*Elvis: The Siege of Graceland and Other Stories* Robert Wells, 2022-04-13 A very different view of the world of Elvis Presley is presented in these comic fictional stories His manager Colonel Parker his family and the Memphis Mafia all feature in episodes such as the siege of Graceland when the military police try to arrest Elvis Fans of the King of Rock and Roll will learn of Liberace s hair raising encounter with Elvis s pet chimpanzee screen legend Greta Garbo coming out of retirement to make a film musical and the invitation from HM The Queen to Elvis to attend the Royal Highland Games Some stories are based on real events such as the Million Dollar Quartet and being drafted into the army but here they are given a comic twist They are written by a lifelong fan who asks Who d have thought Elvis and life at Graceland could be so funny *Radio Elvis and Other Stories* John H. Irsfeld, 2002 Urban legends Las Vegas and life in the U S Army are deftly captured in these stories by novelist John Irsfeld With imagination bordering on the quirky or absurd Irsfeld brings back to life a fictional character from Scott Fitzgerald s *The Great Gatsby* and presents Elvis as alive and in hiding years after his reported death *The Marriage Auditors* brings to mind George Orwell s 1984 only in this case it s not Big Brother watching individuals but a team who monitor marriages and force the dissolution of those they deem unsuccessful Irsfeld also writes of life as he has known it He has for instance lived in the shadow of the Las Vegas Strip for years In the Las Vegas stories he looks at the city and sees a playground where little about life seems real Tourists and residents alike operate in the sounds and shadows of the cards the wheels and the slots The army stories in this book spring from Irsfeld s own experiences in the U S Infantry With a thorough and probably hard earned knowledge of army ways he captures the reality of barracks life among men who may at

any time find themselves sent to a far off unfamiliar place called Vietnam Several of the stories follow one man eventually demonstrating the effect of the army on him when he becomes a civilian Irsfeld s view of America is not one of bucolic landscapes happy families or settled societies During these times of wars and rumors of war his tales fit our national life and express our fears and distractions The Real True Stories of the Fairy Tales Alex Jacobson,2014-11-12 In this book The Old Steam Engine who knows the real stories of what really happened in those fairy tales we all hear tries to set the record straight He is in fact the real Little Engine that Couldnt When a little girl named Regan happens upon the old steam engine he is an abandoned and broken down steam engine But he begins to speak to her He tells her that she has heard the wrong stories about what happened to people like Little Green Riding Hood and Snow Purple He tells the little girl that Little Green Riding Hood was not helpless and did not need a woodsman to save her So too Snow Purple did not need to marry a prince The real stories of the fairy tales tell children that real people are the heroes of the stories The uniqueness of the stories appeals to adults as well as children so that the adults reading the stories will find them fun to read and to discuss with the children *Elvis Sightings* Ricardo Sanchez,2014-09-29 I m Floyd no last name needed thanks and I m a P I The only other thing you need to know about me is that I m not an Elvis impersonator I live my life fast and hard and yes in sequined jumpsuits but more importantly I live my life the way Elvis would have wanted me to Honestly With integrity It was a tip that the King was still alive and living under an assumed name that brought me to Kresge Wyoming But there s something bigger than Elvis happening out here I ve been beaten bloody by an acrobatic bartender roped into the search for a missing councilman fallen for a bearded lady and threatened by men in black who really don t want me poking my nose into the town s business Half of my leads look like dead celebrities The other half are either refugees from a broken down circus or spear holding Viking wannabes I m in Crazytown USA but I can t leave Not yet If I don t find the missing councilman soon Kresge will be turned into a Danish themed amusement park I ve never been so close to finding Elvis And I need to know if my new self appointed sidekick James Morrison is really who he claims to be 81 000 words The Elvis Presley Story James Gregory,2016-06-06 First biography of Elvis Presley 1960 10 REASONS WHY THIS BOOK IS A MUST FOR EVERY ELVIS PRESLEY FAN A Beautiful Full Page Color Pinup of Elvis 32 Pages of Photos of Elvis His Friends and Family and His Four Movies A Specially Written Introduction by Dick Clark A Complete Listing of Elvis RCA Victor Records AND THESE SPECIAL NEVER BEFORE PUBLISHED STORIES ABOUT ELVIS The Fantastic Life of Elvis Presley The Whole Story of Elvis in the Army The Woman Behind Elvis A Fan s Tribute to Elvis Why the Future Looks Bright for Elvis An Advance Peek at Elvis New Movie G I Blues *Elvis After Elvis* Gilbert B. Rodman,2013-10-18 For a dead man Elvis Presley is awfully noisy His body may have failed him in 1977 but today his spirit his image and his myths do more than live on they flourish they thrive they multiply Why is Elvis Presley so ubiquitous a presence in US culture Why does he continue to enjoy a cultural prominence that would be the envy of the most heavily publicized living celebrities In *Elvis after Elvis* Gil Rodman traces the myriad

manifestations of The King in popular and not so popular culture He asks why Elvis continues to defy our expectations of how dead stars are supposed to behave Elvis not only refuses to go away he keeps showing up in places where he seemingly doesn't belong Rodman draws upon an extensive and eclectic body of Elvis sightings from Elvis's appearances at the heart of the 1992 Presidential campaign to the debate over his worthiness as a subject for a postage stamp and from Elvis's central role in furious debates about racism and the appropriation of African American music to the world of Elvis impersonators and the importance of Graceland as a place of pilgrimage for Elvis fans and followers Rodman shows how Elvis has become inseparable from many of the defining myths of US culture enmeshed with the American dream and the very idea of the United States caught up in debates about race gender and sexuality and in the wars over what constitutes a national culture

celebration that contains interviews of those intimately involved in the legacy of an intensely shy and disadvantaged boy from the wrong side of Tupelo Mississippi who went on to become one of the most idolized and imitated solo performer of all time Elvis Presley s life was the ultimate rags to riches story and it was the rags as much as the riches that drove him defined him and made him the global icon he is today Born in a shack in America s Deep South in 1935 to impoverished parents struggling in the wake of the Great Depression he sprung from a life of deprivation to one of international fame and untold wealth all before he was twenty Brought up dirt poor but surrounded by love and music from birth Elvis was infused with the sounds of gospel and the raw hard life blues of the cotton country s plantation workers And when the family radio brought country singers crooners and spiritual quartets to his young ears his musical DNA was fully formed Elvis boarding pass for the rocket ship to stardom was a voice of liquid gold and his striking appearance upgraded him to a VIP fast track ticket into the entertainment stratosphere His unique sense of style and musical talent went hand in hand in creating Elvis the Showman As a teenager before he sang a note it was his unconventional look that singled him out among his peers Later it was his voice that stopped a conservative 1950s America in its tracks This book looks at how Elvis broke down cultural and racial barriers and smiled in the face of safe dressing His bold outfits were his trademark yet no matter how dazzling they never outshone him They were also his force shield superhero costumes that protected him from anxiety pain the glare of the

spotlight and in difficult times from reality It considers how Elvis s extraordinary style as much as his pioneering music defined his life and the experiences that he lived through It includes exclusive interviews with Hal Lansky whose family dressed Elvis for three decades and who advised Austin Butler on what to wear playing him in the 2022 movie Elvis Award winning producer director Steve Binder who resurrected Elvis career and put him in that black leather suit for the 1968 Comeback Special Butch and Kim Polston who maintain Elvis legacy recreating his spectacular 1970s Vegas jumpsuits including those worn by Butler Elvis The King of Fashion marvels at how an intensely shy and disadvantaged boy from the wrong side of Tupelo Mississippi went from homespun to Hollywood in the blink of an eye and became the most popular successful idolized and imitated solo performer of all time Most of all it regards the rollercoaster life of Elvis the man through a fashion lens as he strode like a colossus through the world of showbusiness dressed like The King he never quite believed he was
