Following the Brush John Elder, 2000 **Following the Brush** John Elder, 1994-03-01 An American professor recounts the year that he and his family lived in Kyoto Japan discussing his experiences with an elementary school a calligraphy class a Go club and Noh acting **Following the Brush** John Elder, 1993 Following the Brush is the engaging story of an American's experience as a student and observer of traditional Japanese culture A professor of English John Elder lived for a year with his family in Kyoto As a cultural outsider and devoted amateur Elder brings a distinctive and sympathetic eye to arts and institutions that are as the author points out peopled by Japanese who are these days themselves outsiders in an important sense lovers of pursuits which have been swirled off into eddies by the velocity of the economic mainstream Elder's portraits are detailed and dramatic In the title essay the author submits to the traditional Japanese approach to learning shodo or calligraphy week after week he patiently returns to class until at the end we can all see quite clearly the outlines of a world that blossoms from the ink We are given an insider's look at a Japanese elementary school attended by all three of the author's children that is both startling and admiring There is a beautifully drawn portrait of a Noh actor one of the very few women to establish herself at the highest professional level a woman pretending to be a man pretending to be a woman Elder describes the sisterhood of Kyoto geishas as they venture out self possessed and superbly eccentric in their errands along the noisy streets of Japan And we watch with fascination as Elder is allowed in as the only foreigner to a traditional Go club where men only pursue the austere beauty and the pure competition of the world's most demanding game Elder's experience as a leading writer on nature leads him also to reflect in other essays on distinctly Japanese attachments to nature and wildness **The Frog Run** John Elder, 2001 Annotation Teacher and writer John Elder a man who loves both literature and the outdoors describes in The Frog Run how he found a way to balance these passions in building a sugarhouse with his sons in the Vermont woods He celebrates the moment between winter and spring known to sugarmakers as the frog run When the tree frogs begin to be heard and the last run of sap good for making syrup flows from the maples For Elder who also writes in this book about the resurgence of New England forests and about his life as a reader the frog run is a time to savor and celebrate the fleeting beauties of his family's place on earth BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved Bashō's Journey Matsuo Bashō, 2010-03-29 In Bash's Journey David Landis Barnhill provides the definitive translation of Matsuo Bash's literary prose as well as a companion piece to his previous translation Bash's Haiku One of the world's greatest nature writers Bash 1644 1694 is well known for his subtle sensitivity to the natural world and his writings have influenced contemporary American environmental writers such as Gretel Ehrlich John Elder and Gary Snyder This volume concentrates on Bash's travel journal literary diary Saga Diary and haibun The premiere form of literary prose in medieval Japan the travel journal described the uncertainty and occasional humor of traveling appreciations of nature and encounters with areas rich in cultural history Haiku poetry often accompanied

the prose The literary diary also had a long history with a format similar to the travel journal but with a focus on the place where the poet was living Bash was the first master of haibun short poetic prose sketches that usually included haiku As he did in Bash's Haiku Barnhill arranges the work chronologically in order to show Bash's development as a writer These accessible translations capture the spirit of the original Japanese prose permitting the nature images to hint at the deeper meaning in the work Barnhill's introduction presents an overview of Bash's prose and discusses the significance of nature in this literary form while also noting Bash's significance to contemporary American literature and environmental thought Excellent notes clearly annotate the translations

Avatar and Nature Spirituality Bron Taylor, 2013-09-30 Avatar and Nature Spirituality explores the cultural and religious significance of James Cameron's film Avatar 2010 one of the most commercially successful motion pictures of all time Its success was due in no small measure to the beauty of the Pandora landscape and the dramatic heart wrenching plight of its nature venerating inhabitants To some audience members the film was inspirational leading them to express affinity with the film's message of ecological interdependence and animistic spirituality Some were moved to support the efforts of indigenous peoples who were metaphorically and sympathetically depicted in the film to protect their cultures and environments To others the film was politically ethically or spiritually dangerous Indeed the global reception to the film was intense contested and often confusing To illuminate the film and its reception this book draws on an interdisciplinary team of scholars experts in indigenous traditions religious studies anthropology literature and film and post colonial studies Readers will learn about the cultural and religious trends that gave rise to the film and the reasons these trends are feared resisted and criticized enabling them to wrestle with their own views not only about the film but about the controversy surrounding it Like the film itself Avatar and Nature Spirituality provides an opportunity for considering afresh the ongoing struggle to determine how we should live on our home planet and what sorts of political economic and spiritual values and

practices would best guide us **Bashō's Haiku** Matsuo Bashō, 2012-02-01 2005 CHOICE Outstanding Academic Title

Bashō's Haiku offers the most comprehensive translation yet of the poetry of Japanese writer Matsuo Bashō 1644-1694 who is credited with perfecting and popularizing the haiku form of poetry. One of the most widely read Japanese writers both within his own country and worldwide, Bashō is especially beloved by those who appreciate nature and those who practice Zen Buddhism. Born into the samurai class, Bashō rejected that world after the death of his master and became a wandering poet and teacher. During his travels across Japan, he became a lay Zen monk and studied history and classical poetry. His poems contained a mystical quality and expressed universal themes through simple images from the natural world. David Landis Barnhill's brilliant book strives for literal translations of Bashō's work arranged chronologically in order to show Bashō's development as a writer. Avoiding wordy and explanatory translations, Barnhill captures the brevity and vitality of the original Japanese, letting the images suggest the depth of meaning involved. Barnhill also presents an overview of haiku poetry and analyzes the significance of nature in this literary form while suggesting the importance of Bashō to contemporary American literature and environmental thought.
