Elusive Messiah A Philosophical Overview Of The Quest For The Historical Jesus

Jeffrey J. Bütz

Elusive Messiah A Philosophical Overview Of The Quest For The Historical Jesus:

The Elusive Messiah Raymond Martin, 2000-05-12 What might the findings of researchers engaged in the quest for the historical Jesus mean to Christians In posing this question and others *The Elusive Messiah* opens a window for looking anew at the age old problem of faith vs reason To fully understand the implications of the historical search Raymond Martin suggests we must first examine the inquiries of the individual scholars In the book s first section he provides an insightful overview into the major players who have written on the subject among them E P Sanders John Meier Elizabeth Schussler Fiorenza J D Crossan and Luke Timothy Johnson In his second section Martin discusses various Christian responses to the challenges presented by the historians work Martin goes on to argue philosophically that faith and reason are able to coexist alongside each other and then suggests how this may be the key to Christianity s future Through readily understandable language and examples Martin poses basic questions looks for the answers and explains how these answers correspond to the overall problem His accessible writing synthesizes complex academic arguments in ways that bring them down to earth enabling Christians and other readers to understand what is being claimed and to test these claims for meaningfulness

The Elusive Messiah Raymond Martin, 2018-03-05 What might the findings of researchers engaged in the quest for the historical Jesus mean to Christians In posing this question and others *The Elusive Messiah* opens a window for looking anew at the age old problem of faith vs reason To fully understand the implications of the historical search Raymond Martin suggests we must first examine the inquiries of the individual scholars In the book s first section he provides an insightful overview into the major players who have written on the subject among them E P Sanders John Meier Elizabeth Schussler Fiorenza J D Crossan and Luke Timothy Johnson In his second section Martin discusses various Christian responses to the challenges presented by the historians work Martin goes on to argue philosophically that faith and reason are able to coexist alongside each other and then suggests how this may be the key to Christianity s future Through readily understandable language and examples Martin poses basic questions looks for the answers and explains how these answers correspond to the overall problem His accessible writing synthesizes complex academic arguments in ways that bring them down to earth enabling Christians and other readers to understand what is being claimed and to test these claims for meaningfulness

The Historical Jesus James K. Beilby, Paul Rhodes Eddy, 2010-01-04 *The Historical Jesus Five Views* provides a venue for readers to sit in on a virtual seminar on the historical Jesus Beginning with a scene setting historical introduction by the editors prominent figures in the Jesus quest set forth their views and respond to their fellow scholars For both the classroom and personal study this is a book that fascinates probes and engages *The Quest of the Hermeneutical Jesus* Robert B. Stewart, 2008 *The Quest of the Hermeneutical Jesus* is a study in how reading documents referring to Jesus influences conclusions as to who Jesus was as a figure in history In this book author Robert B Stewart leads his readers through the projects of two of the most important and influential scholars in the field of historical Jesus research in order to show his

readers how the philosophical presuppositions and hermeneutical methods of Crossan and Wright impact their respective historical conclusions concerning Jesus There is arguably no more important question in religious studies than what can we know about Jesus Stewart takes on the task of filling the void in this area by addressing how hermeneutics influences history In addition to highlighting the work of two great scholars Stewart also provides a useful introduction and guide through much of the maze of contemporary literary criticism Book jacket **Acts of God in History** Roland Deines, 2013-11-13 10 of 11 contributions were published previously 4 in German 6 in English *Familiar Stranger* Michael J. McClymond, 2004-03-22 McClymond summarizes current scholarship on Jesus and offers a clear comprehensive and compelling report on what is known about him here at the start of the 21st century **Handbook for the Study of the Historical Jesus (4 Vols)** Tom Holmén, Stanley E. Porter, 2011 V 1 How to study the historical Jesus v 2 The study of Jesus v 3 The historical Jesus v 4 Individual studies *A Modern Introduction to Theology* Philip Kennedy, 2009-09-22 Philip Kennedy here offers the first book that any student with or without religious convictions can profitably use to get quickly to grips with the essentials of the Christian religion its history and its key thinkers its successes and its failures Most existing undergraduate textbooks of theology begin from essentially traditional positions on the Bible doctrine authority interpretation and God What makes Philip Kennedy s book both singularly important and uniquely different is that it has a completely new starting point The author contends that traditional Christian theology must extensively overhaul many of its theses because of a multitude of modern social historical and intellectual revolutions Offering a grand historical sweep of the genesis of the modern age and writing with panache and a magisterial grasp of the relevant debates conflicts and controversies *A Modern Introduction to Theology* moves a tired and increasingly incoherent discipline in genuinely fresh and exciting directions and will be welcomed by students and readers of the subject **Jesus Remembered** James D. G. Dunn, 2003-07-29 In Christianity in the making James D G Dunn examines in depth the major factors that shaped first generation Christianity and beyond exploring the parting of the ways between Christianity and Judaism the Hellenization of Christianity and responses to Gnosticism He mines all the first and second century sources including the New Testament Gospels New Testament apocrypha and such church fathers as Ignatius Justin Martyr and Irenaeus showing how the Jesus tradition and the figures of James Paul Peter and John were still esteemed influences but were also the subject of intense controversy as the early church wrestled with its evolving identity Judging Q and saving Jesus - Q's contribution to the wisdom-apocalypticism debate in historical Jesus studies. Llewellyn Howes, 2015-12-31 Judging Q and saving Jesus is characterised by careful textual analysis showing a piercing critical eye in its impressive engagement with the secondary literature and sharp insightful critique This book takes the stance that the hypothetical document Q can be reconstructed with sufficient precision and that this enables biblical scholars to study with confidence its genre and its thematic and ideological profile The genre issue is central to the book s overall structure and the alternative proposals are discussed at

length and with sophistication The author's inference is that Q's macrogenre is sapiential with occasional insertions of apocalyptic microstructures and motifs This finding embodies progress in Historical Jesus studies An opposing trend has been to label Jesus an apocalypticist so that the great either/or of contemporary Jesus scholarship has been either eschatological or not an alternative that dates back to Albert Schweitzer The author finds that generally and even when used apocalyptically the term Son of Man tends to support arguments best understood as sapiential in outlook This is consistent with the sapiential genre of the document as a whole This finding is supported by the close and careful exegesis of Q 6 37 38 on not judging He reconstructs the original wording of this saying on not judging and explores the idea of weighing in judgment psychostasia determining in the end that the saying is entirely sapiential *Jesus and His Death* Scot McKnight, 2005 Recent scholarship on the historical Jesus has rightly focused upon how Jesus understood his own mission But no scholarly effort to understand the mission of Jesus can rest content without exploring the historical possibility that Jesus envisioned his own death In this careful and far reaching study Scot McKnight contends that Jesus did in fact anticipate his own death that Jesus understood his death as an atoning sacrifice and that his death as an atoning sacrifice stood at the heart of Jesus' own mission to protect his own followers from the judgment of God *The Jesus Legend* Paul Rhodes Eddy, Gregory A. Boyd, 2007-08 Confronts the legendary Jesus case showing how the Synoptic Gospels are the most historically probable representation of the actual Jesus of history **Controversies over Islamic Origins** Mun'im Sirry, 2021-06-21 What evidence do we have to reconstruct the origins of Islam On the basis of what sources can the first century of Islam be accessed Why do historians of early Islam consider the literary sources of Islamic origins to be so problematic How is the problem of early Islamic history framed This book addresses these critical questions by discussing various approaches to the problem of reconstructing Islamic origins In a spirit of welcoming diverse perspectives and encouraging healthy scholarly debate it explores different even conflicting modern theories about the emergence of Islam through various case studies including recent debates on the Qur'an the biography of the Prophet and early conquest narratives A broad spectrum of both traditionalist and revisionist scholarship is critically examined with the purpose of illuminating not only how modern scholars differ but also what they have in common **Three Revolutions** Robert Crotty, 2012-08-02 The author describes the drastic changes or revolutions that have occurred in the interpretation of the Bible during his own lifetime The author uses his own experiences to describe these revolutions and to reflect on what consequences they have had for his own life story The first revolution was the introduction of the historical critical approach The Bible was interpreted as historical in a broad sense not in all its details In a Roman university the author later found that this broad historical verification of the Bible became more and more problematic The second revolution is described as the Bible as Literature methodology This approach puts aside history and examines the Bible as a clever and subtle literary document which has controlled religious belief and practice but cannot be substantiated as historical fact There was a third

revolution Within the secular university scene the author became involved in the study of anthropology and sociology Judaism and Christianity were seen as religions amongst other religions their sacred writings were seen as sacred writings alongside others The new approach forces him to rethink the history of Israel the relevance of the Hebrew Scriptures and Judaism itself he also has to rethink the history of Jesus the relevance of the Christian Scriptures and Christianity This life journey should be of interest to those working in the fields of biblical and religion studies **The Ghost in the Universe** Taner

Edis,2009-12-02 Emphasizing the results of natural science physicist Taner Edis takes a fresh look at an age old question Is there a God or a spiritual reality beyond nature **Raised on the Third Day** W. David Beck,Michael R. Licona,2020-11-23

Did Jesus rise from the dead Is resurrection even possible There are numerous historical and philosophical challenges to belief in Jesus resurrection For many these questions are insurmountable Raised on the Third Day approaches these questions with critical and believing eyes Edited by W David Beck and Michael R Licona Raised on the Third Day collects essays from prominent contributors in the fields of philosophy history and apologetics Contributors including J P Moreland William Lane Craig Craig A Evans Beth M Sheppard and Sean McDowell evaluate scriptural historical moral and apologetic issues related to Christ s death and resurrection Essays on the Shroud of Turin and near death experiences round out the volume Inspired by the foundational work of Gary Habermas arguably the greatest contemporary Christian thinker on the resurrection these essays build upon his work and move the discussion forward Readers will better appreciate how Habermas has shaped scholarship on Christ s resurrection and further areas for exploration and discussion **Truth**

Considered and Applied Stewart E. Kelly,2011-07-05 A classroom text for philosophy and theology students learning to defend Christianity with love and truth in the context of history and against the challenges of postmodernist thought **The**

Brother of Jesus and the Lost Teachings of Christianity Jeffrey J. Bütz,2005-01-25 Reveals the true role of James the brother of Jesus in early Christianity Uses evidence from the canonical Gospels apocryphal texts and the writings of the Church Fathers to reveal the teachings of Jesus as transmitted to his chosen successor James Demonstrates how the core message in the teachings of Jesus is an expansion not a repudiation of the Jewish religion Shows how James can serve as a bridge between Christianity Judaism and Islam James has been a subject of controversy since the founding of the Church Evidence that Jesus had siblings contradicts Church dogma on the virgin birth and James is also a symbol of Christian teachings that have been obscured While Peter is traditionally thought of as the leader of the apostles and the rock on which Jesus built his church Jeffrey B tz shows that it was James who led the disciples after the crucifixion It was James not Peter who guided them through the Church s first major theological crisis Paul s interpretation of the teachings of Jesus Using the canonical Gospels writings of the Church Fathers and apocryphal texts B tz argues that James is the most overlooked figure in the history of the Church He shows how the core teachings of Jesus are firmly rooted in Hebraic tradition reveals the bitter battles between James and Paul for ideological supremacy in the early Church and explains how Paul s interpretations which

became the foundation of the Church are in many ways its betrayal B tz reveals a picture of Christianity and the true meaning of Christ s message that are sometimes at odds with established Christian doctrine and concludes that James can serve as a desperately needed missing link between Christianity Judaism and Islam to heal the wounds of centuries of enmity

The Pagan Christ Tom Harpur, 2009-05-26 A provocative argument for a mystical rather than historical understanding of Jesus leading to a radical rebirth of Christianity in our time For forty years scholar and religious commentator Tom Harpur has challenged church orthodoxy and guided thousands of readers on subjects as controversial as the true nature of Christ and life after death Now in his most radical and groundbreaking work Harpur digs deep into the origins of Christianity At a time of religious extremism Tom Harpur reveals the virtue of a cosmic faith based on ancient truths that the modern church has renounced His message is clear Our blind faith in literalism is killing Christianity Only with a return to an inclusive religion where Christ lives within each of us will we gain a true understanding of who we are and who we are intended to become *The Pagan Christ* is a book of rare insight and power that will reilluminate the Bible and change the way we think about religion

The Secret Legacy of Jesus Jeffrey J. Bütz, 2009-12-21 Shows how the true teachings of Jesus were passed down through the centuries and shaped the vision of the Founding Fathers Reveals for the first time the hidden link that connects James the Brother Islam the Cathars the Knights Templar and Freemasonry Shows how the Founding Fathers used these teachings enshrined in Masonic principles to build a new nation With the success of Paul s desire to impose his vision for the Church the true teachings of Jesus as preserved by his family and disciples were forced into hiding This clandestine movement was evidenced by such early groups as the Nazarenes Ebionites and Elkesaites but is generally thought to have died out when the Church of Paul branded these groups as heretics However despite the ongoing persecution by the Roman Catholic orthodoxy this underground Jewish strain of Christianity was able to survive and resist incorporation into its more powerful rival Jeffrey B tz author of *The Brother of Jesus and the Lost Teachings of Christianity* reveals for the first time the hidden theological link that connects James the Brother of Jesus and the Ebionites with the religion of Islam the Cathars the Knights Templar and Freemasonry In *The Secret Legacy of Jesus* B tz demonstrates how this centuries old underground stream of Christ s original teachings remained alive and how it surfaced again in Colonial America where the Founding Fathers used Masonic principles rooted in Jewish Christian teachings to establish what they believed would be a New Jerusalem With the rise of a fundamentalist Christianity this potent spiritual vision was lost but B tz contends it can be recovered and used to bring about the reconciliation of Christians Jews and Muslims throughout the world

Thank you for reading **Elusive Messiah A Philosophical Overview Of The Quest For The Historical Jesus**. As you may know, people have look hundreds times for their favorite books like this Elusive Messiah A Philosophical Overview Of The Quest For The Historical Jesus, but end up in infectious downloads.

Rather than reading a good book with a cup of tea in the afternoon, instead they juggled with some infectious virus inside their laptop.

Elusive Messiah A Philosophical Overview Of The Quest For The Historical Jesus is available in our digital library an online access to it is set as public so you can get it instantly.

Our books collection saves in multiple locations, allowing you to get the most less latency time to download any of our books like this one.

Merely said, the Elusive Messiah A Philosophical Overview Of The Quest For The Historical Jesus is universally compatible with any devices to read
