Embracing Jesus And The Goddeb A Radical Call For Spiritual Sanity:

Embracing Jesus and the Goddess Carl McColman, 2001-10-01 This is a call for synthesizing Christian spirituality and Wiccan practice The author seeks to demonstrate how the Pagan path and the Christian path can converge He asserts that a religious practice which celebrates both male and female heaven and earth is necessary for spiritual health Goddess Spirituality Mary Ann Beavis, 2015-10-08 This monograph focuses on Christian Goddess Spirituality CGS the phenomenon of mostly women who combine Christianity and Goddess Spirituality including Wicca Witchcraft Mary Ann Beavis s study provides ethnographic data and analysis on the lived religious experience of CGS practitioners drawing on interviews of over 100 women who self identify as combining Christianity and Goddess spirituality Although CGS also has implications for Goddess Spirituality and related traditions e g Neopaganism Wicca here CGS is considered primarily as a phenomenon within Christianity However the study also shows that the fusion of Christian and Goddess spiritualties has had an impact on non Christian feminist spirituality since Goddess worshippers have often constructed Christianity as the diametrical opposite and enemy of the Goddess to the point that some refuse to admit the possibility that CGS is a valid spiritual path or that it is even possible In addition biblical Jewish and Christian images of the divine such as Sophia Shekhinah the Virgin Mary and even Mary Magdalene have found their way into the Pagan Goddess pantheon The main themes of the study include overlaps and differences between Christian feminist theology and CGS the routes to CGS for individual practitioners and their beliefs practices and experiences proto denominational classifications spiritual paths within CGS CGS thealogy Christian discourse about the female divine and the future of CGS in social scientific and ecclesiological context Christian Goddess Spirituality will be of interest to scholars of religion especially those with interests in women and religion feminist spiritualities feminist theology thealogy alternative spiritualities New Religious Movements and emergent Christianities When Someone You Love is Wiccan Carl McColman, 2008-05-21 The author of The Complete Idiot's Guide to Paganism offers an accessible introduction to one of the world's most misunderstood spiritual practices Today the spiritual traditions of Wicca and Paganism are enjoying a renaissance among the world's fastest growing religions But for many years these life affirming belief systems have been tragically misunderstood Especially since so many Wiccan newcomers are young it is understandably a source of concern for many parents friends and associates of today s witches In this accessible volume spiritual scholar Carl McColman dispels the common misconceptions about Wicca and Paganism McColman offers an objective honest introduction to this newly popular old religion while providing comfort to worried readers Introduction to New and Alternative Religions in America William M. Ashcraft, Eugene V. Gallagher, 2006-10-30 Most new or alternative religious are gravely misunderstood by members of the religious mainstream Labeled cults or sects groups and their members are often ridiculed or otherwise disregarded as weird and potentially dangerous by the populace at large Despite their efforts at educating the general public the various anti and counter cult activists have in fact promoted much

more mis understanding than accurate understanding of the religious lives of some of their fellow citizens Consequently they have helped to create a very hostile environment for anyone whose religious practices do not fit within a so called mainstream This set rectifies the situation by presenting accurate comprehensive authoritative and accessible accounts of various new and alternative religious movements that have been and are active in American society and it addresses ways of understanding new and alternative religions within a broader context Determining what actually constitutes a new or alternative religion is a subject of constant debate Questions arise as to a new faith s legitimacy beliefs methods of conversion and other facets of a religious movement s viability and place in a given culture How a religion gains recognition by the mainstream which often labels such new movements as cults is fraught with difficulty tension and fear Here experts delineate the boundaries and examine the various groups beliefs movements and other issues related to new faiths and alternative beliefs Readers will come away with a fuller understanding of the religious landscape in America today Volume 1 History and Controversies discusses the foundations of new and alternative religions in the United States and addresses the controversies that surround them This volume helps readers better understand what makes a new or alternative belief system a religion and the issues involved Volume 2 Jewish and Christian Traditions explores the various new religions that have grown out of these two Abrahamic faiths Groups such as the Shakers the People's Temple the Branch Davidians Jehovah s Witnesses and others are examined Volume 3 Metaphysical New Age and Neopagan Movements looks at Shamanism Spiritualism Wicca and Paganism among other movements as they have developed and grown in the U S These faiths have found new and devoted followers yet are often misunderstood Volume 4 Asian Traditions focuses on those new and alternative religions that have been inspired by Asian religious traditions From Baha i to Soka Gakkai from Adidam to the Vedanta Society contributors look at a full range of groups practicing and worshiping in the U S today Volume 5 African Diaspora Traditions and Other American Innovations examines the various traditions linked to the African diaspora such as Rastafarianism Santeria and the Nation of Islam alongside traditions that are truly American incarnations like Scientology UFO religions and Heaven's Gate Some of the new and alternative religions covered in these pages include Shamanism Wicca Black Israelites Santeria Scientology Elan Vital Hare Krishna Soka Gakkai and many more **Modernism and** Fascism R. Griffin, 2007-05-22 Intellectual debates surrounding modernity modernism and fascism continue to be active and hotly contested In this ambitious book renowned expert on fascism Roger Griffin analyzes Western modernity and the regimes of Mussolini and Hitler and offers a pioneering new interpretation of the links between these apparently contradictory phenomena The Complete Idiot's Guide to Paganism Carl Mccolman, 2002-04-01 You re no idiot of course But finding the perfect expression of your spirituality can prove long and challenging You might already be attracted to paganism but considering the variety of traditions and paths that fall in this category you ll need a spiritual guide Seek no further Whether you re interested in following the pagan path or just curious to know more The Complete Idiot s Guide to

Hailson, Catherine Clark Kroeger, William David Spencer, 2010-09-01 The Goddess Revival is a Christianity Today Book Award Winner 1996 All of the authors are clearly sympathetic to the problems women have faced in the church throughout its history They empathize with women who shun the patriarchal oppression of their churches to turn to goddess spirituality They are also solidly grounded in the Scriptures Christian theology and church history They recognize the bondage imposed by goddess worship This book presents a scholarly and clear consideration of the issues involved and builds a strong case for Christianity as the most woman friendly alternative While providing a comprehensive study of goddess spirituality and examining the roots of the movement the authors focus primarily on God and the way people have understood God through the centuries in both paganism and the Judeo Christian tradition as both male and female They demonstrate how the uniqueness of God contrasts with the multiplicity of gods and goddesses in pagan spiritualities while comparing the values in both traditions that are similar that is a search for what is good inner empowerment unity positive social change In the process of building a clear Christian theology they gently counter the arguments of their pagan opponents In the end the reader is left with a glorious picture of the one true God and a clear apologetic for those in nursing who insist that the Christian God is too oppressive and patriarchal to merit our allegience The appendixes provide a powerful case study of a young woman drawn into witchcraft She explains why it appealed to her then how it enslaved her and destroyed her marriage and other relationships The two final appendixes offer some excellent biblical studies on the issues raised in the book The total package provides an outstanding resource Journal of Christian Nursing Goddess Calling Karen Tate, 2014-03-28 In ever increasing numbers women and men are seeking spirituality beyond traditional religious institutions

and more and more their new normal includes the deities ideals and archetypes of the Sacred Feminine They have a desire to get beyond the patriarchal dogma that often perpetuates sexism homophobia and the domination of Gaia and all her inhabitants including the body of Mother Earth Goddess Calling is designed to give individuals or those desiring to serve their communities a springboard to offer sermons from the pulpit with ideas to create a format for a regular gathering or service Easy to digest and sometimes gently following the seasons of the year and holidays already on most people s calendars these messages and meditations use Goddess archetypes ideals and mythology to provide content for education inspiration and contemplation for anyone seeking to incorporate a feminine face of God within their spirituality no matter Radical Passion Andrew Harvey, 2012-10-23 This culmination of award winning author Andrew Harvey s life s work bridges the great divide between spiritual resignation and engaged spiritual activism A manifesto for the transformation of the world through the fusion of deep mystical peace with the clarity of radical wisdom it is a wake up call to put love and compassion to urgent focused action According to Harvey we are in a massive global crisis reflected by a mass media addicted to violence and trivialization at a moment when what the world actually needs is profound inspiration a return to the heart centered way of the Divine Feminine the words of the mystics throughout the ages and the cultivation of the nonviolent philosophies of Gandhi Nelson Mandela Aung San Suu Kyi and the Dalai Lama Harvey's concepts of radical passion and sacred activism fly in the face of restraint of pessimism of denial of all that is inhumane fusing the mystic s passion for God with the activist s passion for justice and for healing the division between heaven and earth heart and will body and soul prayer and action Sacred activism asks that we engage deeply on a personal spiritual and political level so as to become a fully empowered fully active and contemplative humanity that can turn tragedy into grace and desolation into the opportunity to build and co create a new world Unlike many spiritual books Radical Passion does not veil the dark with artificial hope It explores the catastrophes of our current times and celebrates the ecstatic hope and divinity that is possible right now and in the future **Return of the Divine Sophia** Tricia McCannon, 2015-03-06 An initiatic journey into the Mysteries of the Goddess and humanity s return to an age of peace and celestial light Details the ceremonies and rituals of initiation into the Fellowship of Isis Reveals the lost teachings of Jesus about the Divine Mother and Father and how the goddess Sophia is connected to Mary Magdalene as the Female Christ Explores the many archetypes of the Goddess including Isis Brigit and the Black Madonna and how we can transform into Homo luminous spiritual beings of light Called through her dreams by the Priestesses of Isis Tricia McCannon set out on a spiritual journey into the Mysteries of the Goddess After a fateful encounter with a high initiate of the ancient Fellowship of Isis she began researching the history of Judaism and Christianity to find out how and when the Divine Feminine became lost She discovered a forgotten age when the Creator was honored as female and humanity lived in peaceful societies completely free of war She shows how we can return to an age of peace and celestial light if we work to bring the masculine and feminine energies of the world back into balance

Sharing her journey into the heart of the Divine Mother McCannon details her initiation into the Fellowship of Isis a process rich with ceremony ritual and myths of the Goddess from ancient Egyptian Celtic Greek Hebrew and Native American traditions She reveals how the many archetypes of the Goddess including Isis Ishtar Brigit and the Black Madonna can become our allies for self transformation She explores Mysteries at the heart of Christianity that have remained hidden for nearly 2 000 years and how the Gnostic goddess Sophia is tied to the Second Coming Mary Magdalene and the Female Christ She reveals the lost teachings of Jesus about the Divine Mother and Father and about the Divine Daughter and Son Through her story and her in depth research McCannon takes us on a journey to awaken the creative power of the Divine Feminine within each of us Equipped with the teachings of the Goddess we gain the mastery to overcome the deeply rooted masculine feminine imbalance of the patriarchy and to embark into the future as Homo luminous beings of light Godlust Kerry S. Walters, 1999 Explores how our innate desire for God and to be like God is often perverted into the arrogant lust to be God

CHRIST CONSCIOUSNESS - The True Way John Lawrence, 2025-02-21 For centuries Christianity has stood as the world s largest religion but how much of its foundation reflects the true teachings of Christ What if the true teachings of Christ have been hidden in plain sight waiting for humanity to rediscover their transformative power Christ Consciousness The True Way invites readers on a profound journey to uncover the essence of Christ s message one rooted in divine love unity and the infinite potential of human consciousness Breaking free from the fear based doctrines that have dominated for centuries this book reveals Christ s mission to guide humanity toward enlightenment and alignment with Universal Consciousness This book will empower you to break free from sin consciousness and embrace the transformative power of Christ Consciousness by providing a roadmap for awakening to the higher self Discover the truth about The transformative teachings of Jesus and their contrast with fear based doctrines How Pauline theology and the Roman Catholic Church reshaped Christ s message into tools of power and control The Gnostic traditions that preserved Christ s original teachings of love unity and divine oneness The historical suppression of sacred knowledge and alternative texts by the early Church How to transcend fear and embrace the power of divine Love Whether you re a seeker of spiritual truth a student of ancient wisdom or someone yearning for deeper meaning this book will inspire you to live a life of purpose compassion and oneness with the Divine Are you ready to embrace the transformative power of Christ Consciousness and discover the true way
