American Jihad: A Love Story V. Diorio (V. B. D. D. D.), 2018-03-08 After losing my father and my first love at a very early age I began to seek answers to life's eternal questions including Why are we here I then met Ken at the New York World's Fair and tentatively accepted his offer of taking self defense lessons Ken told me that I would become a teacher but for years I

fought against the idea Eventually I did become a teacher of learning disabled students but only recently did I truly understand what Ken s lessons meant The lessons led me on a journey that redefined everything I thought to be true It s been said When the student is ready the teacher will appear Ken appeared to me when the time was right and his words are being offered to those ready to hear them I am not a writer but feel compelled to spread Ken s story Unbelievable to even myself at times it offers insight and enlightenment to those who listen to its lessons with open minds and hearts

The End of Animal Farming Jacy Reese, 2018-11-06 A bold yet realistic vision of how technology and social change are creating a food system in which we no longer use animals to produce meat dairy or eggs Michael Pollan s *The Omnivore s Dilemma* and Jonathan Safran Foer s *Eating Animals* brought widespread attention to the disturbing realities of factory farming *The End of Animal Farming* pushes this conversation forward by outlining a strategic roadmap to a humane ethical and efficient food system in which slaughterhouses are obsolete where the tastes of even the most die hard meat eater are satisfied by innovative food technologies like cultured meats and plant based protein Social scientist and animal advocate Jacy Reese analyzes the social forces leading us toward the downfall of animal agriculture the technology making this change possible for the meat hungry public and the activism driving consumer demand for plant based and cultured foods Reese contextualizes the issue of factory farming the inhumane system of industrial farming that 95 percent of farmed animals endure as part of humanity s expanding moral circle Humanity increasingly treats nonhuman animals from household pets to orca whales with respect and kindness and Reese argues that farmed animals are the next step Reese applies an analytical lens of effective altruism the burgeoning philosophy of using evidence based research to maximize one s positive impact in the world in order to better understand which strategies can help expand the moral circle now and in the future *The End of Animal Farming* is not a scolding treatise or a prescription for an ascetic diet Reese invites readers vegan and non vegan to consider one of the most important and transformational social movements of the coming decades

HIS LOVE. HER FANTASY Adrian Gabriel Dumitru, Annie P David, His love Her fantasy understanding what love is about As friends as a man but also as a woman we try to define the undefined from a love story Dreaming about love and being in love the path from the fantasy to the love story itself is just a matter of luck or maybe where you find yourself on the timeline of your own life Maybe is the perfect time for you to explore what love is about or maybe other things are important at the moment and the love story can only be a future project Exploring what love is about in our minds as a fantasy or in the real life as a real love story is depending only and only if we are ready or not But what is the difference between fantasy and reality when even the Bible is saying that everything we see is just an illusion Well i believe that the fantasy is only the begining of defining what we want and the love story is the experiment itself Is it too much to name a love story an experiment Well exploring as a fantasy or as reality is letting your soul understand what love is about And sometimes is even a life lesson The moment when you jump into the fairy tale the real fantasy and you understand the meaning of love the fact that love is about giving and not about receiving that is the moment when you also understand what life is about Accepting your partner just as he she is just as accepting all the people from our lives is the moment of awakening Me Adrian and my dear Annie are only trying to define the unseen path from fantasy to the love story itself And also let you know that this path is leading you to point when your thinking will be totally redefined Life itself is about love Seeing what love is about is understanding the meaning of life If the love chapter started for you even if it s just a fantasy of reality you should be happy The awakening will come to you
