The Death and Resurrection of Elvis Presley Ted Harrison,2016-09-15 There is no other way to put it Elvis is the King Note the present tense even though Elvis supposedly died nearly forty years ago he has lived on in our hearts as a sound as an image and as an especially vigorous personality In fact it s safe to say no other celebrity has done so quite as well The Death and Resurrection of Elvis Presley is the story of that afterlife of Elvis after he left the building Walking the eccentrically carpeted rooms of Graceland bidding into stratospheric sums on his auctioned relics and mingling among the some 200 000 impersonators of his likeness Ted Harrison offers nothing less than the ultimate Elvis tribute Harrison begins of course in pilgrimage to Graceland He shows how Elvis s estate was pillaged nearly to ruin by his manager but was saved through the deft business acumen and financial vision of his divorced wife one Priscilla Presley If Graceland seems holy that s because it is Harrison unveils in Elvis s allure a deeply spiritual dimension showing how Elvis fans over the decades have anointed their idol with Christ like qualities Through Elvis s extravagance Harrison raises fascinating links between money and faith and through Elvis s life he shows how the King actually fulfilled a host of roles ranging from hero to martyr to saint Underpinning the whole story is Elvis s extraordinary charisma and lest we forget his astonishing musical genius Fascinating colorful and deeply informative this book is a must have for any fan anyone who was ever lucky enough to see Elvis alive or who hopes they might still be able to **The Faith of Elvis** Billy Stanley,2022-10-04 Behind the glamour and the crowds Beyond the movies and the records Apart from all who knew him wanted to know him or just wanted to be near him Billy Stanley knew Elvis Presley as a brother and as a man of deep faith From the day Billy Stanley arrived at Graceland and

received a bear hug from the King of Rock and Roll to the last conversation they ever had one thing stayed the same Elvis's passion for sharing God's love with as many people he could In *The Faith of Elvis* Billy illuminates Elvis's Christian journey from the notes Elvis made in his beloved Bible to his struggles with sin as his fame increased to his remarkable generosity toward fans and movie stars alike Through this first hand account you will find touching family stories of the Elvis that pop culture doesn't know a keen look into how Elvis intricately wove his faith into every part of his life insights into the ups and downs the four brothers experienced while at home and on the road together and examples of Elvis's profound influence on others from those closest to him to his cherished fans and ultimately the world at large Here you will find your own faith strengthened and your heart turned more toward heaven or as Elvis would say toward the only true King Includes a photo insert and discussion and reflection questions for group or individual use **Elvis** Jac Tharpe, 1979 *Elvis Through the Ages* Colin Slater and The Hollywood Photo Archive, 2019-09-25 From the beginning of his career to his death as the Hollywood icon Elvis Presley sang and enchanted thousands of people Publicity photos and behind the scenes shots from the Hollywood Photo Archives include scores of long been forgotten or abandoned images in neglected studio archives This book collects 100 of the rarest of the rare seldom previously seen images of his career For the Elvis fans who think that they have seen it all this book will provide a new lens on a beloved American icon *Elvis in the Public Sphere* Erika Doss, 1996

Elvis After Elvis Gilbert B. Rodman, 2013-10-18 For a dead man Elvis Presley is awfully noisy His body may have failed him in 1977 but today his spirit his image and his myths do more than live on they flourish they thrive they multiply Why is Elvis Presley so ubiquitous a presence in US culture Why does he continue to enjoy a cultural prominence that would be the envy of the most heavily publicized living celebrities In *Elvis after Elvis* Gil Rodman traces the myriad manifestations of The King in popular and not so popular culture He asks why Elvis continues to defy our expectations of how dead stars are supposed to behave Elvis not only refuses to go away he keeps showing up in places where he seemingly doesn't belong Rodman draws upon an extensive and eclectic body of Elvis sightings from Elvis's appearances at the heart of the 1992 Presidential campaign to the debate over his worthiness as a subject for a postage stamp and from Elvis's central role in furious debates about racism and the appropriation of African American music to the world of Elvis impersonators and the importance of Graceland as a place of pilgrimage for Elvis fans and followers Rodman shows how Elvis has become inseparable from many of the defining myths of US culture enmeshed with the American dream and the very idea of the United States caught up in debates about race gender and sexuality and in the wars over what constitutes a national culture
