Elliots Ghosts:

Spectral Spaces and Hauntings Christina Lee, 2017-02-17 This anthology explores the spatial dimension and politics of haunting. It considers how the appearance of absence, emptiness and the imperceptible can indicate an overwhelming presence of something that once was and still is there. At its core, the book asks how and why do certain places haunt us. Drawing from a diversity of mediums, forms and disciplinary approaches, the contributors to *Spectral Spaces and Hauntings* illustrate the complicated ways absent presences can manifest and be registered. The case studies range from the memory sites of a terrorist attack, the lost home, a vanished mining town and abandoned airports to the post-apocalyptic wastelands in literary fiction, the photographic and filmic surfaces where spectres materialise and the body as a site for re-corporealising the disappeared and dead. In ruminating on the after-effects of spectral spaces on human experience, the anthology importantly foregrounds the ethical and political imperative of engaging with ghosts and following their traces. **Spirit**

Destroyed: Ghost and Esoteric Paranormal Romance Charmaine Ross, 2022-04-27 *Spirit Destroyed* is the second in the *Demon Cursed* series. If you like strong heroines that fight for the truth, lost souls that sacrifice all and the answer to the afterlife itself, dive into this exciting series today. A soul eater has ripped my sister's soul from her body and unless I can find her in the grey mists, she'll be lost forever. Elliot thinks he's a bad man, a crooked cop and a murderer, but I know different. I see his soul and it's beautiful. If only he would believe me. We astral travel to a pocket dimension created by a man from Elliot's past. Black John is more than a criminal. He controlled the grey mists and created the soul eaters, making his own kingdom to take over the world, but he needs the angelic power Elliot hid before he died. Chased by hit men, we find sanctuary in Elliot's home where he lived with his wife and child decades ago. The wife and child, I'm stopping him from finding again in his afterlife. I have to let him go. It's the right thing to do, even if it destroys me. But my ethereal cord is fading and it's only a matter of time before I'm trapped forever under Black John's rule. Even my guardian angel can't hear my plea. In a final bid to rescue my sister, the angelic power attaches itself to me, too ancient and powerful for a mere human soul to control. I raise more than demons from a hell portal. I accidentally open. I tried to save Laura. I tried to protect Elliot, but I might have doomed us all. Fans of *Ghost*, *The Ghost Whisperer* and those who enjoy reading about ghosts, angels, demons, reincarnation with a healthy dose of woo-woo will like this series.
