**Elimination Dance** Michael Ondaatje, 1978      Toronto New Wave cinema and the anarchist-apocalypse David Christopher, 2025-06-10 The Toronto New Wave TNW comprises a group of avant garde filmmakers working in Canada from the 1980s and into the new millennium whose innovative film works share significant affinities with anarchist themes and aesthetics Several of the TNW filmmakers openly identify as anarchists and or acknowledge a debt to anarchism in their production of highly apocalyptic narratives as part of their cinematic political projects However recognition of anarchism s progressive apocalyptic theoretical relevance has yet to be substantially taken up by scholarship in cinema analysis This analysis introduces an anarchist inflected analytical methodology to understand the apocalyptic revelatory political work these films attempt to accomplish in the perceptual space between the filmic texts and both their auteurs and potential viewers and to re locate the TNW within cinema history as an ongoing phenomenon with new significance in an apocalyptic era of digital distribution      The Memory Bank Jack Orth, 2011-08-12 THE MEMORY BANK A collection of short stories drawn from the Memory Bank of Jack Orth born in 1931 Unlike the financial institutions we re all familiar with the Memory Bank is open 24 7 Even when you re sound asleep you can make a withdrawal in the form of a dream There are no minimum balances required The interest rate never takes a hit and it always remains at a high level As a matter of fact the older you get the more valuable your deposits become as you can rely on them to bring a smile to your heart and a tear of happiness to your eyes It s also a bank where you can make a withdrawal but it s only a carbon copy Years later the original is still in your account for future reference You ll surely relate to some of the withdrawals in this book and maybe head to your own Memory Bank to verify the fact that your memories are still there Enjoy the time you spend in Jack s Memory Bank and in your own      Dancing Through History-XLED Lori Henry, 2012-01-01 Some people travel to discover a country s architecture others to sample its cuisine or experience its nature For author Lori Henry travel is a way to discover a country s dances In Dancing Through History Henry crosses Canada s vast physical and ethnic terrain to uncover how its various cultures have evolved through their dances Her coast to coast journey takes her to Haida Gwaii in British Columbia where she witnesses the seldom seen animist dances of the islands First Nation people In the Arctic Henry partakes in Inuit drum dancing kept alive by a new generation of Nunavut youth And in Cape Breton she uncovers the ancient step dance of the once culturally oppressed Gaels of Nova Scotia During her travels Henry discovers that dance helps to break down barriers and encourage cooperation between people with a history of injustice Dance she finds can provide key insight into what people value most as a culture which is often more similar than it seems It is this kind of understanding that goes beyond our divisive histories and gives us compassion for one another      **Elimination Dance** Michael Ondaatje, 1991 Instructions An elimination dance begins with a crowded dance floor At a signal the band stops playing and the announcer reads an elimination say Any lover who has gone into a flower shop on Valentine s Day and asked for clitoris when he meant clematis Any dancer answering this
