Following Jesus What It Means To Live As A Christian

Blake Ferriss

Following Jesus What It Means To Live As A Christian:

Now That I'm a Christian C. Michael Patton, 2014-02-28 How do we help our friends who have just become Christians or are young in the faith In this concise and accessible book Mike Patton unpacks the basics of the Christian faith helping new believers think rightly about God and live fully for God as they begin their new life in Christ In ten easy to read chapters Patton introduces readers to the foundational teachings and life giving practices of Christianity from the doctrine of the Trinity to reading and understanding the Bible Designed for individual use or small group discussion this handbook on the Christian faith has the potential to become the go to guide for new believers wanting to follow Jesus with their heads and their hands Invitation, The Greg Sidders, 2011-04 With a gentle encouraging style the author helps readers strip away the non essentials and discover the exhilaration of simply following Jesus **By the Way** Derek Vreeland, 2019-06-18 an inspiring read from beginning to end Midwest Book Review Includes discussion questions at the end of each chapter Foreword by Derwin Gray founding pastor of Transformation Church and former NFL player What if asking Jesus into our hearts is not the heart of the gospel In *By the Way* pastor and author Derek Vreeland reframes everything we've been told about Christianity and what it means to follow Jesus Discipleship isn't an add on Jesus didn't say Go into all the world and get people saved or Get people to ask me into their hearts Jesus said Go therefore and make disciples Reclaiming discipleship as the heart of the Christian faith means seeing anew the gospel the cross the resurrection transformation and the community of faith We learn the ways of Jesus by practicing them Vreeland says and in *By the Way* he introduces us to the ways of Jesus Discipleship means joining God's joyful mission of reconciliation on earth not just saving souls for the afterlife Following Jesus is more like taking a long walk in the woods than sitting in a classroom *Living by the Way* takes practice and that's the point **Following Jesus in a Culture of Fear (The Christian Practice of Everyday Life)** Scott Bader-Saye, 2007-06-01 Through politics marketing news programming and popular culture we are taught to fear often in ways that profit others But what does all this fear do to our moral lives as it forms or deforms our character and our judgment Drawing on Christian scripture and tradition *Following Jesus in a Culture of Fear* articulates a response to fear that resists an ethic of security in favor of fostering an ethic of risk The Christian virtues of hospitality peacefulness and generosity are presented as the way to defeat the counter virtues of suspicion preemption and control Pastors students and lay people will find this unique book both accessible and intriguing EXCERPT Do not be afraid We live in a time when this biblical refrain cannot be repeated too often Both John Paul II in 1978 and his successor Benedict XVI in 2005 used these words to begin their papacies Among all the things the church has to say to the world today this may be the most important No one has to be convinced that we live in fearful times though we are not always sure what we should be afraid of and why We suspect that our fears make us vulnerable to manipulation but we find it hard to quell the fear long enough to analyze how it is being produced and directed for the benefit of others One reason we are a more fearful culture today despite the fact that the dangers are not objectively

greater than in the past is because some people have incentives and means to heighten manipulate and exploit our fears Fear is a strong motivator and so those who want and need to motivate others politicians advertisers media executives advocacy groups even the church turn to fear to bolster their message I call this the fear for profit syndrome and it is rampant We have become preoccupied with unlikely dangers that take on the status of imminent threats producing a culture where fear determines a disproportionate number of our personal and communal decisions The sense of ever increasing threats can overwhelm our ability to evaluate and respond proportionately to each new risk thus we allow fear to overdetermine our actions
