## **Embroideries From Snowhill:**

When the Lady Must Wed Jessie Clever, 2023-01-26 Lady Winnaretta Lowe has a terrible secret one that could ruin her sister's chance at happiness and love but it's not the secret every thinks it might be When Winnie was young and unattached she found herself with child when her lover was killed in battle on the Continent But that wasn't the worst of it It was that she fell in love with the man who offered to save her Fatally faithful Philip Hodge the Earl of Greylock promised his best friend he would save Lady Winnaretta but only the worse kind of tragedy made marriage unnecessary and Winnie released him from his promise to wed her Philip ever the gentleman has been forced to live with that loss for five long years in order to respect Winnie's wishes Now Winnie once again must marry but this time it's for far more precarious reasons She must marry a marquess to secure her place among the upper echelons of society and win her sister the engagement she desires It's a simple plan and one she's sure to fulfill Except her only mistake is in not realizing that five years ago she wasn't the only one who fell in love When the Lady Must Wed is the third book in the steamy heart stopping historical romance series The Secret Matchmaker Series If you love sexy spellbinding romance and heartwarming humor don't miss this captivating series from bestselling author Jessie Clever Discover adventure and romance when you download When the Lady Must Wed today

**Stitch-opedia: The Only Embroidery Reference You'll Ever Need** Helen Winthorpe Kendrick, 2010-05-11 Originally published London Quintet Publishing 2009 *Faded and Threadbare Historic Textiles and their Role in Houses Open to the Public* Margaret Ponsonby, 2016-04-15 Many historic houses that open to the public in England and Wales particularly those owned by the National Trust preserve their contents rather than restore them to a particular period The former owners of these houses often retained objects from various periods and this layering of history produces interiors that look aged and patinated Although the reason for this preservation and lack of fashionable renewable can be attributed to declining economic fortunes in the twentieth century there are many examples of families practising this method of homemaking over a much longer period Taking National Trust properties as its central focus this book examines three interlocking themes to examine the role of historic textiles Firstly it looks at houses with preserved contents together with the reasons for individual families choosing this lifestyle secondly the role of the National Trust as both guardian and interpreter of these houses and their collections and finally and most importantly the influence of textiles to contribute to the appearance of interiors and their physical attributes that carry historical resonances of the past The importance of preserved textiles in establishing the visual character of historic houses is a neglected area and therefore the prominence given to textiles in this project constitutes an original contribution to the study of these houses Drawing upon a range of primary sources including literature produced by the National Trust for their sites and documentary sources for the families and their houses such as diaries letters and household accounts the study takes a broad approach that will be of interest to all those with an interest in material culture heritage collecting studies and cultural history Sleep in Early Modern England Sasha

Handley,2016-08-15 A riveting look at how the early modern world revolutionized sleep and its relation to body mind soul and society Drawing on diverse archival sources and material artifacts Handley reveals that the way we sleep is as dependent on culture as it is on biological and environmental factors After 1660 the accepted notion that sleepers lay at the mercy of natural forces and supernatural agents was challenged by new medical thinking about sleep s relationship to the nervous system This breakthrough coincided with radical changes shaping everything from sleeping hours to bedchambers Handley s illuminating work documents a major evolution in our conscious understanding of the unconscious

**Object Lives and Global Histories in Northern North America** Beverly Lemire,Laura Peers,Anne Whitelaw,2022-03-30 Object Lives and Global Histories in Northern North America explores how close collaborative looking can discern the traces of contact exchange and movement of objects and give them a life and political power in complex cross cultural histories Red River coats prints of colonial places and peoples Indigenous made dolls and an Englishwoman s collection provide case studies of art and material culture that correct and give nuance to global and imperial histories The result of a collaborative research process involving Indigenous and non Indigenous contributors this book looks closely at the circumstances of making use and circulation of these objects things that supported and defined both Indigenous resistance and colonial and imperial purposes Contributors re envision the histories of northern North America by focusing on the lives of things flowing to and from this vast region between the eighteenth and the twentieth centuries showing how material culture is a critical link that tied this diverse landscape to the wider world An original perspective on the history of northern North American peoples grounded in things Object Lives and Global Histories in Northern North America provides a key analytical and methodological lens that exposes the complexity of cultural encounters and connections between local and global communities

**Women and Material Culture, 1660-1830** J. Batchelor,C. Kaplan,2007-06-15 This book comprises twelve illustrated interdisciplinary essays on gender and material culture across the eighteenth century These essays point to the many ways in which gender mediated and was shaped by the consumption and production of goods and elucidate the complex relationships between material and social practice in the period

**The Modern Venus** Elisabeth Gerner,2023-10-19 From rumps and stays to muffs and handkerchiefs underwear and accessories were critical components of the 18th century woman s wardrobe They not only created her shape but expressed her character sociability fashionability and even political allegiances These so called ephemeral flights of fashion were not peripheral and supplementary but highly charged artefacts acting as cultural currency in contemporary society The Modern Venus highlights the significance of these elements of a woman s wardrobe in 1770s and 1780s Britain and the Atlantic World and shows how they played their part in transforming fashionable dress when this was expanding to new heights and volumes Dissecting the female silhouette into regions of the body and types of dress and shifting away from a broad sweeping stylistic evolution this book explores these potent players within the woman s armoury Marrying material archival and visual approaches to dress history and drawing on a rich range of sources including

painted portraiture satirical prints diaries memoirs The Modern Venus unpacks dress as a medium and mediator in women s lives It demonstrates the importance of these overlooked garments in defining not just a woman s silhouette but also her social and cultural situation and thereby shapes our understanding of late 18th century life With over 125 color images The Modern Venus is a remarkable resource for scholars students and costume lovers alike      **Survey of Provincial Museums and Galleries** Great Britain.
