## Check patient

### Signs of SCA

- ▶ Unconscious
- ▶ Not breathing
- ▶ No circulation (no pulse)

If victim is unresponsive, activate the chain of survival; a series of steps and procedures, which together could save the life of a sudden cardiac arrest (SCA) victim.

**1**

### Call for help

Stay with the victim; send someone to CALL 911 and return with the AED.

**2**

### Start CPR

Begin CPR immediately to circulate oxygenated blood to the brain and body. As soon as the AED arrives, use it.

**3**

### Early Defibrillation

1. Turn on AED
2. Follow audible instructions
3. Press the shock button, if advised.

**4**

### Advanced Care

Have someone direct the paramedics to the scene and update them on the status of the victim.

### Act Fast!

SCA is the leading cause of death in the United States. Every minute that passes without CPR, the chance of survival drops by 10%. If you act fast, you can save a life.

### Importance of CPR

Without CPR, the brain and heart will stop working. CPR keeps the blood flowing to the brain and heart, giving the body a better chance to respond to defibrillation therapy.

### AEDs Are Safe

AEDs are safe and easy to use. They will only shock if it is needed. They are simple to operate, and they will not harm anyone. AEDs are designed to be used by anyone, even someone who has never used one before.

Notice where AEDs are located.

A sudden cardiac arrest (SCA) is a life-threatening condition that can occur without warning. Knowing how to respond quickly can increase the victim's chance of survival.

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
