

Ellen Middleton.

Lady Georgiana Fullerton, Edward Moxon

Ellen Middleton

Julia Schneider

Ellen Middleton:

"So has a Daisy vanished" George Mamunes, 2007-10-24 This work places Emily Dickinson's poetry in a new setting examining the many ways in which Dickinson's literary style was affected by her experiences with tuberculosis and her growing fear of contracting the disease The author gives an in depth discussion on 73 of Dickinson's poems providing readers with a fresh perspective on issues that have long plagued Dickinson biographers including her notoriously shut in lifestyle her complicated relationship with the tuberculosis stricken Benjamin Franklin Newton and the possible real life inspirations for her terror since September

The Letters of Emily Dickinson Emily Dickinson, 1986 One of the Top 10 Books We Love Fresh Air The definitive edition of Emily Dickinson's correspondence expanded and revised for the first time in over sixty years Emily Dickinson was a letter writer before she was a poet And it was through letters that she shared prose reflections alternately humorous provocative affectionate and philosophical with her extensive community While her letters often contain poems and some letters consist entirely of a single poem they also constitute a rich genre all their own Through her correspondence Dickinson appears in her many facets as a reader writer and thinker social commentator and comedian friend neighbor sister and daughter The Letters of Emily Dickinson is the first collected edition of the poet's correspondence since 1958 It presents all 1 304 of her extant letters along with the small number available from her correspondents Almost 300 are previously uncollected including letters published after 1958 letters more recently discovered in manuscript and more than 200 letter poems that Dickinson sent to correspondents without accompanying prose This edition also redates much of her correspondence relying on records of Amherst weather patterns historical events and details about flora and fauna to locate the letters more precisely in time Finally updated annotations place Dickinson's writing more firmly in relation to national and international events as well as the rhythms of daily life in her hometown What emerges is not the reclusive Dickinson of legend but a poet firmly embedded in the political and literary currents of her time Dickinson's letters shed light on the soaring and capacious mind of a great American poet and her vast world of relationships This edition presents her correspondence anew in all its complexity and brilliance
