JUNE JUANICO

Elvis In The Twilight Of Memory Presley

Mary Hancock Hinds

Elvis In The Twilight Of Memory Presley:

Elvis June Juanico, 1997 June Juanico recounts her romance with Elvis Presley in Biloxi Mississippi in the summer of 1955

All the King's Horses Kimberly Gatto, Victoria Racimo, 2017-08-14 When Elvis Presley decided he wanted to buy a horse in 1966 he didn't want just any horse. He wanted a Golden Palomino. Priscilla Presley remembers. He would get up at 3:00 in the morning go to certain farms and ranches and say, "Do you have a Golden Palomino for sale?" People would say, "That was Elvis Presley." Elvis's legendary love of horses drove him to find the Golden Palomino who would become his beloved companion, Rising Sun, and to fill Graceland's stables and Circle G Ranch with horses for family and friends to ride. In the first ever book dedicated to Elvis's equestrian side, horse lovers Kimberly Gatto and Victoria Racimo share rare stories, interviews, and photographs that shed light on the beautiful, quiet life the King lived when he was with his horses.

Songbooks Eric Weisbard, 2021-04-23 In *Songbooks*, critic and scholar Eric Weisbard offers a critical guide to books on American popular music from William Billings's 1770 *New England Psalm Singer* to Jay Z's 2010 memoir *Decoded*. Drawing on his background editing the *Village Voice* music section, coediting the *Journal of Popular Music Studies*, and organizing the Pop Conference, Weisbard connects American music writing from memoirs, biographies, and song compilations to blues novels, magazine essays, and academic studies. The authors of these works are as diverse as the music itself: women, people of color, queer writers, self-educated scholars, poets, musicians, and elites discarding their social norms. Whether analyzing books on Louis Armstrong, the Beatles, and Madonna, the novels of Theodore Dreiser, Gayle Jones, and Jennifer Egan, or varying takes on blackface minstrelsy, Weisbard charts an alternative history of American music as told through its writing. As Weisbard demonstrates, the most enduring work pursues questions that linger across time period and genre: cultural studies in the form of notes on the fly, on sounds that never cease to change meaning.

History with Elvis Bradford E. Loker, 2011-12

Double Trouble Greil Marcus, 2000-09-21 Focusing on Bill Clinton, Elvis Presley, Hilary Clinton, Nirvana, Sinéad O'Connor, Andy Warhol, and especially Bob Dylan, Marcus pursues the question of how culture is made and how, through culture, people remake themselves. Jacket.

Elvis: The King of Fashion Lorraine Gibson, 2024-12-31 A marvel and celebration that contains interviews of those intimately involved in the legacy of an intensely shy and disadvantaged boy from the wrong side of Tupelo, Mississippi, who went on to become one of the most idolized and imitated solo performers of all time. Elvis Presley's life was the ultimate rags-to-riches story, and it was the rags as much as the riches that drove him, defined him, and made him the global icon he is today. Born in a shack in America's Deep South in 1935 to impoverished parents struggling in the wake of the Great Depression, he sprung from a life of deprivation to one of international fame and untold wealth. All before he was twenty. Brought up dirt poor but surrounded by love and music from birth, Elvis was infused with the sounds of gospel and the raw, hard life blues of the cotton country's plantation workers. And when the family radio brought country singers, crooners, and spiritual quartets to his young ears, his musical DNA was fully formed. Elvis' boarding pass for the rocket ship to stardom

was a voice of liquid gold and his striking appearance upgraded him to a VIP fast track ticket into the entertainment stratosphere His unique sense of style and musical talent went hand in hand in creating Elvis the Showman As a teenager before he sang a note it was his unconventional look that singled him out among his peers Later it was his voice that stopped a conservative 1950s America in its tracks This book looks at how Elvis broke down cultural and racial barriers and smiled in the face of safe dressing His bold outfits were his trademark yet no matter how dazzling they never outshone him They were also his force shield superhero costumes that protected him from anxiety pain the glare of the spotlight and in difficult times from reality It considers how Elvis s extraordinary style as much as his pioneering music defined his life and the experiences that he lived through It includes exclusive interviews with Hal Lansky whose family dressed Elvis for three decades and who advised Austin Butler on what to wear playing him in the 2022 movie Elvis Award wining producer director Steve Binder who resurrected Elvis career and put him in that black leather suit for the 1968 Comeback Special Butch and Kim Polston who maintain Elvis legacy recreating his spectacular 1970s Vegas jumpsuits including those worn by Butler Elvis The King of Fashion marvels at how an intensely shy and disadvantaged boy from the wrong side of Tupelo Mississippi went from homespun to Hollywood in the blink of an eye and became the most popular successful idolized and imitated solo performer of all time Most of all it regards the rollercoaster life of Elvis the man through a fashion lens as he strode like a colossus through the world of showbusiness dressed like The King he never quite believed he was [The Biography Book](#) Daniel S. Burt,2001-02-28 From Marilyn to Mussolini people captivate people A E s Biography best selling autobiographies and biographical novels testify to the popularity of the genre But where does one begin Collected here are descriptions and evaluations of over 10 000 biographical works including books of fact and fiction biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians Each entry includes a brief profile autobiographical and primary sources and recommended works Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title helping readers to find the best biographical material available on hundreds of fascinating individuals

Elvis, Man and God Estelle Hough,2023-03-19 There really is only one thing that needs to be said here The only reason you are not mesmerized by Elvis Presley is because you don t know enough about him If you are new to Elvis this book is for you If you are a long standing fan you may be surprised this book is also for you Links are provided to YouTube videos Writing in normal script is true as far as can be ascertained by cross referencing biographies memoirs interviews and videos about Elvis Script in italics is sometimes based on truth sometimes fantasy Expect some hagiography and spiritual references they are difficult to avoid when dealing with Elvis An Elvis favorite quote Ye shall know the truth and the truth shall set you free *The Printed Elvis* Steven Opdyke,1999-09-30 More than 400 books have been published on the American musical icon Elvis Presley This critical annotated guide contains reviews of the varied literature on Elvis from his career and its social

and political aspects to biographies and discographies The annotated literature not only includes works by family friends and musical peers but also references and guides to Elvis collectibles Each entry details in addition to pertinent publishing and author information the specific perspectives and information unique to the literature The author provides assessments made by Elvis peers and an introductory essay discusses the surrounding contradictions and the enduring fascination with Elvis By covering the vast and different Elvis literature available this guide will appeal to scholars and fans alike Organized by type of literature the guide is easy to reference Informative addenda include a guide to collecting Elvis books and a chronological listing of Elvis books In addition to a general index the guide is indexed by author by songs films and album titles and by books magazines and publications This compilation offers valuable assistance and critical information to anyone researching some aspect of Elvis and his career

Don'T Cry Darlin' Pepper Ritter,2011-09-02 The author writes about her close encounter with Elvis Presley March 12 1988 almost eleven years after it was reported he had died She also shares a conversation Elvis had with an Anchorage disc jockey at radio station KYAK Friday morning October 14 1988

Scary Monsters Mark Duffett,Jon Hackett,2021-01-14 Popular music and masculinity have rarely been examined through the lens of research into monstrosity The discourses associated with rock and pop however actually include more monsters than might at first be imagined Attention to such individuals and cultures can say things about the operation of genre and gender myth and meaning Indeed monstrosity has recently become a growing focus of cultural theory This is in part because monsters raise shared concerns about transgression subjectivity agency and community Attention to monstrosity evokes both the spectre of projection which invokes familial trauma and psychoanalysis and shared anxieties that in turn reflect ideologies and beliefs By pursuing a series of insightful case studies Scary Monsters considers different aspects of the connection between music gender and monstrosity Its argument is that attention to monstrosity provides a unique perspective on the study of masculinity in popular music culture

Inventing Elvis Mathias Haeussler,2020-12-10 Elvis Presley stands tall as perhaps the supreme icon of 20th century U S culture But he was perceived to be deeply un American in his early years as his controversial adaptation of rhythm and blues music and gyrating on stage performances sent shockwaves through Eisenhower s conservative America and far beyond This book explores Elvis Presley s global transformation from a teenage rebel figure into one of the U S s major pop cultural embodiments from a historical perspective It shows how Elvis s rise was part of an emerging transnational youth culture whose political impact was heavily conditioned by the Cold War As well as this the book analyses Elvis s stint as G I soldier in West Germany where he acted as an informal ambassador for the so called American way of life and was turned into a deeply patriotic figure almost overnight Yet it also suggests that Elvis s increasingly synonymous identity with U S culture ultimately proved to be a double edged sword as the excesses of his superstardom and personal decline seemingly vindicated long held stereotypes about the allegedly materialistic nature of U S society Tracing Elvis s story from his unlikely rise in the 1950s right up to his tragic death in August 1977 this book offers a

riveting account of changing U S identities during the Cold War shedding fresh light on the powerful role of popular music and consumerism in shaping images of the United States during the cultural struggle between East and West **Being Elvis** Ray Connolly,2016-11-03 The perfect companion to Baz Luhrmann s forthcoming biopic Elvis a major motion picture starring Tom Hanks and Austin Butler What was it like to be Elvis Presley What did it feel like when impossible fame made him its prisoner As the world s first rock star there was no one to tell him what to expect no one with whom he could share the burden of being himself of being Elvis On the outside he was all charm sex appeal outrageously confident on stage and stunningly gifted in the recording studio To his fans he seemed to have it all He was Elvis With his voice and style influencing succeeding generations of musicians he should have been free to sing any song he liked to star in any film he was offered and to tour in any country he chose But he wasn t free The circumstances of his poor beginnings in the American South which as he blended gospel music with black rhythm and blues and white country songs helped him create rock and roll had left him with a lifelong vulnerability Made rich and famous beyond his wildest imaginings when he mortgaged his talent to the machinations of his manager Colonel Tom Parker there would be an inevitable price to pay Though he daydreamed of becoming a serious film actor instead he grew to despise his own movies and many of the songs he had to sing in them He could have rebelled But he didn t Why In the Seventies as the hits rolled in again and millions of fans saw him in a second career as he sang his way across America he talked of wanting to tour the world But he never did What was stopping him BEING ELVIS takes a clear eyed look at the most loved entertainer ever and finds an unusual boy with a dazzling talent who grew up to change popular culture a man who sold a billion records and had more hits than any other singer but who became trapped by his own frailties in the loneliness of fame The Encyclopedia of Popular Music: Morricone, Ennio - Rich Kids Colin Larkin,2006 Containing 27 000 entries and over 6 000 new entries the online edition of the Encyclopedia of Popular Music includes 50% more material than the Third Edition Featuring a broad musical scope covering popular music of all genres and periods from 1900 to the present day including jazz country folk rap reggae techno musicals and world music the Encyclopedia also offers thousands of additional entries covering popular music genres trends styles record labels venues and music festivals Key dates biographies and further reading are provided for artists covered along with complete discographies that include record labels release dates and a 5 star album rating system **Mississippi Women** Martha H. Swain,Elizabeth Anne Payne,Marjorie Julian Spruill,2010-02-01 Some of the women are well known others were prominent in their time but have since faded into obscurity and a few have never received the attention they deserve BOOK JACKET

Infinite Elvis Mary Hancock Hinds,2001 Here for the first time anywhere is a precise measurement of a celebrity s impact on American culture This annotated highly readable listing details the verified book titles magazines dissertations and significant articles about Elvis Presley The entries show that Elvis was more than just a popular culture phenomenon Besides documentation of his concerts the food he ate and posthumous Elvis sightings here is the proof of Elvis s impact on every

aspect of American life his invention of rock n roll his spurring of the sexual revolution his influence on the civil rights movement how his death changed the media s treatment of celebrities and how a new religion devoted to Elvis has become part of the mainstream *The Encyclopedia of Popular Music* Colin Larkin,2011-05-27 This text presents a comprehensive and up to date reference work on popular music from the early 20th century to the present day *TV Guide* ,2004 **The Tao of Elvis** David H. Rosen,2013-11-01 The Inner Man vs The Mythical King With a scholar s mind and an Elvis fan s heart eminent psychiatrist and Jungian analyst Dr David H Rosen illuminates both the inner Elvis and the myth of Elvis in popular culture An inspirational perceptive personal and truly innovative exploration of Elvis a rock and roll idol who was a deeply spiritual being well beyond his well known gospel and blues singing The Tao of Elvis includes essays by two New York Times Best Selling Authors Thomas Moore author of *Care of the Soul A Guide for Cultivating Depth and Sacredness in Everyday Life* contributes a foreword in which he asks pivotal questions about the parallel destinies of Elvis and America Clarissa Pinkola Estes author of *Women Who Run with the Wolves Myths and Stories of the Wild Woman Archetype* has contributed a free wheeling afterword passionately expressing how Elvis s beautiful flame of life rocked the post war world and rocks her still Forty two chapters representing the forty two years of Elvis s life contain perceptive and inspiring quotations from the world s most perceptive thinkers as well as from the people who knew Elvis best In a most readable fashion Rosen unites the varied voices into each chapter s theme Tao Opposites Child Mother Father Family and Friends Spirit Soul and Religion Love Music and Song Grace and Gentleness Darkness Sorrow and Sadness Light Fire and Passion Dreams Giving and Generosity Alone and Loneliness Twinning and Pairing Man of Tao Innocence and Play Knowledge and Wisdom Image Persona and Shadow Truth and Truth of Character Happiness and Joy Virtue Beauty Nature and Water Work Business Transcendence and Transformation Success and Failure Home Graceland King Pain and Suffering Harmony and Balance Prisoner and Freedom Destiny Meditation and Health Madness and Illness Compassion and Forgiveness Mirror Purpose and Meaning Prayer and Sacrifice Death and Rebirth Spiritual Wholeness The Tao of Elvis is fully illustrated with Chinese papercut inspired artwork by Diane Katz and includes a the artist s annotations for each chapter and thorough Notes and Bibliography **Book Review Index** ,2003 Vols 8 10 of the 1965 1984 master cumulation constitute a title index
