Laycock, 2009-05-14 This book about real vampires and the communities they have formed explores the modern world of vampirism in all its amazing variety Long before Dracula people were fascinated by vampires The interest has continued in more recent times with Anne Rice's Lestat novels Buffy the Vampire Slayer the HBO series True Blood and the immensely popular Twilight But vampires are not just the stuff of folklore and fiction Based upon extensive interviews with members of the Atlanta Vampire Alliance and others within vampire communities throughout the United States this fascinating book

looks at the details of real vampire life and the many expressions of vampirism as it now exists In Vampires Today The Truth about Modern Vampirism Joseph Laycock argues that today s vampires are best understood as an identity group and that vampirism has caused a profound change in how individuals choose to define themselves As vampires come out of the coffin as followers of a religion or lifestyle or as people biologically distinct from other humans their confrontation with mainstream society will raise questions as it does here about how we define normal and what it means to be human Series Cinsearae Santiago, 2009 **Abraxas** Cinsearae Santiago, 2009-04-06 Abraxas clanster Jonathan stumbles upon a skeleton key he believes was part of someone s Halloween costume What it really winds up being is a demon s not so subtle way of getting Jonathan to do his dirty work for him Jonathan's wishes start to give his Clan more headache and hassle than the fun he hoped they would as fellow trick or treaters and party goers start becoming the things they re dressed up as with Contemporary Esotericism Egil Asprem, Kennet Granholm, 2014-09-11 The horrifying results and much MUCH worse study of contemporary esoteric discourse has hitherto been a largely neglected part of the new academic field of Western esotericism Contemporary Esotericism provides a broad overview and assessment of the complex world of Western esoteric thought today Combining historiographical analysis with theories and methodologies from the social sciences the volume explores new problems and offers new possibilities for the study of esoterica Contemporary Esotericism studies the period since the 1950s but focuses on the last two decades The wide range of essays are divided into four thematic sections the intricacies of esoteric appeals to tradition the role of popular culture modern communication technologies and new media in contemporary esotericism the impact and influence of esotericism on both religious and secular arenas and the recent de marginalization of the esoteric in both scholarship and society Shadow Magick Compendium Raven Digitalis, 2008 Embracing the darkness is part of divine balance Everyone has a shadow a dark side Exploring the shadow self is not only safe it's necessary for balance and healing The author of Goth Craft invites you down a unique magical path for navigating inner and outer darkness and harnessing the shadow for spiritual growth Shadow Magick Compendium sheds a positive light on this misunderstood and rarely discussed side of magical practice. There are ritual meditations for exploring past experiences dispelling harmful behavior patterns and healing a fractured soul Learn how to safely fast and perform other methods of self sacrifice invoke a deity into yourself godform assumption get in touch with your Spirit Animal take advantage of the Dark Moon and eclipses and perform a unique ritual with your television for a new perspective on society From astral journeys to sigils to dark herbs you ll find an array of magical techniques to navigate the shadows and mysteries of yourself Allure of the Vampire Corvis Nocturnum, 2009 The mere mention of vampires used to be enough and the world at large to make people think of a nocturnal predator But over the centuries the vampire has changed from monstrous villain to sexual object for both men and women alike Allure of the Vampire examines our intimate attraction to these beings in a detailed manner Now join occult author Corvis Nocturnum as he reveals the fascinating evolution of this icon as it has lured

The strains of unearthly piano music emanated through the rooms of a 1920s era mansion once belonging to Al Capone s lawyer The wraithlike spirit of a little boy is seen walking precariously along a river dam Join author Marie Helena Cisneros as she weaves the area s vibrant history together into some of Newaygo County's most chilling tales Holy Yesterday Mythical Tomorrow Ricky Firman, 2025-02-01 From fiery sacrifices to viral memes the divine narrative of humanity has been anything but dull Holy Yesterday Mythical Tomorrow How Religions Become Myth is a bold darkly comedic exploration of the lifecycle of faith and a thought provoking follow up to Ricky Firman's acclaimed book Holy Olympics Religions War for Relevance and Dominance While Holy Olympics tackled the competitive struggle of religions to assert their dominance in a modern world this sequel shifts focus to the inevitable transformation of those same faiths into mythology In this latest work Ricky examines how gods are born from humanity s fears ignorance and creativity only to be retired to the realms of myth when time progress and logic outpace their relevance This book dissects the rise and fall of deities across civilizations from the grandeur of Zeus s thunderbolts to the eerie rituals of Mesoamerican gods and speculates how the gods worshipped today might fare in the distant future With biting wit and incisive commentary Ricky connects the sacred to the satirical revealing the absurdity of divine politics the commodification of faith and the endless human quest for meaning As humanity marches forward with science and technology as its new priests Holy Yesterday Mythical Tomorrow ponders the cosmic irony of how ancient beliefs persist in the age of information The book culminates in a speculative hilarious vision of what the gods of tomorrow might look like in a world ruled by AI aliens and billionaire messiahs Whether you re a skeptic a believer or something in between this book will provoke entertain and challenge your view of religion and its inevitable transformation into myth Because in the end the sacred and the absurd have always been partners in humanity s eternal cosmic joke Dark Visions the Art of
