Footloose and Free Stephen Chalmers,1912 **‘Footloose!’** Kosti Simons,2021-12-22 Not many people would contemplate a 1500 km barefoot stroll along the highways and byways of France and Spain but that is what the author did Why After a conversion to Christianity at age 50 he felt the Lord was calling him to do it And he describes the experience along the centuries old pilgrimage route to Santiago de Compostela as the foremost experience of his life It took 111 footloose days On the way he tape recorded his journey for his wife in Australia and he has used the 12 tapes so made as the basis of this account Pilgrims in the days of his walk were rare creatures and he felt the need with others to revive the spirit of pilgrimage He founded the not for profit Pilgrims International and led groups a biblical 40 days from the French Pyrenees to Santiago Just one year before Covid 19 flattened the world over 300 000 pilgrims arrived in Santiago What may lift this book from the pedestrian so to speak into the heavenlies are the dialogues Kosti has with Our Lord Jesus Christ

The Companion Guide to Madrid and Central Spain Alastair Boyd,Richard Oliver,2002 The history and culture of Madrid the cluster of historical cities at an easy distance Segovia Avila and Toledo and the heartlands of Castile the core of Spanish civilisation This book performs with great thoroughness all the usual functions of a guidebook But it is much more than a mere inventory of buildings paintings sculpture routes and views supplemented by appendices packed with practical information The authors from their long experience and deep knowledge of the country are exceptionally well equipped to draw together into a coherent whole all the threads of history art culture and recent developments They steer you in most rewarding directions enlivening the hallowed hush of museum or sacristy with an

original interpretation of some great painter El Greco Goya Picasso or an observation which suddenly illuminates the seemingly unexceptional Madrid rather than just a political capital at the geographical centre of the country is revealed as a true metropolis genuinely representative of all the aspects and regional variations of Spanish life Its art collections are justly renowned as superb Add in the cluster of historical cities at an easy distance including Segovia Avila and Toledo to say nothing of the lesser known treasures and delights secreted in the heartlands of Castile and you have within a manageable compass the core of Spanish civilisation
