Ministry of Education Romania Project PN III P4 PCE 2021 0688 Contract 29 from 27 May 2022 title The Ethos of Dialogue and Education Romanian American Cultural Negotiations 1920 1940 Acest volum a fost finan at de c tre Unitatea Executiv pentru Finan area nv m ntului Superior a Cercet rii Dezvolt rii i Inov rii UEFISCDI Consiliul Na ional al Cercet rii tiin ifice CNCS Ministerul Educa iei Proiect PN III P4 PCE 2021 0688 Contract num rul 29 din 27 mai 2022 cu titlul Etosul educa iei i dialogului Negocieri culturale rom no americane 1920 1940

Andraş, 2024-12-18 Published as part of EDERA The Ethos of Dialogue and Education streamlining the themes Negotiating between objectivity and stereotypes American correspondents in Romania T3 and Embodying the American Feminine Ethos Renegotiating Romanian Women s Identity from Hollywood to Rockefeller T6 Trailblazers of the Press American War Correspondents in Interwar Romania analyzes the portrayals of Romania shaped by the American war correspondents who visited the country during the interwar era These representations illustrate the cultural and identity negotiation process between the observers and the observed and among the many prevalent identities in this space The historical and political analysis of America s stance towards Romania in the context of the world wars has been thoroughly addressed in both the American and Romanian academia This book emphasizes the historical context of Romanian American relationships and negotiations and the cultural social gender and identity dimensions reflected in the American correspondents representations of significant historical events especially from 1939 to 1940 when they arrived in Romania in considerable numbers Trailblazers of the Press explores a topic often neglected in Romania s historical narrative It highlights the crucial role of American journalists in documenting social cultural and historical events in Romania during World War II within a European context It provides a comprehensive understanding of the Romanian people s cultural and social aspects by offering valuable historical military and diplomatic insights This book challenges the accepted belief regarding the irrelevant influence of the United States in interwar Romania providing significant knowledge for a detailed analysis of the way America portrayed Romania The book aims to remedy the information deficiencies about foreign war correspondence

diaries and accounts of those who visited or lived for a time in interwar Romania proving the special American interest in this cultural and identity space Cornel Sigmirean author of *Istoria form rii intelectualit ii rom ne ti din Transilvania i Banat n epoca modern Studen i rom ni la universit i din Europa Central i de Vest* This book analyzes the intricate Romanian American relations in the inter war era through the lenses of American war correspondents in Romania while investigating their diaries memoirs and other testimonies with a view to showing that the evolution of such relations influenced by the US political and economic interests in the region can shed novel light on the inherent power dynamics of the Romanian American exchanges Mariana Ne author of *Once Upon Two Cities A Parallel Between New York City and Bucharest by 1900* This is a must read book for anyone who seeks to understand how American war reporting in interwar Romania negotiated the ebb and flow of information transmission in order to uncover the power dynamics between the two countries Trailblazers of the Press provides a fascinating multidisciplinary account of Romania s diplomatic and cultural exchanges with America which is central to our contemporary history Elena Butoescu author of *Literary Imposture and Eighteenth Century Knowledge* A Companion to the Gilded Age and Progressive Era Christopher McKnight Nichols, Nancy C. Unger, 2022-06-15 A Companion to the Gilded Age and Progressive Era presents a collection of new historiographic essays covering the years between 1877 and 1920 a period which saw the U S emerge from the ashes of Reconstruction to become a world power The single definitive resource for the latest state of knowledge relating to the history and historiography of the Gilded Age and Progressive Era Features contributions by leading scholars in a wide range of relevant specialties Coverage of the period includes geographic social cultural economic political diplomatic ethnic racial gendered religious global and ecological themes and approaches In today s era often referred to as a second Gilded Age this book offers relevant historical analysis of the factors that helped create contemporary society Fills an important chronological gap in period based American history collections The Papers of Thomas A. Edison Thomas A. Edison, **The Golden Age of the Newspaper** George H. Douglas, 1999-07-30 From the arrival of the penny papers in the 1830s to the coming of radio news around 1930 the American newspaper celebrated its Golden Age and years of greatest influence on society Born in response to a thirst for news in large eastern cities such as New York Boston and Philadelphia the mood of the modern metropolitan papers eventually spread throughout the nation Douglas tells the story of the great innovators of the American press men like Bennett Greeley Bryant Dana Pulitzer Hearst and Scripps He details the development of the bond between newspapers and the citizens of a democratic republic and how the newspapers molded themselves into a distinctly American character to become an intimate part of daily life Technological developments in papermaking typesetting and printing as well as the growth of advertising gradually made possible huge metropolitan dailies with circulations in the hundreds of thousands Soon journalism became a way of life for a host of publishers editors and reporters including the early presence of a significant number of women Eventually feature sections arose including comics sports puzzles cartoons advice columns and sections for women and children The hometown

daily gave way to larger and impersonal newspaper chains in the early twentieth century This comprehensive and lively account tells the story of how newspapers have influenced public opinion and how public demand has in turn affected the presentation of the news

**Lecturing the Atlantic** Tom F. Wright, 2017-04-06 In the early nineteenth century the public lecture emerged as one of the Anglo American world's most important cultural forms On both sides of the Atlantic audiences and performers transformed a cultural practice with origins in the medieval cloister into an unexpected flashpoint medium of public life In the United States as part of the lyceum movement lecturing became crucial to literary and political life multiple social reform movements and the rise of public intellectualism offering speakers from across the cultural spectrum a platform from which to promote their ideas and explain contemporary life *Lecturing the Atlantic* argues for a new interpretation of this neglected institution It reorients our understanding of the lyceum by seeing it as an international and cross media phenomenon patterned by cultural investment in an Anglo American commons Tom F Wright shows how some of the mid century North Atlantic world's most enduring cultural figures such as Frederick Douglass William Makepeace Thackeray and Ralph Waldo Emerson as well as fascinating marginal voices such as Lola Montez and John B Gough used lecture hall discussions of a transatlantic imaginary to offer powerful commentaries on slavery progress comedy order tradition and reform Crucially this world was a matter as much of print as performance since as the book reveals a remarkable culture of newspaper commentary allowed oratory to resonate far beyond the realm of the lecture hall Through a series of inventive readings of Anglo American relations as understood through performance and print re mediation Wright connects the transatlantic turn in cultural studies to important recent debates in media theory and public sphere scholarship *Lecturing the Atlantic* speaks to those interested in the literature and history of Victorian Britain and the early US to students of performance communication and rhetoric and all those seeking a deeper understanding of nineteenth century public culture
