After a frothy adventure of one woman's journey to claim happily ever after in times of serial dating swiping right and the quest to find your soulmate Bella Marble's life isn't what she imagined. Instead of an author she's a receptionist at a small press. Instead of happily married she's single and her lovey-dovey parents are divorcing. And to top it off her best friend of twenty-nine years Ellie Mathews is moving out and marrying the heinously boring Mark. He's not worthy of her. No one could be. Bella feels rudderless, only slightly soothed by time spent with Ellie's not-hot brother. He's not hot. Marty, okay, he's hot. But he's also the aggravating brother she never had. Right when Marty recommends Bella stop looking for the one and just have fun, Bella finds a new empowered side of herself. But when she posts a fairy tale retelling of a disastrous one-night stand on a storytelling app, all of a sudden Bella has become B. Enchanted. And she's gone viral. Now Bella's in a fight with Ellie, her new roommates are so deeply weird, and the pressure is mounting to find new fairy tales to write about, but she's got to live them first. As side-splittingly hilarious as it is empowering and emotional, Not That Kind of Ever After is a sparkling debut. Helena Hunting bestselling author
