*Fool* Leon Whiteson,1984 *Miss MacIntosh, My Darling* Marguerite Young,2024-04-09 This novel is one of the most  
ambitious and remarkable literary achievements of our time It is a picaresque psychological novel a novel of the road a  
journey or voyage of the human spirit in its search for reality in a world of illusion and nightmare It is an epic of what might  
be called the Arabian Nights of American life Marguerite Young s method is poetic imagistic incantatory in prose of  
extraordinary richness she tests the nature of her characters and the nature of reality Miss MacIntosh My Darling is written  
with oceanic music moving at many levels of consciousness and perception but the toughly fibred realistic fabric is always  
there in the happenings of the narrative the humor the precise details the definitions of the characters Miss MacIntosh  
herself who hails from What Cheer Iowa and seems downright and normal with an incorruptible sense of humor and the  
desire to put an end to phantoms Catherine Cartwheel the opium lady a recluse who is shut away in a great New England  
seaside house and entertains imaginary guests Mr Spitzer the lawyer musical composer and mystical space traveler a gentle  
man wholly unsure of himself and of reality his twin brother Peron the gay and raffish gambler and virtuoso in the world of  
sports Cousin Hannah the horsewoman balloonist mountain climber and militant Boston feminist known as Al Hamad through  
all the seraglios of the East Titus Bonebreaker of Chicago wild man of God dreaming of a heavenly crown the very efficient  
Christian hangman Mr Weed of the Wabash River Valley a featherweight champion who meets his equal in a graveyard these  
are a few who live with phantasmagorical vividness in the pages of Miss MacIntosh My Darling The novel touches on many  
aspects of life drug addiction woman s suffrage murder suicide pregnancy both real and imaginary schizophrenia many  
strange loves the psychology of gambling perfectionism but the profusion of this huge book serves always to intensify the  
force of the central question What shall we do when fleeing from illusion we are confronted by illusion What is real what is  
dream Is the calendar of the human heart the same as that kept by the earth Is it possible that one may live a secondary life  
of which one does not know In every aspect Miss MacIntosh My Darling stands by itself in the lyric beauty of its prose its  
imaginative vitality and cumulative emotional power It is the work of a writer of genius **English Plays** ,1785 **Youth's**

The Ring and the Book published serially in 1868 9 is one of the most daring and innovative poems in the English language

The story is based on the trial of an Italian nobleman Guido Franceschini for the murder of his wife Pompilia in Rome in 1698 Browning's discovery of the old yellow book a bundle of legal documents and letters relating to the trial on a second hand market stall in Florence sparked an imaginative engagement with this sordid tale of domestic cruelty adultery and greed which grew through four years of arduous labour into an epic peopled not by gods and warriors but by concrete recognizably human beings Fusing the technique of the dramatic monologue the form he had made his own with the grandeur of classical epic and the vivid realism of the modern novel Browning created a unique hybrid form that allowed him not only to bring to life an entire historical period but also to reflect on the process of artistic creation itself the forging of the golden ring of the poem from the pure crude fact of its historical original This edition comprising volumes 5 and 6 in the acclaimed Longman Annotated English Poets edition of Browning's poems does full justice to the scope and depth of Browning's achievement The headnote in volume 5 gives an authoritative account of the poem's composition publication sources and reception making use of hitherto unpublished letters and textual material In addition to giving readers help where needed with historical and linguistic comprehension the notes track Browning's formidable range of allusion from the most erudite to the most vulgar The appendices in volume 6 present a selection from the original sources a list of variants from extant proofs and key passages from Browning's fascinating and revealing correspondence with one of the earliest readers of the poem Julia Wedgwood The aim is to enable readers not just to understand the poem as an object of study but to take pleasure in its abounding intellectual and emotional energies
