Ntolo,2008-07 Strengthening Your Good Heart , If You Were God Would You Choose You Rick Renner, Same Sex Marriage and Church Law Kevin Mahoney,2014-05-31 In this book layperson Kevin Mahoney argues that Christian churches should embrace same sex marriage Although many conservative Christians including St Paul reject homosexuality due to the laws of Moses Kevin points out that very few if any of these three thousand year old Mosaic laws are upheld today and that homophobia is contrary to the spirit and manner of our Lord Jesus Christ Kevin highlights the many passages in the Bible that support the view that Jesus reformed the covenant that God gave Moses and that this paves the way for Christianity s adoption of LGBT rights Jesus himself never condemned homosexuality however He did illuminate the hypocrisy of the Pharisees Kevin argues that the Pharisees are very much alive today in the form of conservative Christians that proscribe homosexuality Since most of the laws against homosexuality around the world have a religious basis then this book s demolition of the conservative Christian argument against homosexuality will also be instructive for non religious LGBT rights campaigners Using the Parable of the Prodigal Son as an analogy Kevin outlines how liberal and conservative Christians can finally agree on the divisive issue of same sex marriage *Between the Ambo and the Altar* Guerric DeBona,2014-10-02 The publication of The Roman Missal Third Edition offers an opportunity for homilists to explore the relationship between the Sunday readings and the new Roman Missal Between the Ambo and the Altar is the second book Year B in a three volume series that presents scriptural liturgical and preaching commentary for Sundays solemnities and feasts throughout the year Each Sunday s resources are presented in three sections exploring the Scripture connecting the Lectionary with the liturgy and a homiletic strategy DeBona takes the preacher through a meditation on the language of the Missal suggests parallels to the Sunday Lectionary and gives practical homiletic strategies using core themes and images It is hoped that the commentary advances a framework for homily preparation so that preachers might savor the deep meaning

of the word of God which unfolds each year in the liturgy Benedict XVI Verbum Domini 52      **First and Second Timothy Commentary** Dr. Derrick Holyfield, 2011-09-21 After reading the first and second books of Timothy in the Bible people invariably have many questions Can a woman serve in the church Is it permissible for a pastor deacon or elder to drink wine Are certain foods permitted Based on extensive research and study First and Second Timothy Commentary answers all those questions and more Dr Derrick Holyfield breaks down the meaning of each verse into simple easy to understand language definitively showing how Pauls letters still pertain to Christians today Dr Holyfield provides a brief summary of each chapter and then digs deep into the text to share Pauls wisdom He coaches his commentary within the historical context of society during Paul and Timothys time From how Christians need to stand firm in the word of God and the difference between law and grace to the various qualifications for church leaders Dr Holyfield delivers a timely interpretation of this important Scripture Ideal for family Bible studies Sunday school teachers pastors and everyone in between First and Second Timothy Commentary will challenge inspire and renew your faith      **The Greatest** Cyril K. Nwozor PhD, 2017-05-31 At the same time came the disciples unto Jesus saying who is the greatest in the kingdom of heaven And Jesus called a little child unto him and set him in the midst of them and said Verily I say unto you except ye be converted and become as little children ye shall not enter into the kingdom of heaven Whosoever therefore shall humble himself as this little child the same is greatest in the kingdom of heaven Matthew 18 14 Nothing can be more humiliating than that time when the disciples should have had such contentions and in such a time and place When just as Jesus was cogitating his own death and laboring to prepare them for it they strived and contended about office and rank This shows how deeply seated the love of power and authority is Do you want to be greatest Have a childlike character says the Lord It takes no title to be a great leader Being wealthy does not make one a great leader That you are educated with highest accolade in education does not qualify you to be a great leader A great leader is one who is humble and has a servants heart he is one who rules guides inspires and treats others as he would like to be treated Having influence or power over others is not leadership that is dictatorship A great leader is that person who possesses the ability to lead others like Christ led and has potential to teach others He is one with the ability to identify gifts and talents in others and guide them to potential A leader is someone God has chosen and people choose to follow one who loves and positively influences others to do things they may not otherwise do Ideally an effective great leader is a person who imitates Christs style of leadership a person full of compassion integrity and humility and is not a dictator Again do you want to be greatest Have a childlike character think like a child love like a child trust and have faith in God like a child

O'Day, David L. Petersen, 2009-04-28 Most one volume Bible commentaries focus on standard scholarly issues answering questions such as who wrote the book who was addressed and how is the book structured In contrast this is the first one volume commentary to emphasize theological questions what does each biblical book say about God how does the book describe God and portray God's actions and who is God in these biblical books This volume meets the need for a resource that puts the best of scholarship in conversation with the theological claims of the biblical text      **A Dictionary of Opera Characters** Joyce Bourne Kennedy, 2008 A unique reference work containing over 2 500 A-Z entries on operatic characters Includes synopses for over 200 operas and operettas as well as feature articles written by well known personalities from the world of opera including Plácido Domingo and Dame Janet Baker It is an essential book for anyone with an interest in opera      *Debating Authority* Katharina Pyschny, Sarah Schulz, 2018-07-23 Human leadership is a multifaceted topic in the Hebrew Bible This holds true not only for the final form of the texts but also for their literary history A large range of distributions emerges from the successive sharpening or modification of different aspects of leadership While some of them are combined to a complex figuration of leadership others remain reserved for certain individuals Furthermore it can

be considered a consensus within the scholarly debate that concepts of leadership have a certain connection to the history of ancient Israel which is though hard to ascertain Up to now all these aspects of human leadership have been treated in a rather isolated manner Against this background the volume focuses on the different concepts of leadership in the Pentateuch and the Former Prophets Concepts like priest prophet judge and king are examined in a literary religious tradition historical and theological perspective Hence the volume contributes to biblical theology and sheds new light on the redaction reception history of the Pentateuch and the Former Prophets Not least it provides valuable insights into the history of religious and or political authorities in Israel and Early Judaism s      *Applied Old Testament Commentary* Tom Hale, Steve Thorson, 2007 The wisdom found in God s Word is timeless as relevant today as when it was first written And the challenge for believers remains unchanged how do we apply these truths to our everyday world The Applied Commentary series is a fresh approach to Bible study connecting great wisdom with your life today Each Scripture passage is enhanced with insights on key themes and ideas Featured articles provide a deeper look at essential concepts while the contemporary language allows for easy reading And because some subjects are open to interpretation for discussion we ve included perspectives from leading theologians from all backgrounds and denominations The result An interactive approach to Scripture that will challenge your ideas and build your faith which is what reading the Bible is all about      *Luther's Theology of the Cross* Dennis Ngien, 2018-06-11 Luther was fundamentally a preacher pastor a care taker of souls whose ingenuity lies in his usage of the biblical message as a source of pastoral encouragement This book seeks to capture the often overlooked pastoral side of the Reformer through an examination of his sermons on John s gospel The sermons on John show the intrinsic close and causal link between doctrine and consolation They are an exercise of his vocation as a pastor or more precisely as a theologian of the cross who seeks to inculcate the good news of justification by faith in his people leading them to experience it within the dialectic of law and gospel St John said Luther is the master in the article of justification Luther s theological method namely his theology of the cross permeates and governs the exposition of the text and all major themes of his theology Christology Trinity and soteriology appear in his exegesis of John      Malachi's Message to God's Church Today Gerald Flurry, Philadelphia Church of God, 2013-10-17 This is a story about God s Church gone off track and what God did to correct the tragedy In this booklet A Call to Remembrance Hold Fast Laodicean Era Following Elijah End Time Joshua in Bondage Man of Sin Prophecy Not Church Division Malachi s Message This ebook is offered completely free of charge by the Philadelphia Church of God However please note that Google Play will need a verified Google Wallet account which requires your credit card information In a small number of countries a temporary authorization of 1 will be charged to your account but will be refunded This refund can take up to 1 month to process      The Embracing Life, Spirit, Faith, and Adversity (Gifts of Freedom, Book 1) Greg Rice, 2011-07-28 Our society is blindly chasing after freedom financial freedom freedom from sadness we re on a quest for spiritual truth yet these pursuits leave most of us on an endless treadmill The truth is life
