Elliott O'Donnells Casebook Of Ghosts:

Elliott O'Donnell's Casebook of Ghosts Elliott O'Donnell,1989-11-01 A collection of reports of ghosts and hauntings witnessed or recounted by the author

Haunted London James Clark,2007-08-31 From heart stopping accounts of apparitions manifestations and related supernatural phenomena to first hand encounters with ghouls and spirits this collection of stories contains new and well known spooky tales from famous sights and buildings in the centre of London Drawing on historical and contemporary sources Haunted London contains a chilling range of ghostly phenomena From the monk ghost who clanks his chain s on Buckingham Palace s terrace every Christmas Day the Phantom horse bus that occasionally rattles along Bayswater Road to the haunted Pig Tree a terrifying apparition that frequents Green Park the colourful tales featured here create a scary selection of ghostly goings on that is bound to captivate anyone interested in the supernatural history of the area

Elliott O'Donnell's Great Ghost Stories Elliott O'Donnell,1984-01-01 Haunted Aberdeen and District Geoff Holder,2010-12-26 From reports of haunted castles hotels public houses chapels and churchyards to heart stopping accounts of apparitions poltergeists and related supernatural phenomena this collection of stories contains both well known and hitherto unpublished tales from around the city of Aberdeen This spine tingling selection includes Fyvie Castle home to the Green Lady Aberdeen Central Library where the ghost of a former librarian still helps customers the Four Mile Inn whose staff have heard ghostly footsteps and His Majesty s Theatre said to be haunted by a ghost named Jake a theatre hand who was killed in a stage accident Richly illustrated with over seventy five photographs and ephemera Haunted Aberdeen is sure to appeal to all those interested in finding out more about Aberdeen s haunted heritage

Irish Novels 1890-1940 John Wilson Foster,2008-02-21 Studies of Irish fiction are still scanty in contrast to studies of Irish poetry and drama Attempting to fill a large critical vacancy Irish Novels 1890 1940 is a comprehensive survey of popular and minor fiction mainly novels published between 1890 and 1922 a crucial period in Irish cultural and political history Since the bulk of these sixty odd writers have never been written about certainly beyond brief mentions the book opens up for further exploration a literary landscape hitherto neglected perhaps even unsuspected This new landscape should alter the familiar perspectives on Irish literature of the period first of all by adding genre fiction science fiction detective novels ghost stories New Woman fiction and Great War novels to the Irish syllabus secondly by demonstrating the immense contribution of women writers to popular and mainstream Irish fiction Among the popular and prolific female writers discussed are Mrs J H Riddell B M Croker M E Francis Sarah Grand Katharine Tynan Ella MacMahon Katherine Cecil Thurston W M Letts and Hannah Lynch Indeed a critical inference of the survey is that if there is a discernible tradition of the Irish novel it is largely a female tradition A substantial postscript surveys novels by Irish women between 1922 and1940 and relates them to the work of their female antecedents This ground breaking survey should also alter the familiar perspectives on the Ireland of 1890 1922 Many of the popular works were problem novels and hence throw light on

contemporary thinking and debate on the Irish Question After the Irish Literary Revival and creation of the Free State much popular and mainstream fiction became a lost archive neglected evidence indeed of a lost Ireland **Elliott O'Donnell's Great Ghost Stories** Elliott O'Donnell,1984-02-01 The author recounts his experiences searching for ghosts and describes the history of each haunted site **Monsters** John Michael Greer,2021-10-31 An Investigator's Guide to Magical Beings that takes you on a harrowing journey into the realm of monsters and the reality of the impossible Monsters brings together folklore Western magical philosophy and field experience This book is required reading for both active and armchair monster hunters Between these covers you will find a chilling collection of fiendish facts and folklore such as why true vampires are the least attractive five different kinds of ghosts the magical origins of the werewolf legends hidden connections between faery lore and UFOs and where dragons are found today This is an essential field guide to monsters from angels to zombies with advice on monster investigation and magical self defence This latest edition not only has a new chapter on tulpas but the chapters on vampires and chimeras are significantly expanded with new material Plus the section on monster investigation has been thoroughly updated with details on new technology and the approach of the media to monster hunting *Spirits of the West* Robert C. Belyk,2014-04 The ghost of a scuba diver who still haunts the former British Columbia powerhouse where he met his death An Alberta theatre where entities have been seen heard and even felt so often that it deserves to be called one of the most haunted sites in North America The spirit of a dapper young man who is willing to share the second floor of a Saskatchewan museum as long as the employees don't linger after working hours The ghostly nun who still occupies the third floor of a former Manitoba convent and has a strange way of making her presence known The very frightening Captain High Liner who took a special interest in one family living in his old seaside house In his latest book in a series of western ghost story collections *Spirits of the West* Robert C Belyk relates the stories of ghosts both friendly and fearful who haunt museums hotels pubs houses and many other locations throughout western Canada These true stories will persuade the reader to turn on one more light during the long dark night **Chicorel Index to Parapsychology and Occult Books** Marietta Chicorel,1978 **A Brief Guide to Ghost Hunting** Leo Ruickbie,2013-08-15 There has been an upsurge in books television programmes films and websites exploring the reality or otherwise of the spirit world Not since the founding of The Ghost Club in 1862 and the Society for Psychical Research in 1882 has ghost hunting been so popular Television and the internet in particular have fueled this new level of interest creating a modern media phenomenon that spans the globe But while the demand for information is high good information remains scarce *A Brief Guide to Ghost Hunting* leads us through the process of ghost hunting from initially weighing the first report to choosing equipment and investigating and identifying the phenomena with an analysis of the best places to go looking methods of contacting the spirit world how to explain paranormal activity and crucially how to survive the encounter However it is also a book about ghost hunting itself drawing on 130 years of research in the cavernous archives of the Society for Psychical Research and even older history to find the

earliest ghost stories A Ghost Hunting Survey makes use of interviews with those billing themselves as ghost hunters to find out their views motivations and experiences New and original research makes use of statistics to map the nebulous world of apparitions while a Preliminary Survey of Hauntings offers an analysis of 923 reported phenomena from 263 locations across the UK This is as far as possible an objective presentation of ghosts and ghost hunting It is no wonder that mainstream science largely refuses to deal with the subject it is too complicated Without trying to convince you of any viewpoint this book is intended to help you understand more *Haunted Places* Dennis William Hauck,2002-08-27 In almost every town in America there are places where strange things happen The perfect companion to The International Directory of Haunted Places this revised and updated edition of Haunted Places is both a fascinating and unusual travel guide as well as an indispensable casebook for those interested in the paranormal From buildings and parks believed to have resident ghosts and poltergeists to areas where Bigfoot or UFO sightings are most frequently reported Haunted Places will lead you to more than 2 000 sites of paranormal activity across the United States Organized alphabetically by state each entry is referenced to an extensive bibliography of sources with descriptions addresses phone numbers Web sites and travel directions provided for all locations The British Library General Catalogue of Printed Books to 1975 British Library,1977 **Digging-Deep** John G. Sabol Jr.,2009-09-25 Digging Deep is an excavation of the archaeological site called John Sabol It is an unearthing of the author's memory of experiences of past presences that cuts across space time and culture Water mining operations dust and dirt dogs and wolves and ghosts are seen as important features that are recovered from these memory excavations Some of the recalled practices that are unearthed include an alternative remembrance of trick or treat the multiple symmetrical worlds of history myth and ghosts in Winchester England the haunting nature of archaeological excavations and field surveys the actor's encounters with more than a filmed death scene and a search for a legendary monster in Arkansas All of these memories are perceived as symmetrically interrelated though they originate in different places They are viewed as a form of theatrical ghosting a resonating element that unfolds time as events and activities are framed by their contemporary significance in the author's life In this process of excavation a recurring haunting drama manifests in the life of this archaeologist who also happens to be a cultural anthropologist actor and ghost excavator *Scottish Ghosts* Dane Love,2009-08-15 Scotland is a land of many ghosts and spirits and every corner of the country seems to have a least one ghost discover them for yourself in *Scottish Ghosts* A Dictionary of Ghosts Peter Haining,1999 A Dictionary of Ghosts defines all the various types of apparitions and creatures of superstition known through the centuries Recounting legends of famous hauntings it introduces you to the many mediums authorities and victims associated with ghosts Now you can learn about the domovoy's noisy Russian spirits who are willing to do household chores Lord Byron's encounters with a phantom monk and the Hairy Hands ghost who is said to strangle travellers along with banshees poltergeists exorcisms screaming skulls UFOs and all the other intriguing phenomena that have raised hair on the heads of believers and non believers around

the world *The Vampire in Folklore, History, Literature, Film and Television* ,2015-10-07 This comprehensive bibliography covers writings about vampires and related creatures from the 19th century to the present More than 6 000 entries document the vampire s penetration of Western culture from scholarly discourse to popular culture politics and cook books Sections by topic list works covering various aspects including general sources folklore and history vampires in literature music and art metaphorical vampires and the contemporary vampire community Vampires from film and television from Bela Lugosi s Dracula to Buffy the Vampire Slayer True Blood and the Twilight Saga are well represented **National Union Catalog** ,1973 **The Book Buyer's Guide** ,1969 **The Publishers Weekly** ,1971 **Book Review Index** ,1985 Every 3rd issue is a quarterly cumulation
