Footwashing In John 13 And Johannine Community:

Footwashing in John 13 and the Johannine Community John Christopher Thomas,1991 *The Diffused Story of the Footwashing in John 13* Yanrong Chen,2021-02-09 The first Catholic missionaries of the early modern period arrived in mainland China in 1582 but the first Catholic Bible did not appear until 1968 long after Protestant missionaries already had published several versions The mystery behind the four hundred year gap is not a why question but instead involves many how questions primarily how did communication of the Bible take place in the Chinese context without a written text in the Chinese language This book uncovers narrative forms of biblical stories and explores the ways they were delivered to Chinese audiences Relying on textual evidence it presents a diversified exploration of a specific biblical story from the Latin Vulgate Bible the footwashing in John 13 and its translation into various Chinese texts In different religious milieus the biblical narrative provided Chinese audiences a core source of faith connected them with the most commonly accepted beliefs and fostered their religiosity across communities in China from the sixteenth through the eighteenth centuries The interdisciplinary approach adopted herein sheds new light on the history of the Bible in China and paves the way for further studies on the abundance of Chinese biblical stories and texts [Courting Betrayal](#) Helen Orchard,1998-05-01 This study explores the dynamics of violence within John s Gospel focusing on the portrayal of the character of Jesus It offers an understanding of the Johannine Jesus that counters the traditional model of a serene figure who maintains sovereign control over his environment Establishing the prevalence of material indicating opposition to Jesus it argues that his experience and perception of victimization are key to his identity Furthermore it is suggested that Jesus colludes with his victimizers raising the issue of who is responsible for his betrayal and death Drawing on the disciplines of victimology literary criticism and liberation theology the work comprises targeted exegesis of substantial portions of the Gospel revealing the prominence of the theme of violence and raising a number of christological questions *John* Gary M. Burge,2009-08-22 The NIV Application Commentary helps you communicate and apply biblical text effectively in today s context The Gospel of John tells us the story that is the foundation of the distinctive teaching of Christianity It provides all the elements necessary to see the full picture of the person and work of Jesus a human Christ to redeem us a divine Christ to reveal God s nature and a powerful Spirit filled Christ to help us lead holy lives This commentary unveils in today s terminology the deeply satisfying portrait of Christ painted in the Gospel of John To bring the ancient messages of the Bible into today s context each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues

Liturgy with a Difference Stephen Burns, Bryan Cones, 2019-05-30 Christian churches in recent decades have taken some steps in their practices of liturgy and worship toward acknowledging the graced dignity of human variety But who is

still excluded What pernicious norms still govern below the surface and how might they be revealed How do texts gestures and space abet and enforce such norms How might Christian assemblies gather multiple expressions of human difference to propose through Christian liturgy patterns of graced interaction in the world around them Liturgy with a Difference gathers a broad range of international theologians and scholars to interrogate current practices of liturgy and worship in order to unmask ways in which dehumanizing majoritarianisms and presumed norms of gender culture ethnicity and body among others remain at work in congregations Together the chapters in this collection call for a liturgical practice that recognizes and rehearses the vivid richness of God s image found in the human community and glimpsed if only for a moment in liturgical celebration They point a way beyond mere inclusion toward a generous embrace of the many differences that make up the Christian community With contributions from Rachel Mann Teresa Berger Susannah Cornwall Miguel A DeLa Torre Edward Foley W Scott Haldeman Michael Jagessar Bruce T Morrill Kristine Suna Koro and Frank Senn Foreword by Ann Loades

The Gospel of John in Cultural and Rhetorical Perspective Jerome H. Neyrey, 2009-11-10 Johns Gospel has been studied and evaluated and interpreted constantly by theologians throughout the ages Can anything more possibly be said Jerome Neyrey says it can indeed by interpreting it in two fresh ways by means of ancient rhetoric and by viewing it in its cultural context In order to find patterns and concepts that have a bearing on how to read John Neyrey examines the rhetoric of praise and blame described in the ancient encomium the Greek commonplace on noble death rules for rhetorical conclusions and Jewish background materials He then uses materials from cultural anthropology such as the effects of limited good and envy secrecy and brokerage Even innocent topics such as time and space have much to say about interpreting the figure of Jesus In viewing John through these two lenses *The Gospel of John in Cultural and Rhetorical Perspective* brings the book into clear focus as a truly maverick gospel

and disability studies **Pentecostal Formation** Cheryl Bridges Johns,2010-11-01 The Pentecostal movement has been subject to some negative external assumptions In this enlightening and challenging book Cheryl Bridges Johns argues that in fact Pentecostals employ a powerful process of formation of catechesis which has enabled millions of believers to own and articulate the Christian story She engages dialectically with the work of Paulo Freire a specialist in education among the marginalized As well as looking more broadly at the nature of all catechesis there is also an attempt to move beyond the rationalism found in a praxis epistemology **Sense Perception and Testimony in the Gospel According to John** Sunny Kuan-Hui Wang,2017-06-02 In this book Sunny Kuan Hui Wang explores the relationship between sense perception and testimony in the Gospel of John While Johannine scholars tend to focus on one or the other she shows that sense perception and testimony are both significant and are used together with the intention of drawing readers into the narrative so that they become witnesses in an emotionally engaged way It is argued that John s use of sense perception together with testimony is rooted in Jewish literature Yet John also employs a Graeco Roman rhetorical technique *enargeia* which appeals to the persuasive power of sense perception to make his narrative vivid John does not downplay sense perception Rather he uses it in the context of testimony as a means of persuasion to draw the readers in their imagination into the experience of the first disciples and thus deeper into faith and witness *Purity in the Gospel of John* Wil Rogan,2023-06-15 Wil Rogan argues that contrary to twentieth century interpretation the Fourth Gospel did not replace purity with faith in Jesus Instead as with other early Jewish writings its discourse about purity functions as a way to make sense of life before God in the world He suggests that John s Gospel employs biblical and early Jewish traditions of purity associated with divine revelation and Israel s restoration to narrate how God s people are prepared for the coming of Jesus and enabled by him to have life with God characterized by love After evaluating different theories of purity for the interpretation of the Fourth Gospel Rogan explores John the Baptist as an agent of ritual purification Jesus as the agent of moral purification and the disciples of Jesus as ones who are or are not made morally pure by Jesus While purity is not one of the Fourth Gospel s primary focuses Rogan stresses that the concept figures into some of its most significant claims about Christology the doctrine of salvation and ethics Through purity the Fourth Gospel guards continuity with the past while placing surprising conditions on participation in Israel s future **Early Christian Ethics in Interaction with Jewish and Greco-Roman Contexts** Jan Willem van Henten,Joseph Verheyden,2012-11-29 Early Christian Ethics in Interaction with Jewish and Greco Roman Contexts focuses upon the nexus of early Christian Ethics and its contexts as a dynamic process The ongoing interaction with Jewish Greco Roman or early Christian traditions as well as with the social historical context at large continuously transformed early Christian ethics The volume proposes a dynamic model for studying culture and its various expressions in a society composed of several ethnic and religious groups The contributions focus on specific transformations of ethics in key documents of early Christianity or take a more comparative perspective pointing to similar developments and overlaps as well as particularities

Dale Stoffer, 2019-10-28 This work gives a stimulating overview of the history theology and practice of the Lord's Supper in
denominations that share the common heritage of believers baptism The essays first developed for a major conference at
Ashland Theological Seminary discuss sharing the bread and cup footwashing and the love feast Several scholars examine
the witness of Scripture and of church history on communion Others describe the current practice and theology of the Lord's
Supper in denominations as varied as Baptist and Quaker Seventh Day Adventist and African Methodist Church conferences
beginning in 1967 and their related publications Here is a rare opportunity to observe the special significance of this sacred
ceremony in believers church The Art of Reading Scripture Ellen F. Davis, Richard B. Hays, 2003-10-02 The difficulty of
interpreting the Bible is felt all over today Is the Bible still authoritative for the faith and practice of the church If so in what
way What practices of reading offer the most appropriate approach to understanding Scripture The church's lack of clarity
about these issues has hindered its witness and mission causing it to speak with an uncertain voice to the challenges of our
time This important book is for a twenty first century church that seems to have lost the art of reading the Bible attentively
and imaginatively The Art of Reading Scripture is written by a group of eminent scholars and teachers seeking to recover the
church's rich heritage of biblical interpretation in a dramatically changed cultural environment Asking how best to read the
Bible in a postmodern context the contributors together affirm up front Nine Theses that provide substantial guidance for the
church The essays and sermons that follow both amplify and model the approach to Scripture outlined in the Nine Theses
Lucidly conceived carefully written and shimmering with fresh insights The Art of Reading Scripture proposes a far reaching
revolution in how the Bible is taught in theological seminaries and calls pastors and teachers in the church to rethink their
practices of using the Bible Contributors Gary A Anderson Richard Bauckham Brian E Daley Ellen F Davis Richard B Hays
