Martin Kelner, 2012-05-31 When Will I Be Famous is about a world of entertainment a twilight world far from the bright lights of the West End Among the pages of Showcall an annual index of artistes and attractions there is an army of hopefuls waiting for their big break Some may be on the verge of a big break for others the big break came and went years ago What they all have in common is that they are out there entertaining people night after night folding paper into interesting shapes telling jokes to businessmen at corporate functions stripping for hen parties Together they represent an unalloyed triumph of hope over experience Using acts from Showcall as a starting point Martin Kelner travels from town to town demonstrating that how we are entertained what we do for fun says at least as much about The Way We Live Now as any other indicator When Will I Be Famous is a fascinating and funny account of Britain as seen by the people who try to keep it happy

Cultural Nostalgias Merry Osemwegie, 2014-09-30 This is a narrative account of the lived experiences of an immigrant In many ways this book discusses a range of issues that transcend different sociocultural philosophical and political terrains Paved with comical and simple narrative the author located poignant and challenging issues within personal experiences of orphanhood racism race and sex acculturation deculturation immigration and his nostalgic feelings Reflectively he recalled how his early years in Africa were filled with happy memories of his parents and siblings and his lifelong regret over his failure to adequately care for his father From a child who hated education to someone with five degrees he has had to face many challenges including his unstoppable desire to acquire academic qualifications which oftentimes offered him no significant professional and material gains in return The author is living a life in the UK that millions of people would envy and yet he is troubled by cultural nostalgias For a man who did everything to leave Africa he could neither come to terms with why he could not just move back to Africa where his heart is nor is he able to make up his mind about where he would like to be buried
