Photo by John Vincent

"Our specialty was paramilitary; hit the ground running, find the storm, go to the eye of it, and serve it for dinner between *Andy Griffith* and *I Love Lucy*."

"The PLO rocket-powered grenade launcher had us dead to rights...The paint on the car top singed and screamed like cold water sprayed on a branding iron."

"With each tale of woe heard, each horror story, each expense account fundango, each spider web encounter, each breakdown of a marriage or a love affair, my conviction was reconfirmed that as soon as possible I would be leaving CBS News...I amused myself by building rattles in the air on Plum Lick in Kentucky, where one day I'd watch the moon shine and might even drink some."

"With Lalie, I found my 'peace at the center' in the old house alongside Plum Lick Creek—we call it home sweet Kentucky—where there are no committees, consultants, or circular firing squads. We've had a good life, and we pray there's more to come."

When I left town I was young and dumb, lost in a haze of drugs and partying. When that haze lifted, it knocked me down, toying with my life. I came back home, a different person, a shell of myself. He was there. He was always there. And I couldn't stop myself. His sweet words, his warm arms, his soft kisses. It was like I never left. He drew me in, under a spell, made me feel loved. But sometimes love is not enough. Sometimes addictions take over. Or sometimes it's simply our pasts. Mine came back, rip-roaring through town, bringing with it the reminders I'd buried. Would Josh still love me when he found out all of my secrets? Or will our second chance be shredded into so many pieces we'll never be able to pick them all up. *The Long Way Home* Michael Murphy, 2025-08-25

After years away, Ragnar returns to his home of Oslo, Norway, with a pregnant Sayiina. Wanting to retire from sailing, set his roots down and raise a family, he finds gainful employment as Oslo's new harbor master. But trouble soon finds him when his authority is challenged by the notorious gangs infesting the docks of Oslo. Unpredictably, his return also reignites an old family feud with a sea witch and drops Ragnar and Sayiina in the midst of the ancient Norse practice of seidr magic. During these perilous times, Ragnar must fight both sword and sorcery so both he and Sayiina can survive in his native land. Join Ragnar on his final quest to find out where he belongs, a place he can call home. **Long Way Home** Katie McGarry, 2017-01-31

Don't miss the next stunning Thunder Road novel from acclaimed author Katie McGarry. Let's Take the Long Way Home Gail Caldwell, 2011-08-09

NEW YORK TIMES BESTSELLER. They met over their dogs. Gail Caldwell and Caroline Knapp, author of *Drinking A Love Story*, became best friends, talking about everything from their love of books and their shared history of a struggle with alcohol to their relationships with men. Walking the woods of New England and rowing on the Charles River, these two private, self-reliant women created an attachment more profound than either of them could ever have foreseen. Then, several years into this remarkable connection, Knapp was diagnosed with cancer. With her signature exquisite prose, Caldwell mines the deepest levels of devotion and courage in this gorgeous memoir about treasuring a best friend and coming of age in midlife. *Let's Take the Long Way Home* is a celebration of the profound transformations that come from intimate connection and it affirms once again why Gail Caldwell is recognized as one of our bravest and most honest literary voices. *Long Way Home* Dan Jarvis, 2020-03-05

Winner of Best Memoir at the Parliamentary Book Awards 2020. Dan Jarvis's story is a belter. It's about love, loss, courage and determination, told with his customary modesty, which fails to disguise the amazing man behind the story. Alan Johnson. Dan Jarvis is an MP and a Mayor, but this is not a book about

politics This is a book about service and family specifically his time serving in the elite Parachute Regiment and the tragic death of his wife Caroline Dan used to be a soldier and although soldiering provides the backdrop to some of the book what it is really about is love life and death and all the stuff that goes in between It is about making decisions when under extreme pressure about keeping calm keeping going and keeping a smile on your face well most of the time anyway Specifically it is about the two biggest challenges Dan faced and the way he tried to cope with them taking on the Taliban in Afghanistan and losing his wife to cancer at a tragically young age For a long time Dan did not feel ready or able to talk about it but ten years on he now wants to tell the story From the mortal danger and nerve tangling fear of night fighting in Helmand province to the aching heartache of bereavement this is a unique and compelling memoir by a man of courage and character Though it has been a hard book for Dan to write it is a gripping and inspiring one to read *The Long Way Home* Odell Richardson Jr.,2009-11 The Long Way Home The Testimony is a first of its kind from the inner city streets of Baltimore Maryland This narrative non fiction story is NOT a glorification of the despair that plagues many urban districts throughout our country but it is an informative intense detailed urban centerpiece that goes against conventional wisdom of what society may believe about the inner city and many of its occupants This story bridges a gap many believed could not be It s a unique approach to the harsh realities of the streets and to life as a whole It s a story about change decisions and consequences This is one man s story It s an urban story about God This is certainly not a street tale lacking depth one without significant meaning or positive goals This story is about family trials perseverance love God life and its purpose This read will erase any doubt and convince all that anything is possible for anyone The author assures us all that this is a story told with two main goals in mind to Glorify God and to strive for a good future while loving every human being along the way *The Long Road Home* Marcus Richardson,2019-04-25 When the power shuts off how long will it take for everything to fall apart Lukas Calloway was a loner and happy about it He doesn t like crowds and while he d do anything for his family he loves living by himself But when a massive coronal mass ejection destroys earth s power grids and plunges mankind into the 1800s Lukas is forced to choose help others or go it alone Either way he has to reach his family and fulfill a vow to his brother stuck on the other side of the world Lukas will do anything to protect his family but with the world falling apart around him will he survive the journey Will mankind survive the storm The Long Road Home is a stand alone novel set in the Solar Storm universe It takes place in the early stages of the CME crisis depicted in the Solar Storm books 1 5 *The Long Walk Home* Raymond J. Castellani,2017-02-02 The Long Walk Home will most likely be the last book I write I am eighty three years old this book is important to me it goes over to a degree what has been said in my previous books The End Was A Beginning the first the second The Silent Voice in much more detail it is threaded with the never ending presence of loneliness but more significantly it brings forth the Four Absolutes Honesty Purity Unselfishness Love which were given to me in 1986 I have talked about these principles in my previous books I made clear that if these principles were incorporated in society at hand

the world would change in an instant this I believe is the power of these four words the society that exists at present the persistence of selfishness self centeredness permeated with dishonesty beyond reproach the distortion of purity the use of the word love as a panacea to cover the vile of discontent that exists in the world as is lived in every crime every murder every twisted thought every lie every selfish act every thought of hate would be reduced to the pleasantries of memory I cannot predict where society will rest seventy years from now 2016 I do know that in 1927 the world population was two billion 1960 three billion 2011 seven billion projection 2083 ten billion will make up our society if the culture is not changed the present will be a reality for the future this may be a morbid statement it is a true statement for sure society is doing nothing to change the silhouette as is known the simple life is but a dream of realities taken from the books well read by masters of the past what is our destiny
