But against all odds three of them have found themselves back in the same place at their alma mater wondering how they got there. When they discover their fourth friend Hope has died Jenna Ireland and Vicky decide to embark on a wilderness adventure to honor her memory and for secret reasons of their own. Jenna wants to show her husband that she's more than a helpless overweight middle-aged empty nester. Ireland wants to get back to the nature she loves and hide from the charges being pressed against her. And Vicky wants to show she cares for something besides her ministry and put off the disaster waiting at home for as long as possible. They never bargained for the dangers they face in an unforgiving wilderness. Now they'll have to work together if they hope to make it home alive. While the three women fight to survive the elements their toughest battles may be with themselves.
