Being Heroic Barry A. Hill, 1994 Ellet Joseph Waggoner David P. McMahon, 1979-01-01 *E.J. Waggoner* Woodrow W. Whidden, 2008 "*The Kingdom of God is at Hand*" Rolf J. Pöhler, Kerstin Maiwald, 2025-08-28 The Kingdom of God is at Hand Adventist Interpretations of Biblical Apocalypticism offers nineteen papers presented at the 4th International Symposium of the Institute of Adventist Studies at Friedensau Adventist University Germany April 26 29 2021 The contributions represent current Adventist scholarship from four continents Europe North America Africa and Australia Well versed in their fields and knowledgeable about their subjects the authors are dealing with Christian apocalypticism from biblical historical theological and practical perspectives Originating from the 19th century Millerite movement Seventh day Adventism is deeply affected by apocalyptic thinking By looking at the Adventist faith tradition from a scholarly point of view this volume hopes to contribute to an apt assessment of apocalyptic eschatology *The General Conference Confronts Apostasy* Russell R. Standish, Colin D. Standish, 2006 **A. T. Jones** George R. Knight, 2011 Embroiled in controversy nearly his entire ministry Jones was one of the most fascinating personalities ever to grace a Seventh day Adventist pulpit This brilliantly researched biography reveals a man so powerful and charismatic that his fall seems incomprehensible yet somehow inevitable Discover the contributions Jones made to Adventism and what led him eventually to fight the faith he spent so much of his life building up **For the Sake of the Gospel** Desmond Ford, Gillian Ford, 2008 Nearly thirty years ago the Seventh day Adventist church defrocked Dr Desmond Ford for publicly challenging the denomination's prophetic views At the same time and on the same basis many other ministers also lost their positions Ford had been a top Adventist scholar who had taught ministerial students and future teachers in Adventism's tertiary institutions in Australia and the U S What led him to speak out and is the debate still current today What were the issues and who were the parties involved Why was it important then Why does it matter now This book answers all these questions and shows that the key to prophetic interpretation is Christ and his gospel not humanly devised calculations hidden in musty history books Christ clearly teaches it is not for us to know the times and seasons yet official Adventism continues to teach prophetic timelines that are based on faulty premises The Adventist teaching of the Investigative Judgment which supposedly began in 1844 mutes the New Testament gospel and most Adventist scholars know this It is time for official Adventism to renounce their errors and become fully Christian in their doctrinal teachings *The Ellen G. Truth Rolf Pöhler,2020-08-28 DYNAMIC TRUTH is a reprint of the author s groundbreaking dissertation on Change in
 Seventh day Adventist Theology Submitted in 1995 and initially published in 1999 Part I and 2000 Part II it is the first and
 only in depth study to date dealing with the issue of doctrinal development from an Adventist perspective Part I analyzes the
 intricate problem of doctrinal development and presents a historical survey of theories of doctrinal change classifying them
 in three ideal types In the author s view a dialectic approach concerned about substantial continuity as well as authentic
 change can best avoid the pitfalls of dogmatic immobilism and revisionism Part II provides a detailed study of the problem of
 doctrinal change in a Seventh day Adventist setting It analyzes the extent nature and direction of doctrinal developments in
 the light of the religious background of the church and the social forces at work in it It also discusses the church s response
 to doctrinal adjustments and Ellen G White s involvement in and conception of doctrinal change The study concludes that
 Adventist teachings have been significantly affected by theological and hermeneutical developments under the impact of
 social forces nudging the church closer towards evangelical Protestantism Ellen White co founder of the church was
 personally involved in theological change Her concept of doctrinal development shows a remarkable depth of insight and
 presents a well balanced approach to the dynamics of faith and truth **Adventist Heritage** ,1986 Seeker After Light
 Calvin W. Edwards,Gary Land,2000 In 1905 Albion Fox Ballenger a popular Seventh day Adventist preacher was released
 from employment for advocating views in conflict with Adventist teaching about Christ s ministry in the heavenly sanctuary
 Three quarters of a century later another popular Adventist preacher again questioned the church s sanctuary doctrine with
 similar results In some important ways the Ballenger case may be seen as a foreshadowing historical footnote to a doctrinal
 controversy that shook Adventism in the early 1980s Thus in this meticulously researched volume Calvin W Edwards and
 Gary Land collaborate to provide the first in depth scholarly examination of a revealing if nearly forgotten episode in

Adventist history Acting in part as a biography of the public figure of A F Ballenger Seeker After Light also necessarily presents a portion of the history of the Seventh day Adventist Church within the context of the larger story of religion in the United States Through an investigation of the denomination s dabbling in such things as the Holiness Movement and faith healing it becomes clear that neither Ballenger nor the Seventh day Adventist Church was isolated from American religion and culture during the late nineteenth and early twentieth centuries BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved
