# Following In Fathers Footsteps Social Mobility In Ireland

**Hiroshi Ishida, David H. Slater**

## **Following In Fathers Footsteps Social Mobility In Ireland:**

**Following in Father's Footsteps** Michael Hout, 1989 This is the first systematic study of patterns of social mobility in Ireland It covers a recent period the 1960s when Ireland was undergoing rapid economic growth and modernization The author thus was able to test the widely accepted hypothesis that growth weakens class barriers To his surprise he found that it did not Social mobility increased somewhat but among mobile men the better jobs still went to those from advantaged social class origins Despite economic development and demographic change the underlying link between social origins and career destinations remained unchanged In chapters on education life cycle religion and farming Michael Hout shows how inequality persists in contemporary Ireland In the last chapter he reviews evidence from other countries and concludes that governments must take action against class barriers in education and employment practices if inequality is to be reduced Economic growth creates jobs he argues but economic growth alone cannot allocate those jobs fairly Research in Social Stratification and Mobility Kevin T Leicht, 2001-02-13 This text reflects the growing diversity of perspectives methods and insights currently used in social stratification research Authors discuss the following broad themes from an international perspective the changing real and symbolic boundaries of social stratification who benefits from rapidly changing markets immigration marginalization and exclusion and modelling occupational mobility The contributions demonstrate the changing nature of social stratification systems in today's global and fragmented economy Social Mobility in Nineteenth- and Early Twentieth-Century England A. Miles, 1999-04-12 This pioneering book provides the first systematic historical analysis of occupational and social mobility in England Using a collection of over 10 000 marriage certificates to examine intergenerational change and almost 500 autobiographical texts and abstracts to explore the dynamics of career mobility it shows how the development of the nineteenth century economy was accompanied by rising rates of mobility which made English society more open while at the same encouraging a distinct process of working class formation **Social Mobility in Europe** Richard Breen, 2004-11-25 Social Mobility in Europe is the most comprehensive study to date of trends in intergenerational social mobility It uses data from 11 European countries covering the last 30 years of the twentieth century to analyze differences between countries and changes through time The findings call into question several long standing views about social mobility We find a growing similarity between countries in their class structures and rates of absolute mobility in other words the countries of Europe are now more alike in their flows between class origins and destinations than they were thirty years ago However differences between countries in social fluidity that is the relative chances between people of different class origins of being found in given class destinations show no reduction and so there is no evidence supporting theories of modernization which predict such convergence Our results also contradict the long standing Featherman Jones Hauser hypothesis of a basic similarity in social fluidity in all industrial societies with a market economy and a nuclear family system There are considerable differences between countries like Israel and Sweden where

societal openness is very marked and Italy France and Germany where social fluidity rates are low Similarly there is a substantial difference between for example the Netherlands in the 1970s which was quite closed and in the 1990s when it ranks among the most open societies Mobility tables reflect many underlying processes and this makes it difficult to explain mobility and fluidity or to provide policy prescriptions Nevertheless those countries in which fluidity increased over the last decades of the twentieth century had not only succeeded in reducing class inequalities in educational attainment but had also restricted the degree to which among people with the same level of education class background affected their chances of gaining access to better class destinations

Social Mobility and Political Attitudes Frederick C. Turner, This volume provides a fundamental rethinking of the old literature on mobility and politics and a reassessment of interpretive schemes based upon it Turner s findings indicate that much is to be learned from subjecting even cherished assumptions to the rigors of survey research and analytical techniques

*Social Stratification, Class, Race, and Gender in Sociological Perspective, Second Edition* David Grusky, 2019-09-05 The volume offers essential reading for undergraduates who need an introduction to the field for graduate students who wish to broaden their understanding of stratification research and for advanced scholars who seek a basic reference guide Although most of the selections are middle range theoretical pieces suitable for introductory courses the anthology also includes advanced contributions on the cutting edge of research The editor outlines a modified study plan for undergraduate students requiring a basic introduction to the field

*Irish Society* Patrick Clancy, 1995

**The Irish in Post-War Britain** Enda Delaney, 2007-09-20 This fascinating portrait of Britain s oldest migrant group combines rich historical detail with penetrating insights into the everyday experiences of the Irish who made Britain their home after 1945 The Irish in Post war Britain reconstructs with both empathy and imagination the lives of the generation who left Ireland in huge numbers to work in Britain during the 1940s and 1950s Its original approach demonstrates that any understanding of a migrant group must take account of both elements of the society that they had left as well as the social landscape of their new country and explores the ethnic diversity of post war Britain

Generating Social Stratification Alan C Kerckhoff, 2018-03-05 In this book some of the leading stratification scholars in the U S present empirical and theoretical essays about the institutional contexts that shape careers Building on recent advances in theory data and analytic technique the essays in this volume work toward the goal of identifying and assessing the processes by which a birth cohort is distributed in the stratification system given their positions of origin in that system Alan Kerckhoff s introduction situates the studies in this volume within the context of previous stratification research over several generations making the book an invaluable resource for scholars and graduate students

**Precise Poverty Alleviation and Intergenerational Mobility in China** Chunjin Chen, 2022-12-27 The widening of income and wealth inequality has become one of the most important obstacles on the road to China s common prosperity In the context of inequality reduction and anti poverty strategy in China this book investigates the complex relationship between education and intergenerational mobility

in terms of occupation and income Based on large scale social survey data cutting edge econometric models and statistical methods the book examines the role of education in breaking the intergenerational transmission of poverty and promoting intergenerational mobility It analyzes the characteristics of birth cohorts in intergenerational mobility the long term trends of educational occupational and income mobility among rural and urban residents across generations and also the different regional patterns of intergenerational mobility against the background of social changes in China Based on empirical findings the author advances suggestions on an education policy conducive to poverty alleviation The book will appeal to scholars and students studying the sociology of education the economics of education and Chinese education as well as policy makers interested in the topics of education policy systems and poverty alleviation as well as education equity and social mobility

*Social Class in Contemporary Japan* Hiroshi Ishida,David H. Slater,2009-10-16 Post war Japan was often held up as the model example of the first mature industrial societies outside the Western economy and the first examples of middle mass society Today and since the bursting of the economic bubble in the 1990 s the promises of Japan Inc seem far away *Social Class in Contemporary Japan* is the first single volume that traces the dynamics of social structure institutional socialization and class culture through this turbulent period all the way into the contemporary neoliberal moment In an innovative multi disciplinary approach that include top scholars working on quantitative class structure policy development and ethnographic analysis this volume highlights the centrality of class formation to our understanding of the many levels of Japanese society The chapters each address a different aspect of class formation and transformation which stand on their own Taken together they document the advantages of putting Japan in the broad comparative framework of class analysis and the enduring importance of social class to the analysis of industrial and post industrial societies Written by a team of contributors from Japan the US and Europe this book will be invaluable to students and scholars of Japanese society and culture as well as those interested in cultural anthropology and social class alike

### **Research Handbook on Intergenerational Inequality**

Elina Kilpi-Jakonen,Jo Blanden,Jani Erola,Lindsey Macmillan,2024-05-02 The Research Handbook on Intergenerational Inequality is motivated by a core question in social science to what extent does one s family background and childhood experience predict success in life Bringing together experts in their respective fields from across the globe this innovative Research Handbook provides a comprehensive multidisciplinary account of the rich research on intergenerational inequality focusing on its origins in sociology and economics This title contains one or more Open Access chapters

*The I.R.A. at War 1916-1923* Peter Hart,2003-11-20 Between 1916 and 1923 Ireland experienced rebellion and mass mobilization guerrilla and civil war partition and ethnic conflict and the transfer of power from British to Irish governments The essays in *The I R A at War* propose a new history of this Irish revolution one that encompasses the whole of the island as well as Britain all of the violence and its consequences and the entire period from the Easter Rising to the end of the Civil War When did the revolution start and when did it end Why was it so violent and why were some areas so much worse than others Why did the I

R A mount a terror campaign in England and Scotland but refuse to assassinate British politicians Where did it get its guns Was it democratic What kind of people became guerrillas What kind of people did they kill Were Protestants ethnically cleansed from southern Ireland Did a pogrom take place against Belfast Catholics These and other questions are addressed using extensive new data on those involved and their actions including the first complete figures for victims of the revolution These events have never been numbered among the world s great revolutions but in fact Irish republicans were global pioneers Long before Mao or Tito Sinn F in and the Irish Republican Army were the first to use a popular political front to build a parallel underground state coupled with sophisticated guerrilla and international propaganda and fund raising campaigns Ireland s is also perhaps the best documented revolution in modern history so that almost any question can be answered from who joined the I R A to who ordered the assassination of Sir Henry Wilson The intimacy and precision with which we are able to reconstruct and analyse what happened make this a key site for understanding not just Irish but world history

**Communities and Families** J. Golby, 1994-07-29 A major new initiative designed to stimulate and develop personal research in family and community history

Catholics of Consequence Ciaran O'Neill (Lecturer in history), 2014 For as far back as school registers can take us the most prestigious education available to any Irish child was to be found outside Ireland Catholics of Consequence traces for the first time the transnational education careers and lives of more than two thousand Irish boys and girls who attended Catholic schools in England France Belgium and elsewhere in the second half of the nineteenth century There was a long tradition of Irish Anglicans Protestants and Catholics sending their children abroad for the majority of their formative years However as the cultural nationalism of the Irish revival took root at the end of the nineteenth century Irish Catholics who sent their children to school in Britain were accused of a pro Britishness that crystallized into still recognisable terms of insult such as West Briton Castle Catholic Squireen and Seoinin This concept has an enduring resonance in Ireland but very few publications have ever interrogated it Catholics of Consequence endeavours to analyse the education and subsequent lives of the Irish children that received this type of transnational education It also tells the story of elite education in Ireland where schools such as Clongowes Wood College and Castleknock College were rooted in the continental Catholic tradition but also looked to public schools in England as exemplars Taken together the book tells the story of an Irish Catholic elite at once integrated and segregated within what was then the most powerful state in the world

Social Stratification in an Aging Society with Low Fertility Sawako Shirahase, 2022-08-31 This edited book empirically discusses stratification in contemporary Japanese society It is unique for its examination of social inequality in relation to declining fertility and an aging population Japan is the most aged society in the world according to the Statistics Bureau of Japan people who are aged 65 and above comprised 29.1% of the country s total population in 2021 Meanwhile the fertility rate has continuously declined since the mid 1970s Japan experienced a dramatic change in its demographic structure in a short period of time Such fast change could be a major factor that generated social stratification In her

industrialization Japan was thought to share a pattern of social stratification similar to that of developed European and North American countries but with a low degree of socio economic inequality and a high degree of homogeneity There is no clear support for this description of Japan although the country does share a pattern and degree of social stratification similar to that observed in Europe and North America The social stratification theory has been developed in close relationship to the labor market however it is necessary to further examine the social stratification of very aged societies in which a substantial number of the population namely retired persons no longer have any ties to the labor market In this book the contributors explore the pattern of social stratification at three life stages young middle aged and elderly Included are discussions of various aspects of stratification such as education work wealth marriage family gender generation and social attitudes

*Stratification in Israel* Moshe Semyonov,2019-01-22 Until recently issues surrounding ethnic linked inequality whether between Jews and Arabs or between Jewish ethnic groups have dominated research on stratification in Israel to the exclusion of other dimensions Rapidly growing inequality in Israeli society and its intergenerational persistence however have generated several new trends in research The chapters included in this volume represent the range and depth of recent developments in the study of social stratification mobility and inequality Although they address a variety of issues they have in common a focus on the institutional mechanisms that govern the allocation of rewards      **Handbook of Population**

Dudley L. Poston,Michael Micklin,2006-08-10 This comprehensive handbook provides an overview and update of the issues theories processes and applications of the social science of population studies The volume s 30 chapters cover the full range of conceptual empirical disciplinary and applied approaches to the study of demographic phenomena This book is the first effort to assess the entire field since Hauser and Duncan s 1959 classic *The Study of Population* The chapter authors are among the leading contributors to demographic scholarship over the past four decades They represent a variety of disciplines and theoretical perspectives as well as interests in both basic and applied research      **Inequalities of the World** Göran Therborn,2006 A groundbreaking exploration of contemporary global inequality by leading scholars from across the world

**Conflicts About Class** David J. Lee,Bryan S. Turner,2014-09-12 In recent years there has been growing debate among sociologists about the concept of class and its relevance to the highly industrialised world of the late twentieth century This book makes available in a single volume all of the key contributions to this debate and takes it a step further with a number of specially commissioned pieces An editorial introduction which sets the main arguments in context additional commentary and two alternative conclusions help to make this a unique text for a subject that remains crucial yet highly contentious

If you ally infatuation such a referred **Following In Fathers Footsteps Social Mobility In Ireland** ebook that will allow you worth, get the unconditionally best seller from us currently from several preferred authors. If you desire to hilarious books, lots of novels, tale, jokes, and more fictions collections are furthermore launched, from best seller to one of the most current released.

### **Following In Fathers Footsteps Social Mobility In Ireland Introduction**

Following In Fathers Footsteps Social Mobility In Ireland Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Following In Fathers Footsteps Social Mobility In Ireland Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Following In Fathers Footsteps Social Mobility In Ireland : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Following In Fathers Footsteps Social Mobility In Ireland : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Following In Fathers Footsteps Social Mobility In Ireland Offers a diverse range of free eBooks across various genres. Following In Fathers Footsteps Social Mobility In Ireland Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Following In Fathers Footsteps Social Mobility In Ireland Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Following In Fathers Footsteps Social Mobility In Ireland, especially related to Following In Fathers Footsteps Social Mobility In Ireland, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Following In Fathers Footsteps Social Mobility In Ireland, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Following In Fathers Footsteps Social Mobility In Ireland books or magazines might include. Look for these in online stores or libraries. Remember that while Following In Fathers Footsteps Social Mobility In Ireland, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Following In Fathers Footsteps Social Mobility In Ireland eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or

publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Following In Fathers Footsteps Social Mobility In Ireland full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Following In Fathers Footsteps Social Mobility In Ireland eBooks, including some popular titles.

### **FAQs About Following In Fathers Footsteps Social Mobility In Ireland Books**

**What is a Following In Fathers Footsteps Social Mobility In Ireland PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Following In Fathers Footsteps Social Mobility In Ireland PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Following In Fathers Footsteps Social Mobility In Ireland PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Following In Fathers Footsteps Social Mobility In Ireland PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Following In Fathers Footsteps Social Mobility In Ireland PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by

their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
