Crolley,David Hand,2006-11-22 Shifting European identities cultural loyalties and divisions are often expressed more directly through attitudes to the people s game game than in any other arena This book examines European football journalism from throughout the last century to present a unique cross cultural analysis of changing European national and regional identities Building on detailed research into original language sources from across Western Europe from the early 20th century to the present day Football and European Identity traces this fascinating evolution The resulting cross cultural analysis of national identity in Europe provides the basis for a unique study of the interplay between football society politics and the print media in three parts Part 1 Old Europe national identity in the football writing of England France Germany Italy and Spain Part 2 Nations within a State examines the status of Corsican Catalanian and Basque identities Part 3 New Football Worlds explores the response of Europe s presses to the emergence of Africa South East Asia and the USA as major forces in world football

The Native American Identity in Sports Frank A. Salamone,2012-11-08 On October 15 1964 Billy Mills became the only American to win an Olympic Gold Medal for the 10 000 meters It was but one notable triumph in sports by a Native American Yet unlike Mills s achievement most significant contributions from Native Americans have gone unheralded From individual athletes teams and events it is clear that the Vanishing Americans are not vanishing but they are sadly overlooked The Native American Identity in Sports Creating and Preserving a Culture not only includes but goes beyond the great achievements of Billy Mills to note numerous other instances of Native American accomplishment and impact on sports This collection of essays examines how sport has contributed to shaping and expressing Native American identity from the attempt of the old Indian Schools to Americanize Native Americans through sport to the Indian mascot controversy and what it says about the broader public view of Native Americans Additional essays explore the contemporary use of the traditional sport Toka to combat obesity in some Native American communities the Seminoles commercialization of alligator wrestling a Native sport

that was in fact only developed as a sport due to interest from tourists and much more The contributions to this volume not only tell the story of Native Americans participation in the world of sports but also how Native Americans have changed and enriched the sports world in the process For anyone interested in the deep effect sport has on culture The Native American Identity in Sports is an indispensable read **Sport and the Shaping of Italian-American Identity** Gerald R.

*A Higher Education Equity Walk in The Struggle for American Identity* Lenford Sutton ,2024-02-03 *A Higher Education Equity Walk in the Struggle for American Identity* offers a compelling case study by Lenford Sutton recounting the author s parallel experience as the first black man to serve as the tempered radical in a historically white learning community In the Southwest Drawing parallels with the tragic fate of Ahmad

Aubry in an unwelcoming community Sutton sheds light on the visible and unseen cultural frameworks racial habits and value gaps leaders from non dominant groups navigate when pursuing Diversity Equity and Inclusion goals and objects within the university strategic plans of Historically White Institutions In addition it captures deep reflection from the experience reframing problems in the spirit of Design Thinking with particular emphasis on Empathy as the Gateway to problem solving Recognizing that Digital transformation both cultural and demographic shifts are the drivers of enormous changes that foster fear and increased uncertainty the text emphasizes the new learnings and recommendations for leaders operating in similar circumstances It connotes that tempered radicals often reside at the intersection of innovation and the status quo and in the current cultural and technological disruption of higher education can serve the institution well if deployed appropriately by university leadership to scale its culture

**Disney Parks and the Construction of American Identity** Jennifer A. Kokai, Tom Robson, 2024-08-26 Writing in a time of heightened political anxiety and when accusations of nationalism authoritarianism and proto fascism have increasingly divided Americans into factions the authors use their influential performance studies based tourist as actor framework to unpack the ways that Disney parks and their guests co create performance of implicit Americanness in the 21st century This book argues that the roles that guests choose to perform accepting declining negotiating or overwriting scripts offered to them by the Disney theme park experience ultimately reveals much about the nature of the contemporary United States Focusing primarily on Walt Disney World in Florida and using case studies on music geography and ecology sports families and politics these chapters illuminate the always complicated and often contradictory presentations and performances of America within Disney parks in the deeply contested twenty first century

*Latinos in American Football* Mario Longoria, Jorge Iber, 2020-02-28 In 1927 Cuban national Ignacio S Molinet was recruited to play with the Frankford Yellow Jackets of the old NFL for a single season Mexican national Jose Martinez Zorrilla achieved 1932 All American honors These are the beginnings of the Latino experience in American Football which continues amidst a remarkable and diversified setting of Hispanic nationalities and ethnic groups This history of Latinos in American Football dispels the myths that baseball boxing and soccer are the chosen and competent sports for Spanish surname athletes The book documents their fascination for the sport that initially denied their participation but that could not discourage their determination to master the game

*Identity and Myth in Sports Documentaries* Zachary Ingle, David M. Sutera, 2013 Nonfiction films about sports have been around for decades yet few scholarly articles have been published on these works In *Identity and Myth in Sports Documentaries* editors Zachary Ingle and David M Sutera have assembled a collection of essays that show how myth and identity national religious ethnic and racial are constructed perpetuated or questioned in documentaries produced in the United States France Australia Germany and Japan This collection is divided into three sections American Identity and Myth contains essays on consumerism religion in sports and post 9 11 America Race and Ethnicity examines the ways in which African American Mexican American and

Jewish identity are portrayed in the documentaries under discussion Global Perspectives features films and TV series produced outside of the United States or those that provide perspectives on the international sport scene Spanning several decades the landmark documentaries discussed in this volume include Hoop Dreams The Endless Summer The Life and Times of Hank Greenberg Olympia and Tokyo Olympiad and address such subjects as baseball football basketball boxing soccer surfing and the Olympics The essays pose such questions as How are notions of the American dream involved in athletes aspirations How do media texts from Australia or France construct Australian and French identity respectively and How did filmmakers such as Leni Riefenstahl Kon Ichikawa and Bud Greenspan infuse their Olympic documentaries with national ideology despite being intended for an international audience By tackling these subjects Identity and Myth in Sports Documentaries is an intriguing read for scholars students and the general public alike

**Tropic of Football** Rob Ruck, 2018-07-31 Longlisted for the PEN ESPN Award Everything that's rousing and distressing about block and tackle football is encompassed in Tropic of Football illuminating Newsday How a tiny Pacific archipelago is producing more players from Troy Polamalu to Marcus Mariota for the NFL than anywhere else in the world by an award winning sports historian Football is at a crossroads its future imperiled by the very physicality that drives its popularity Its grass roots high school and youth travel program are withering But players from the small South Pacific American territory of Samoa are bucking that trend quietly becoming the most disproportionately overrepresented culture in the sport Jesse Sapolu Junior Seau Troy Polamalu and Marcus Mariota are among the star players to emerge from the Samoan islands and more of their brethren suit up every season The very thing that makes them so good at football their extraordinary internalization of discipline and warrior self image makes them especially vulnerable to its pitfalls including concussions and brain injuries Award winning sports historian Rob Ruck travels to the South Seas to unravel American Samoa's complex ties with the United States He finds an island blighted by obesity where boys train on fields blistered with volcanic pebbles wearing helmets that should have been discarded long ago incurring far more neurological damage than their stateside counterparts and haunted by Junior Seau who committed suicide after a vaunted twenty year NFL career unable to live with the demons that resulted from chronic traumatic encephalopathy Tropic of Football is a gripping bittersweet history of what may be football's last frontier

**No Game for Boys to Play** Kathleen Bachynski, 2019-11-25 From the untimely deaths of young athletes to chronic disease among retired players roiling debates over tackle football have profound implications for more than one million American boys some as young as five years old who play the sport every year In this book Kathleen Bachynski offers the first history of youth tackle football and debates over its safety In the postwar United States high school football was celebrated as a moral sport for young boys one that promised and celebrated the creation of the honorable male citizen Even so Bachynski shows that throughout the twentieth century coaches sports equipment manufacturers and even doctors were more concerned with saving the game than young boys safety even though injuries ranged from concussions and broken

bones to paralysis and death By exploring sport masculinity and citizenship Bachynski uncovers the cultural priorities other than child health that made a collision sport the most popular high school game for American boys These deep rooted beliefs continue to shape the safety debate and the possible future of youth tackle football      **Pro Football and the Proliferation of Protest** Stephen D. Perry, 2019-03-20 Pro Football and the Proliferation of Protest Anthem Kneeling and Standing in a Divided America examines the take a knee NFL protests a trend that has led to deep political divisiveness in America The author explores this phenomenon by incorporating analysis of media coverage impact on attitudes and behaviors and racial religious gendered and political perspectives The analysis allows readers to recognize both positive and negative prejudice and to proscribe possible solutions for political divisiveness Protesting anthems ceremonies and media coverage all demonstrate that this issue is a communication issue This book examines the voices on both sides of the kneeling controversy in order to uncover the points at which one side is communicating and the other side refuses to listen The studies in this volume look at the protest through four lenses historically through media coverage through impact on public behaviors and attitudes and from racial religious gendered and political identification perspectives The contributors worked in conjunction with one another incorporating different viewpoints into each chapter as they were completed All studies were conducted under the guidance of the book's editor to separate the work effectively and to end in a set of voices that complement each other and allow for overall conclusions and recommendations This book is useful for a wide range of scholars including race religion political studies gender studies and communication studies      *Walter Camp* Julie Des Jardins, 2015 In *Walter Camp Football and the Modern Man* Julie Des Jardins chronicles the life of the clock company executive and self made athlete who remade football and redefined the ideal man      **Globalization and National Identities** P. Kennedy, C. Danks, 2001-06-05 Drawing on original research from social scientists working on twelve countries this book explores the key issues faced by nations and citizens as they struggle to rediscover reaffirm or reconstruct their sense of national identities in the face of globalizing forces Some nations and peoples experience the fragmentation of once certain identities as threatening and likely to generate political and social breakdown Others encounter globalization as a challenge which brings uncertainties but also opportunities for adaptation the evolution of hybrid identities or new forms of protest      *The American Identity* Sam S. Baskett, 1962      **The American Identity: Sex Issues** Sam S. Baskett, Theodore B. Strandness, 1962      **The American Identity** Rob Kroes, 1980
