Elizabeth Empress Of Austria:

The Reluctant Empress Brigitte Hamann, 2012-04-05 The real life tale behind Netflix's Empress Sisi and the Anarchist whose assassination in 1898 shocked the world Empress Elisabeth of Austria known to her family as Sisi belongs to a famous love story of European royalty In 1853 the Emperor Franz Josef the most eligible bachelor in Europe fell in love with her at first sight when she was 15 They were married the next year On the surface it was a fairy tale marriage all the more poignant with hindsight because her tragic death augured the twilight years of the Habsburg Empire First published in 1988 Brigitte Hamann's definitive biography tells Elisabeth's story from her birth into Bavarian nobility to her assassination at the hands of an Italian anarchist In her lifetime she was idolised solely for her grace and beauty but Hamann shows us a stronger character bitter at her marriage seeking independence and struggling against the powerful influence of her mother in law the Archduchess Sophie

Elisabeth, Empress of Austria Edward Morgan Alborough De Burgh, 1899

The Reluctant Empress Brigitte Hamann, 1986 Extremely interesting biography of Empress Elisabeth of Austria the beautiful and mysterious Queen who was the Romantic idol of 19th century Europe and was assassinated in 1898

Death by Fame Andrew Sinclair, 2024-03-26 A biography of the Empress of Austria a tale of rebellion scandal and murder that paints a vivid tragic picture of nineteenth century European royalty In 1898 anarchist Luigi Lucheni fatally stabbed Elisabeth Empress of Austria on Lake Geneva as she prepared to board a steamer from the Mont Blanc pier Her life had been one of both profound sadness and inspiring perseverance and in its course she set the style for the royal rebels who would follow her including Diana Princess of Wales While still a child Elisabeth was married to the Hapsburg prince Franz Josef heir to the Austrian Empire She gave him three children one of whom Crown Prince Rudolf would later commit suicide at Mayerling Finding the atmosphere of the Austro-Hungarian court stifling the increasingly erratic empress traveled incessantly Abandoning her husband to the attentions of the Viennese comic actress Katharina Schratt Elisabeth went on errands of mercy to the docks and slums of London and Liverpool Barcelona and Naples Smyrna and Marseilles She was the despair of local police who could not protect her even though she wore disguises She supported independence movements in Ireland where she hunted superbly alongside her close companion the English cavalryman Bay Middleton and also in Hungary an integral part of her husband's deteriorating empire When Lucheni assassinated the empress he killed the most alluring royal figure of the Victorian age But fame was her real executioner Her celebrity had led to her death Elisabeth had been driven into loneliness until she had lost all sense of reality pursuing a desperate liberty that a confined marriage would never allow her This biography tells her colorful tragic fascinating story A well-written thoroughly researched story of a popular and beautiful empress who while self-indulgent sought a life of privacy and peace and showed sympathy and charity toward the poor

Kirkus Reviews

Elisabeth, Empress of Austria and Queen of Hungary Clara Tschudi, E. M. Cope, 1901

Elisabeth: Empress of Austria and Queen of Hungary Various Authors, 2013-06-30 In nineteen fourteen it was enemy aliens In nineteen

thirty it was Wobblies In nineteen fifty seven it was fellow travelers And in nineteen seventy one Kenneth J Malone rolled wearily out of bed wondering what the hell it was going to be now One thing he told himself was absolutely certain it was going to be terrible It always was He managed to stand up although he was swaying slightly when he walked across the room to the mirror for his usual morning look at himself He didn't much like staring at his own face first thing in the morning but then he told himself it was part of the toughening up process every FBI agent had to go through You had to learn to stand up and take it when things got rough he reminded himself He blinked and looked into the mirror His image blinked back He tried a smile It looked pretty horrible he thought but then the mirror had a slight ripple in it and the ripple distorted everything Malone's face looked as if it had been gently patted with a waffle iron And of course it was still early morning and that meant he was having a little difficulty in focusing his eyes
