## **Embracing Esau:**

The Beginning of Wisdom Leon Kass, 2003-05-20 Imagine that you could really understand the Bible that you could read analyze and discuss the book of Genesis not as a compositional mystery a cultural relic or a linguistic puzzle palace or even as religious doctrine but as a philosophical classic precisely in the same way that a truth seeking reader would study Plato or Nietzsche Imagine that you could be led in your study by one of America's preeminent intellectuals and that he would help you to an understanding of the book that is deeper than you'd ever dreamed possible that he would reveal line by line verse by verse the incredible riches of this illuminating text one of the very few that actually deserve to be called seminal Imagine that you could get from Genesis the beginning of wisdom The Beginning of Wisdom is a hugely learned book that like Genesis itself falls naturally into two sections The first shows how the universal history described in the first eleven chapters of Genesis from creation to the tower of Babel conveys in the words of Leon Kass a coherent anthropology a general teaching about human nature that rivals anything produced by the great philosophers Serving also as a mirror for the reader's self discovery these stories offer profound insights into the problematic character of human reason speech freedom sexual desire the love of the beautiful pride shame anger guilt and death Something as seemingly innocuous as the monotonous recounting of the ten generations from Adam to Noah yields a powerful lesson in the way in which humanity encounters its own mortality In the story of the tower of Babel are deep understandings of the ambiguous power of speech reason and the arts the hazards of unity and aloneness the meaning of the city and its quest for self sufficiency and man's desire for fame immortality and apotheosis and the disasters these necessarily cause Against this background of human failure Part Two of The Beginning of Wisdom explores the struggles to launch a new human way informed by the special Abrahamic covenant with the divine that might address the problems and avoid the disasters of humankind's natural propensities Close eloquent and brilliant readings of the lives and educations of Abraham Isaac Jacob and Jacob's sons reveal eternal wisdom about marriage parenting brotherhood education justice political and moral leadership and of course the ultimate question How to live a good life Connecting the two parts is the book's overarching philosophical and pedagogical structure how understanding the dangers and accepting the limits of human powers can open the door to a superior way of life not only for a solitary man of virtue but for an entire community a life devoted to righteousness and holiness This extraordinary book finally shows Genesis as a coherent whole beginning with the creation of the natural world and ending with the creation of a nation that hearkens to the awe inspiring summons to godliness A unique and ambitious commentary a remarkably readable literary exegesis and philosophical companion The Beginning of Wisdom is one of the most important books in decades on perhaps the most important and surely the most frequently read book of all time *Embracing Esau* Rami M. Shapiro, 1993

Outlines original ways to merge religious life and personal life today      *Wrestling with God* Ahmed Musa,2024-12-13 Jacob's life is marked by ambition deception and a relentless pursuit of blessing but his greatest battle is yet to come Wrestling with God Jacob's Struggle for Blessing delves into the gripping story of a man who dared to face the divine in a fight that would change his destiny forever From the moment he seizes his brother Esau's birthright to his years of exile and service under Laban Jacob's journey is a turbulent quest for identity and favor But on a fateful night by the river Jabbok Jacob finds himself wrestling with a mysterious figure a struggle that is both physical and spiritual By dawn Jacob emerges transformed bearing a new name Israel and a deeper understanding of his calling This powerful narrative explores themes of perseverance redemption and the transformative power of encountering God Wrestling with God Jacob's Struggle for Blessing is a profound story of humanity's struggle to find purpose and the divine grace that meets us in our brokenness Perfect for readers who seek inspiration in the face of life's challenges and a deeper understanding of faith and resilience      **Listening to the Heart of Genesis** Leila Gal Berner,2021-02-04 For those seeking a fresh contemporary approach to the stories and themes of Genesis this book offers an inspiring gateway into the heart of the ancient text Both newcomers and seasoned readers will benefit from Rabbi Leila Gal Berner's invitation to personal contemplation Basing her work on a Christian method of reading Scripture lectio divina reading the holy Rabbi Berner's adaptation for Jews as kariat ha kodesh reading the sacred is welcoming and accessible to readers of all faiths After retelling each story from a very human perspective Rabbi Berner advances rabbinic perspectives that have illuminated each biblical saga over the centuries In addition she brings the text to life with contemporary stories of real people whose experiences echo the biblical stories A final section to each chapter suggests probing questions for personal contemplation and meditation which can be used both by individual readers as part of a spiritual practice and also by groups of spiritual seekers Group leaders will find a helpful facilitator's guide to structure their sessions Beginning with Rabbi Berner's own classes groups have formed throughout North America using her method      **Trembling Love** Casey Hobbs,2013-08-06 That we are afraid is no revelation Only God has the power to calm our fears and to make us courageous But what happens when God refuses to meet your expectations What happens when Jesus turns out to be more difficult to deal with more serious and more unpredictable than we once thought he was Will we wait on him to answer us Will we trust him when he seems to be making no sense In our hurry to offer each other hope have we neglected the true nature of the power and strength of God that makes him capable of helping us In this inquisitive and honest work Casey Hobbs determines to reacquaint us with the greatness of God and to draw us in to the goodness of God that only Jesus offers us      *The Heavenly Arcana* Emanuel Swedenborg,1873      *Arcana Coelestia* Emanuel Swedenborg,1855      *Arcana Coelestia* Emanuel Swedenborg,1873      **Jewish Tales and Legends: Supplementary Readings to the Torah** Mendel G.
