**Childhood** Shweta Upadhyay,2018-01-20 Writing this book is one of the ways of revisiting and reliving my childhood Education aims at overall development of the child Education with its holistic approach nurtures pupils and makes them compassionate and empathetic as well Empathy is a quality that is practised more by the children than elders Being with children made me a better learner While they were busy learning their specific subjects in a well organised environment my mind was engaged in exploring their world enriched with knowledge creativity curiosity and challenges The quest of how when and where never ends in childrens world Their minds are like open parachutes Let the children learn their lessons from different streets of the town and then practise those lessons whenever and wherever they are needed Let the academic

lessons be learned in nature's lab and demonstrated in handling the mundane challenges of human life. Let non-scholastic lessons of moral science step out of lesson plans and let skills be demonstrated in various social platforms. Let the complete model of education aim at acknowledging and appreciating the initiatives taken by the children for any act of kindness. A girl unknowingly demonstrating leadership skills considering it as an act of kindness brings a paradigm shift in the lives of some children who deserve every bit of happiness but have been missing it. A collaborative effort on one platform and an empathetic attitude make her a role model to be followed.

*The Vicks Mango Tree* Anees Salim, 2020-01-31 A few months after a state of Emergency has been clamped on India Raj Iyer a fledgling journalist living in the alley of the Vicks mango tree goes underground to resurface some years later in a corner of the Municipal Park as a bronze statue. No one is sure exactly why he has become so famous though there is talk of a book being written on him which hails him as a modern hero of Mangobaag. *The Vicks Mango Tree* is the story of the tiny fictional region of Mangobaag and India as she limps through twenty-one months of suspended civil liberties, half-hearted revolts and stern censorships. It is also the tale of Teacher Bhatt, Rabia Sheik and Shankar Iyer, ordinary people in pursuit of their middle-class dreams and local legends like Maharaja Muneer Shah, Miss Myna and Dr. Abid Ali who live and die in the dying light of a glorious past. Full of odd characters and piquant situations and alive with the politics and possibilities of a not-so-long-ago time in India's history *The Vicks Mango Tree* is a compelling first novel.
