Washington D C is every American's home away from home. Since DC is a compact city with great public transportation, it's easy to explore both its high profile side and its magnificent monuments, world class museums, enthralling architecture, breathtaking vistas, and unique national parks, as well as its less famous persona: its cozy hideaways, ethnic eateries, bustling dance clubs, lively theaters, shopaholic hot spots, and more. Now it's a foodies paradise enlivened with high tech entrepreneurs and innovative buildings in entirely new and safer neighborhoods. Now with *Walking Washington D C* by local author Barbara J Saffir, people can get to know the communities of D C. Each walk tells the story of a neighborhood, a snapshot of some of its history, and how it has transformed over the years. Readers will be pointed to distinctive architecture, landmark buildings, popular eateries, ethnic enclaves, art and performance spaces, and natural scenery. Maps and transportation directions make it easy to find your way. Whether you're looking for an afternoon stroll or a daylong outing, grab this book and start walking Washington D C. After a few miles or a few days, you might fall in love. **Washington**, 1993 **Overseas Real Estate**

, 1927 *Overseas presence framework for assessing embassy staff levels can support rightsizing initiatives.*, 2002

Following the 1998 terrorist bombings of two U S embassies in Africa that resulted in more than 220 deaths and 4 000 injuries, there have been recurring calls to evaluate and realign or rightsize the number and location of staff at U S embassies and consulates and to consider staff reductions where practical to reduce security vulnerabilities. The administration showed its support for rightsizing in the President's Management Agenda by directing all agencies operating overseas to rightsize their presence. The Office of Management and Budget (OMB) is implementing this rightsizing initiative by analyzing the U S overseas presence and reviewing the staffing allocation process. Given the high costs of maintaining more than 30 000

Mexicans and foreign nationals overseas and the events of September 11 2001 that highlighted the security vulnerability of Americans worldwide the administration s rightsizing initiative aims to reconfigure U S government overseas staff to the minimum number necessary to meet U S foreign policy goals In May 2002 we presented testimony on a framework for determining the appropriate number of staff to be assigned to a U S embassies As you requested this report presents the framework discussed in our testimony that outlines the key criteria for evaluating the U S overseas presence along with examples of key questions that may be useful in making the right decisions
