Following The Lamb:

Following the Lamb Keith T. Marriner II, 2016-01-11 Jesus parting words to his followers were for them to Go therefore and make disciples of all nations Matt 28 19 This being the case shouldn't we be concerned with gaining a full understanding of discipleship from the entire New Testament corpus Many scholars recognize that the theme of discipleship is found throughout the New Testament even in Revelation with all of its symbolism and bizarre imagery But how does it do this The focus of this study through the use of content analysis methodology is to demonstrate that the theme of discipleship is not only found in the Apocalypse but is also exceedingly relevant for Christians today In many parts of the world Jesus disciples are facing opposition and persecution for their testimony to Jesus Christ It would do Christians well to read the book of Revelation once again As they read it this time through the eyes of the oppressed the content of the book will prove extremely valuable to aid disciples of Jesus in their efforts to follow the Lamb wherever he goes Rev 14 4 no matter what the cost

Follow the Lamb Rob Dalrymple, 2018-02 Dalrymple's guide provides key principles in reading Revelation responsibly The first key is that the book is about Jesus his supremacy and sovereignty The second key is that the language and images used in the book of Revelation derive from the Old Testament Though many readers get caught up in the mire of John's imagery and the exhaustive efforts to discern what the symbols mean this principle simplifies the search for meaning Each chapter in Follow the Lamb concludes with an important For Further Study section making it an ideal resource for individual or group study These questions and exercises and reflection guides make personal application of Revelation meaningful and rich

Follow the Lamb Wherever He Goes Andy Rapko, 2022-01-24 The world is changing at a rapid pace and most people are busy just trying to keep up Some are moving in the right direction some in the wrong direction and many are just running without much thought about where they are going Who will you follow today What are you living for What are you willing to die for The book of Revelation brings these questions to the forefront and presents us with clear concise answers about the world situation our life and eternity Most importantly though Revelation introduces us to Jesus the Lamb of God As you meet Jesus you will be astounded by His beauty power and glory But you will also be faced with a choice Will you be one who follows the Lamb wherever He goes In this book Pastor Andy Rapko presents clear Biblical teaching balanced with practical insights Follow the Lamb wherever He goes will challenge you to live life to the fullest through a life transforming relationship with Jesus the Lamb of God *The Golden lamp; or, Truth in love for the children of God*,

Darnell, 2014-06-09 Following the Lamb is a book written to magnify Jesus Christ in the lives of believers Pete Darnell

expresses the importance of moving from an academic understanding and relationship with Jesus to a personal daily friendship with the Savior The basis for this friendship is the Word of God as we see Christ clearly within its pages Because of this Pete points his readers to the importance of learning of Jesus within the Scriptures and how to do so *The Evangelical Repository and United Presbyterian Worker* ,1875 **Grove chapel pulpit [sermons].** Thomas Bradbury,1879

Follow the Lamb Douglas D. Webster,2014-09-16 The Revelation builds conviction inspires worship and encourages patient endurance This is a prison epistle like no other a disciple making tract a manifesto an extraordinary treatise on Christ and culture and a canonical climax We come expecting to learn the ABCs of the end times and the Apostle John gives us the fullness and fury of his Spirit inspired praying imagination Meaning is not found in cleverly devised interpretations but in God s redemptive story The apostle s purpose was to strengthen the people of God against cultural assimilation and spiritual idolatry not to stimulate end times speculation The Revelation is a sustained attack against diluted discipleship with an unrelenting focus on the immediacy of God s presence in the totality of life Nothing escapes the gaze of Christ **Following the Lamb** Christina Le Moignan,2000 Introduces a fascinating yet little read book to the non specialist and faces squarely some of the difficulties which present day readers may have with Revelation *Moral Treatises Of St. Augustine* St. Augustine of Hippo,2012 This volume is accurately annotated including an extensive biography of the author and his life working interactive footnotes The moral treatises contain much that will instruct and interest the reader while some views will appear strange to those who fail to distinguish between different ages and different types of virtue and piety Augustine shared with the Greek and Latin fathers the ascetic preference for voluntary celibacy and poverty He accepted the distinction which dates from the second century between two kinds of morality a lower morality of the common people which consists in keeping the ten commandments and a higher sanctity of the elect few which observes in addition the evangelical counsels so called or the monastic virtues He practiced this doctrine after his conversion He ought to have married the mother of his son but in devoting himself to the priesthood he felt it his duty to remain unmarried according to the prevailing spirit of the church in his age His teacher Ambrose and his older contemporary Jerome went still further in the enthusiastic praise of single life We must admire their power of self denial and undivided consecration though we may dissent from their theory Contents St Augustine On Continence De Continentia St Augustine On The Good Of Marriage De Bono Conjugali Notice St Augustine Of Holy Virginitate De Virginitate St Augustine On The Good Of Widowhood De Bono Viduitatis St Augustine On Lying De Mendacio St Augustine To Consentius Against Lying Contra Mendacium St Augustine Of The Work Of Monks De Opere Monachorum St Augustine On Patience De Patientia St Augustine On Care To Be Had For The Dead De Cura Pro Mortuis Footnotes *Watching the Devil Dance* William Toffan,2020-11-10 The unbelievable true story of Canada s first known spree killer told by a veteran of the Royal Canadian Mounted Police In June 1966 Matthew Charles Lamb took his uncle s shotgun and wandered down Ford Blvd in Windsor Ontario At the end of the bloody night two teenagers lay dead with
