Folle Farine:

The Women Aesthetes vol 1 Jane Spirit, Sue Asbee, Mary Joannou, Claire Nicholson, 2024-08-07 The aesthetic movement dominated the closing decades of the nineteenth century. It was significant for the role women played in it at a time when there were growing opportunities for them both artistically and professionally. The material in this collection provides a representative selection of essays, fiction, poetry and drama by female authors. **Folle-Farine, by 'Ouida'.** Marie Louise De la Ramée, 1871

The Fallen Angel Sally Mitchell, 1981 Discusses the figure of the unchaste woman in a wide range of fiction written between 1835 and 1880 including serious novels by Dickens, Mrs Gaskell and George Eliot, popular novels that provided light reading for middle class women, sensational fiction, propaganda for social reform and stories in cheap periodicals which reached a different and far wider audience than either serious or popular novels. During these years some women were struggling to become women instead of the angels of purity that sentimental morality had made of them. The sexual woman, the whore, the mistress, the runaway wife, the seduced or fallen innocent, all attracted a cluster of ideas about the differences between women and men, about the power structure in sexual relationships and about women's place in the social and moral world. In considering these topics, this book traces women and illuminates differences in the fiction writer for different social classes. Publisher description. *Ouida the Phenomenon* Natalie Schroeder, Shari Hodges Holt, 2008 This first full length study of the works of best selling Victorian novelist Ouida (pen name for Marie Louise Rame) examines the evolution of social, political and gender issues in Ouida's fiction from her high society romances of the 1860s to her satirical exposes of contemporary society in the 1880s and 1890s. This study places Ouida in the context of nineteenth century debates over gender by exploring the contradictions between the vehement critiques of marriage in her fiction and the equally vehement anti feminist sentiments of her journalism. Examining Ouida's revision of gender stereotypes such as the domestic angel, the adventuress and the dandy, Schroeder and Holt establish Ouida as a significant predecessor of the 1890s New Woman. Ouida, born Maria Louise Ram, was a British novelist known for her vivid storytelling and strong female characters which were bold for the 19th century. Her exposure to European high society coupled with her experiences as a traveler and social observer profoundly influenced her writing. A Wedding Trip Emilia condesa de Pardo Bazán, 2021-05-20 In *A Wedding Trip* Emilia condesa de Pardo Bazán masterfully weaves a narrative that captures the complexities of love and societal expectations set against the picturesque backdrop of Galicia. The novella revolves around the honeymoon of a newlywed couple exploring their contrasting perspectives and the intricacies of their relationship. Bazán's prose is characterized by its keen psychological insight and rich evocative imagery, placing it firmly within the realist literary tradition that seeks to illuminate the human experience. Through her depiction of the characters' interactions and inner lives, the author critiques the conventions of marriage and the constraints imposed by society, thereby situating her work within a broader feminist discourse of the late 19th century. Emilia Pardo Bazán, a prominent Spanish author and intellectual, was a trailblazer for women's rights in Spain and a key figure in the literary movement known as Naturalism. Her own experiences of marrying young and navigating societal norms likely influenced the themes present in *A Wedding Trip*. As a writer, she sought to represent the female perspective and challenge patriarchal structures, drawing upon her extensive literary background and personal life to enrich the narratives she crafted. This novella is highly recommended for readers interested in deep psychological character studies and those curious about the intersection of gender and societal expectations in literature. Pardo Bazán's nuanced exploration of romantic relationships is relevant not only to the context of her time but resonates with contemporary discussions surrounding marriage and autonomy, making this a compelling read for modern audiences.
