Football Drills & Skills Michael Petersen,2006 Skills & Drills for Coaches: U6 - U8's Caroline Elwood-Stokes, *Soccer Drills: A 100 Soccer Drills to Improve Your Skills, Strategies and Secrets* Chest Dugger,2017-12-22 Are you ready to take your soccer game to the next level Or just looking for ways to improve your team This book can help solve your problems 380+ Soccer Drills: Dribbling and Ball Control Christoph Friedrich,2015-10-05 You ve probably seen Ronaldinho Zinedine Zidane Lionel Messi Thierry Henry or Cristiano Ronaldo dribble many times and admired the way in which they are able to run with the ball at their feet and beat players by using their skill and speed Dribbling in soccer stands out as the basic foundation for any other core skill of soccer such as ball control passing and finishing Establishing the correct dribbling foundation in the early stages strengthens the players ability to develop most of the other soccer skills The soccer dribbling and ball control drills in this book include realistic progressions and are going to help you teach your players to develop the skill of how when and where to dribble and run with the ball Here is what you get 380 Soccer Dribbling Ball Control Drills And Practices 600 Variations Descriptions Diagrams Coaching Points Rondo Soccer Drills Chest Dugger,2021-06-12 Have you wondered how Pep Guardiola s teams have dominated European leagues for the last two decades Not only is the answer simple it s something that you can use to take your game and your team s game leagues above your opposition The key to Pep s success at Barcelona and Manchester City is the Rondo Rondos have transformed modern football Not only have Rondos helped Pep dominate European football they ve helped turn the Spanish national team into the best in the world The system behind Rondos was the beating heart of the brilliant Barcelona teams which dominated Europe for a decade from 2005 They made soccer even more exciting to watch improving players technical ability and creating a proper total football in the European sense game Their approach was reminiscent of the fantastic Ajax team of the 1970s and the great Dutch teams of that era They led to the excitement of the high press and the thrilling soccer which

follows when the press is defeated They proved the benefit of technique over physical prowess So what is this miracle of the training pitch which has so transformed the game of soccer The beauty of the rondo is its simplicity It is a drill where the objective is to retain possession As rondo drills become more complex this aim might develop It might be about keeping possession in transition or maintaining possession to create a goal scoring opportunity However at its heart is the objective of one side keeping hold of the ball A second key element of a rondo is that the sides are uneven One team has extra players It can take a form as exaggerated as 10 v 1 or as close as 5 v 4 However the point is that some pressure is applied but not so much as to make the drill difficult to perfect Thus confidence grows and in turn touch and vision A rondo is usually a drill that takes place in a limited space typically a circle square or rectangular grid Thus first and second touches are perfected because there is not much time to take many touches Finally and crucially rondos are drills that are fast and fun They involve lots of touches for the players in possession and a real sense of achievement on the rare occasions that the smaller side actually wins back the ball So simple Yet so effective This coaching book celebrates the rondo and offers drills tactics and coaching techniques to help soccer players at any level from the unbounded enthusiasm of Under 6s to the worldly view of veteran teams From the pub side who turn out on a Sunday morning cooked breakfast weighing heavily on their hangover infused stomachs to the champion youth team of the region We can all improve as coaches and players The rondo is the system that enables progress to happen more quickly and efficiently than any other soccer coaching strategy Even if you haven't heard of Rondos before you'll gain a lot from this book Order Now
