Think and Believe Frederick W. Marks, 2012 A coherent forceful and compelling case for God and the Church founded by Jesus of Nazareth This is a remarkable achievement of solid factual information that is loaded with ammunition for the new evangelization Contains colorful vignettes of historic moments alternating with sustained argument Marks challenges the reader to set aside long held assumptions and prejudices Jesus is the only one who proclaimed himself sinless and the only one who ever claimed to be God His followers converted an entire empire without resort to violence and after winning Rome they not only gave the world its calendar but transformed pagan culture beyond recognition These hard cold facts are presented here with copious notes for easy identification of persons events or doctrines that may be unfamiliar The reader will also find a detailed index and useful appendices

The Third Series* Thomas Goodwin (D.D.), 1848 *The Articles of Faith: A Series of Lectures of Christ of Latter-Day Saints* James E.

Talmage, 2016-09-07 The lectures herewith presented have been prepared in accordance with the request and appointment of the First Presidency of the Church The greater number of the addresses were delivered before the Theology Class of the

Church University and after the close of the class sessions the lectures were continued before other Church organizations engaged in the study of theology To meet the desire expressed by the Church authorities that the lectures be published for use in the various educational institutions of the Church the matter has been revised and is now presented in this form In anticipation of probable question or criticism regarding the disparity of length of the several lectures it may be stated that each of the addresses occupied two or more class sessions and that the present arrangement of the matter in separate lectures is rather one of compilation than of original presentation The author s thanks are due and are heartily rendered to the members of the committee appointed by the First Presidency whose painstaking and efficient examination of the manuscript prior to the delivery of the lectures has inspired some approach to confidence in the prospective value of the book among members of the Church The committee here referred to consisted of Elders Francis M Lyman Abraham H Cannon and Anthon H Lund of the Quorum of the Twelve Apostles Elder George Reynolds iv one of the Presidents of the Presiding Quorum of Seventy Elder John Nicholson and Dr Karl G Maeser The lectures are now published by the Church and with them goes the hope of the author that they may prove of some service to the many students of the scriptures among our people and to other earnest inquirers into the doctrines and practices of the Church of Jesus Christ of Latter day Saints

Nicene and Post-Nicene Fathers: First Series, Volume V St. Augustine: Anti-Pelagian Writings Philip Schaff,2007-05-01 The Council of Nicaea in 325 AD marked the beginning of a new

era in Christianity For the first time doctrines were organized into a single creed The Nicene and Post Nicene Fathers did most of their writing during and after this important event in Church history Unlike the previous era of Christian writing the Nicene and Post Nicene era is dominated by a few very important and prolific writers In Volume V of the 14 volume collected writings of the Nicenes and Post Nicenes first published between 1886 and 1889 readers will discover Saint Augustines rebuke of Pelagianism This doctrine undermined Augustines beliefs because it claimed that original sin did not exist Since there was no original sin humans were saved or lost based solely on their own will This further meant that Jesus while a great teacher and model human being did not die to save humanity negating a large portion of Christian doctrine Augustine believed that salvation was available only by the grace of God working in conjunction with mans decision to live a good life Spiritual seekers and students of history will find this work a thorough defense of Catholic theology
